[00:11] Cory

Is the idea here that you can
beat me by working together?

[00:20] Paula

Hayato!

[00:22] Cory

I'm gonna chew you up now!

[00:24] Paula

Let go of Hayato!

[00:26] Cory

Hey, whoa! Hold up! T-Time out!

[00:29] Paula

Wait, can you not see in front of you?

[00:32] Paula

Then even I can handle this!

[00:37] Paula

Huh? That worked really well for some reason.

[02:15] Cory

Wh-What is wrong with you?!

[02:18] Hayato

No one cares!

[02:19] Hayato

Now die!

[02:23] Prontea

Looks like a pretty even fight.

[02:28] Prontea

Now then, my demon friend...

[02:30] Prontea

You know how you're not supposed
to look at the sun with a telescope

[02:33] Prontea

or a magnifying glass?

[02:36] Prontea

I never did understand *why* they say that.

[02:42] Piscalat

Damn it, of all the stupid tricks...

[02:45] Ysley

The flash grenade seems effective enough.

[02:49] Ysley

She's blocked off the exit...

[02:52] Ysley

Now then, it's going to take a second
for you to recover your vision...

[02:56] Ysley

Why don't we chat a bit?

[02:59] Ysley

General Piscalat, you're rather sharp.

[03:03] Ysley

The fact that you were thorough enough

[03:05] Ysley

to lure a weak opponent like me
into such a vulnerable position...

[03:08] Ysley

It's proof of how well you
understand the position you're in.

[03:13] Ysley

You appreciate that demonkind has next
to no chance of winning this conflict.

[03:18] Ysley

I know what your goal is.

[03:21] Ysley

You intend to eliminate the three
of us, who are still immature,

[03:24] Ysley

and then figure out a way
to deal with Rin-san

[03:27] Ysley

once you've taken appropriate precautions.

[03:29] Ysley

Does that about cover it?

[03:32] Piscalat

Speculate about dream scenarios all you want,

[03:35] Piscalat

but you're all going to die today.
It's that simple.

[03:39] Ysley

I'll concede that my death
isn't out of the question.

[03:42] Ysley

But the demons you sent after my friends

[03:45] Ysley

will all die by Prontea-san's hand.

[04:05] Prontea

That's your full power, then?

[04:09] Prontea

I think I've gotten a good grasp of it.

[04:11] Prontea

And now it's my turn!

[04:20] Prontea

In the end, it seems straight-up punching them is the most powerful after all.

[04:26] Ysley

Rin-san isn't the only Idaten capable of defeating demons.

[04:29] Ysley

I'm afraid you all are the ones speculating about dream scenarios.

[04:34] Ysley

You don't seem to realize that demons only posed a threat before

[04:36] Ysley

because tens of thousands of you went on a mindless, frenzied rampage.

[04:41] Piscalat

I don't see your point.

[04:42] Piscalat

And whatever it is, you're still going to die.

[04:45] Piscalat

Idiot. Keep running your mouth.

[04:49] Ysley

Are you sure about that?

[04:50] Ysley

If I can escape from this room, I can contact Prontea-san.

[04:54] Ysley

That will ensure *you* die.

[04:56] Piscalat

*I'm sure it would.
Just keep talking, scum.*

[05:01] Ysley

There's one other thing to consider: intelligence can sometimes be a hindrance.

[05:09] Piscalat

He can't be stupid enough

to think that'll work again!

[05:16] Piscalat

What were you trying to do?

Did you really think that would damage me?

[05:21] Ysley

I guess not. All I could manage
was to rip your clothes.

[05:26] Ysley

And I have to say, you have a fantastic rack.

[05:33] Piscalat

Y-Y-Y-You bastard!

[05:35] Ysley

This is what I meant. You've restricted
your movements, and for what?

[05:38] Ysley

Some asinine notion of embarrassment?

[05:40] Ysley

I'm fairly certain that
demonkind's primary objective

[05:42] Ysley

is to find a way to propagate the species,

[05:45] Ysley

which made me realize something.

[05:47] Ysley

Your elevated intelligence has resulted
in an elevated sense of pride,

[05:50] Ysley

leading you astray
from the goal of reproduction

[05:52] Ysley

and giving rise to shame
at being stripped naked...

[05:55] Ysley

Why, you're acting like
a sweet little virgin.

[05:59] Piscalat

Y-You... You piece of shit!

[06:01] Piscalat

You're dead! I'm going to kill you!

[06:03] Piscalat

I swear I'll kill you!

[06:07] Piscalat

Die!

[06:09] Piscalat

What?!

[06:11] Yslsey

I'm afraid that trick won't work.

[06:14] Ysley

The first demon that came
after us already tried it.

[06:19] Piscalat

Nickel...

[06:21] Piscalat

Damn! What is he up to now?

[06:28] Piscalat

*What is this? He's just standing there?
And not doing anything?*

[06:32] Piscalat

What's his game?

[06:39] Piscalat

Poison?!

[06:40] Piscalat

*Don't tell me this is why he was rambling
all entire time?! But what's the point?*

[06:46] Piscalat

Poison doesn't have any effect on...

[06:51] Ysley

In pure demons,

[06:52] Ysley

no substance causes a
physiological reaction this quickly.

[06:55] Ysley

But... you all have human brains.

[06:59] Ysley

And while the human brain can
resist pain to some degree,

[07:03] Ysley

it has no real defense against pleasure.

[07:06] Ysley

Yes, this is a highly potent
narcotic and aphrodisiac cocktail.

[07:11] Ysley

If you had simply struck without hesitation
at the start, you could've killed me.

[07:15] Ysley

But that streak of intelligence you have

[07:17] Ysley

inspired fear of the risks involved,
hesitation, and failure.

[07:22] Ysley

I guess you're not listening anymore.

[07:29] Prontea

*The enemy can't overcome Hayato's
defenses and regenerative speed...*

[07:33] Prontea

But Hayato's own attack power is lacking, eh?

[07:33] Hayato

Holy shit, you are gross-looking!

[07:37] Prontea

*At this rate, Hayato-kun
will win within a few hours.*

[07:41] Prontea

But that'd be a bit too dull.

[07:44] Prontea

Let's try one last experiment.

[07:48] Prontea

Paula, can you hear me?

[07:51] Paula

Prontea-san?

[07:55] Prontea

Try fighting with that sword.

[07:57] Prontea

It's the same as what Master uses,
but I can actually separate mine from my hand.

[08:02] Prontea

Think of it as me lending you my strength.

[08:06] Paula

O-Okay!

[08:23] Prontea

It's like a character at the start
of the game getting end-game gear!

[08:27] Prontea

Paula, give it to Hayato.

[08:30] Paula

Here, Hayato.

[08:31] Hayato

Okay...

[08:32] Cory

Wh-Whoa!

[08:35] Cory

Whoa, wait a sec!
I give up! I surrender! So stop!

[08:38] Cory

I'm begging you, just don't kill me—

[08:43] Hayato

Winning wouldn't feel right
if I had to use that to do it.

[08:47] Hayato

Bring it. Let's settle this the normal way.

[08:52] Prontea

So he's truly interested in getting stronger

without using any cheats, huh?

[08:58] Piscalat

What... are you going to do with me?

[09:03] Ysley

Well, since I did manage
to capture you alive,

[09:06] Ysley

I have a few things in mind
that I'm bound to enjoy.

[09:10] Piscalat

Don't! Just... kill me instead.

[09:15] Ysley

I get the feeling you're imagining something
lascivious, but you don't need to worry.

[09:20] Ysley

Although you might have
preferred that, considering...

[09:24] Ysley

I'm a scientist.

[09:26] Ysley

The bed I fool around on
is of a surgical nature.

[09:28] Ysley

The only insertions I make
involve sharpened scalpels.

[09:31] Ysley

Because I came into existence naturally,

[09:33] Ysley

I didn't understand my nature
until I met Hayato...

[09:38] Ysley

And before that happened, I dissected

[09:41] Ysley

an innumerable number of humans
to understand what I was.

[09:45] Ysley

I've got a knack for tweaking
the human brain, you see.

[10:37] Gill

N-No!

You're afraid...

[10:42] Miku

Deathly afraid ever since you
felt the first twinge of pleasure!

[10:48] Miku

withstand any amount of suffering,

[10:50] Miku

ecstasy might be what finally
gets you to give in!

[10:54] Gill

Stop it! Just stop!

[10:56] Miku

Okay. I will.

[11:00] Miku

I stopped.

[11:09] Gill(internally)

[11:17] Miku

Brandy? C'mon, things were

[11:21] Miku

What about her training?

[11:22] Miku

Well, your plans are canceled,

[11:40] Gill

You will suffer divine punishment for this!

[11:43] Gill

Have you no fear of God?!

[11:48] Brandy

God, huh? That's certainly a scary prospect.

[11:51] Brandy

I wasn't expecting them to be on that level.

[11:56] Gill

What exactly do you mean...?

[11:59] Brandy

Good question.

[12:00] Brandy

If you really think you serve a god,
maybe you should ask one yourself?

[12:20] Hayato

Already worn out? Looks like I win, then.

[12:25] Cory

Damn it...

[12:27] Prontea

Six hours, huh? That was faster than I expected.

[12:31] Prontea

Okay, got it.

[14:25] Piscalat

I thought the Idaten were supposed to protect humans.

[14:29] Prontea

Well, we're on their side,

[14:31] Prontea

but we're also pretty ambivalent when it comes to their notions of rights and ethics.

[14:36] Neput

Doesn't that mean you've won, though?

[14:38] Neput

Couldn't Long-Locks here

[14:40] Neput

and that monster on the island team up and just kill everyone in Zoble?

[14:45] Ysley

No, destroying Zoble without some sort of plan

[14:48] Ysley

could throw human society into chaos.

[14:51] Ysley

A war between Hotaena and

Sarabael would be trouble.

[14:54] Ysley

Regardless, I'll manage something
as far as the humans go.

[14:58] Ysley

I want the three of you to
act as though you've killed us

[15:02] Ysley

and return to Zoble as spies.

[15:04] Piscalat

I'm afraid that won't work.

[15:07] Hayato

Why not? They tell you
to bring back our bodies?

[15:11] Piscalat

There is that...

[15:13] Piscalat

But the main issue is that
Miku is still in Zoble.

[15:15] Piscalat

She's a threat of a different variety.

[15:19] Miku

Hey, could you have the sixth fleet move
15 kilometers back from the coast?

[15:24] Miku

And then have the first through
fifth fleets move closer by two clicks?

[15:28] Takeshita

Miku, what's that going to accomplish?

[15:31] Miku

Well, it's just a guess at this point, but...

[15:34] Miku

I think she'll unfold her arms
and switch up her stance a little.

[15:39] Pete

What the heck? I don't get it.

[15:43] Prontea

Miku? Who's that?

[15:45] Hayato

Is she strong?

[15:47] Piscalat

Not exactly, no.

[15:49] Piscalat

She's normally in charge of reeducating
the women we capture.

[15:52] Piscalat

I'm pretty sure even the girl

She did, but I'm not sure why.

[16:36] Takeshita

And what was the point?

[16:38] Miku

Let's see... How about
we discuss this outside?

[16:43] Miku

See, she'd taken up a position

[16:45] Miku

that would let her wipe out the entire fleet in an instant.

[16:50] Miku

That's why I had them switch to a formation that would make it harder

for her to eliminate them where she stood.

[16:54] Miku

But don't you think it's funny, Your Majesty?

[16:58] Takeshita

No, I'm not sure I understand.

[17:00] Miku

Well, if she doesn't want to kill humans,

[17:02] Miku

couldn't she just run away instead of getting ready to attack?

[17:06] Miku

Why would she stand her ground like that?

[17:08] ---

There's only one reason.

[17:10] ---

There must be something there that she wants to keep safe.

[17:15] ---

I wonder what it could be...

[17:19] Obami

How's it going? Any new developments?

[17:23] Miku

Oh, Your Lordship!

Are you feeling any better?

[17:26] Obami

Yes, I just finished repairs a minute ago.

[17:30] Obami

That stupid brat just had to smash my body...

[17:35] Obami

She's protecting something, is she?

[17:38] Obami

I'd wager it's the seal keeping the old demons at bay.

[17:41] Miku

The old demons are sealed away?

[17:44] Obami

Eight hundred years ago, all of demonkind were trapped behind a seal.

[17:48] Takeshita

If we can break that seal, wouldn't the tables turn instantly?

[17:53] Obami

Is that what you're thinking, Miku?

[17:54] Miku

Not at all!

[17:56] Miku

Y'know, Your Majesty, you're a good study,
but you're not too clever.

[18:01] Obami

There are three problems.

[18:04] Sign

"Problem 1"

[18:05] Obami

Firstly, we don't know how to break the seal.

[18:08] Obami

How do we destroy the island
with Rin defending it?

[18:08] Sign

"Problem 2"

[18:12] Obami

I'm not sure we have the means to do so.

[18:15] Takeshita

Those are good points...

[18:19] Obami

[18:19] Sign

"Problem 3"

[18:23] Obami

would be as much of an issue for us

[18:26] Obami

They can't differentiate friend and foe.

[18:30] Takeshita

True enough.

[18:31] Obami

Knowing the location of the
seal is interesting, however.

[18:37] Takeshita

I thought we were onto something...

[18:40] Takeshita

But I guess we'll have to
think of something else.

[18:44] (Flashback) Obami

How do we destroy the island
with Rin defending it?

[18:48] Miku

"Rin"?

[18:50] Miku

*How does the Demon Lord
know that Idaten's name?*

[18:56] Ysley

Who exactly is this doctor...
this Demon Lord Over-M?

[19:01] Piscalat

The Demon Lord...

[19:03] Piscalat

He was the one who granted us
human forms and intelligence,

and he's maneuvering to
take control of society.

But because he always contacts
us via android proxies,

we're not completely certain
about his identity.

[19:09] Neput

Seventy years ago,
when Takeshita and I were kids,

[19:10] Sign

[19:11] Neput

the Demon Lord seemed to rule
over Zoble as Emperor Obama.

[19:13] Neput

We all had to wonder if

[19:14] Neput

he was actually just a human using
us demons for world conquest.

But one day, after he'd reached
an age most humans would be dead at,

he abdicated the throne to Takeshita
and faked his own death

before returning as a scientist named
Obami that worked in military R&D.

He said it was so that he could dedicate
more time to the prosperity of demons,

but the job would take over a century.

[19:26] Neput

If he were human, he'd never live that long.

There *is* a possibility
the person controlling

the android may have changed at some point,

but even if there's an
organized effort behind it,

[19:31] Sign

I can't imagine why humans
would expend multiple lifetimes

devoted to helping demonkind.

[19:35] Ysley

Hang on a second, maybe he's...

[19:38] Ysley

No, it can't be...

[19:39] Miku

*If the Demon Lord is a human,
his lifespan doesn't make any sense.*

[19:44] Miku

*But if he's a pure demon, then where
does his intelligence come from?*

[19:49] Paula

Maybe the Demon Lord is an Idaten?

[19:55] Piscalat

Then why would he oppose the rest of you?

[19:58] Paula

I-I dunno about the details, but...

[20:01] Paula

Oh, you know how we're mostly
made up of human thoughts?

[20:05] Paula

The Demon Lord could be an Idaten who was created from the thoughts of demons!

[20:09] Paula

That'd explain everything, right?

[20:11] Ysley

I seriously doubt that.

[20:13] Ysley

If he were an Idaten, he'd have to know more about us than he does, wouldn't he?

[20:20] Ysley

I think we've been at this for too long.

[20:23] Ysley

Let's have a little break.

[20:24] Hayato

I'm down for that.

[20:27] Hayato

Actually, I kind of want to ditch altogether.

[20:29] Hayato

Hey, man, let's train some more.

[20:32] Ysley

Oh, I actually need to talk with Prontea-san.

[20:36] Ysley

Could we address that first?

[20:38] Prontea

Yeah, all right.

[20:40] Hayato

Hey! What about my training?

[20:43] Prontea

No need to worry.

I'll give you something to work on.

[20:47] Prontea

First, try to defeat these three.

[20:51] Hayato

Okay, then. Now that's my kind of homework.

[20:54] Ysley

General Piscalat.

[20:56] Piscalat

Yes?

[20:57] Ysley

About the Demon Lord...

[21:02] Piscalat

You're exactly right.

[21:05] Prontea

That wasn't like you, Ysley-kun.

[21:07] Prontea

Why call for a break when we haven't made any headway?

[21:11] Prontea

Did you pick up on something?

[21:16] Ysley

Yes. I understand what's going on now.

[21:18] Ysley

This doctor that they call the Demon Lord...

[21:22] Ysley

I know who he really is.
