[00:10] Narr

There exists a model of the seal Rin guards,

[00:15] Narr

created at 1/100th scale...

[00:18] Narr

You could say it's a replica seal.

[00:21] Ysley

What does it contain, Prontea-san?

[00:23] Prontea

There are two thousand
cockroaches trapped inside.

[00:26] ---

Huh?

[00:27] Prontea

Making it a very dreadful seal indeed.

[00:29] Ysley

Okay, then...

[00:32] Ysley

So, is it possible for a third party
to remove the seal?

[00:37] Prontea

This part here with the flag acts like
an antennae that maintains the sealing.

[00:42] Prontea

Destroy this and what's
inside comes spilling out.

[00:46] Ysley

Does it?

[00:48] Ysley

Rin-san must think so too,
which explains why she's spent

[00:50] Ysley

eight centuries guarding the seal.

[00:53] Ysley

And yet...

[00:55] Prontea

Hey, wait a sec! You're gonna
get roaches everywhere!

[00:57] Ysley

Here's what actually happens.

[01:01] Prontea

They're all dead?

[02:57] Prontea

won't give the demons any advantage.

[03:01] Ysley

On the contrary, that mistake
gave rise to the Demon Lord.

Wait, what are you saying, Ysley-kun?
That the Demon Lord is an Idaten?

[03:23] Ysley

I confirmed with General Piscalat

SIGN #6

Smoke

[03:26] Ysley

that the demons found us by hacking
cameras all over the country.

[03:31] Ysley

And you would have to be
an Idaten to hack cameras

[03:35] Ysley

that aren't connected to the internet.

[03:38] Miku

I think I'll skip the foreplay
and just come out and ask...

[03:43] Miku

What exactly are you?

[03:46] Obami

What's this, Miku? Are you doubting me?

[03:50] Miku

Well, let's say that I'm very
interested in your identity.

[03:54] Obami

I think you're the first one
to actually express their suspicions.

[03:57] (Flashback) Paula

Maybe the Demon Lord is an Idaten?

[04:01] Ysley

Paula's wild guess about
the Demon Lord being an Idaten

[04:05] Ysley

based on the thoughts of demons
wasn't actually very far off the mark.

[04:08] ---

Three things are necessary
for an Idaten to manifest.

[04:11] ---

The thoughts of a number of creatures,
their desire for salvation,

[04:14] ---

and a period of time
numbering in the centuries.

[04:17] ---

Take the Idaten who sacrificed themselves

[04:19] ---

and the thoughts of the slowly,
painfully dying demons...

[04:21] ---

Add 800 years to the mix,

[04:23] ---

and on the other side of the seal,
you've got the perfect storm.

[04:27] ---

The dying demons' desperation created him

[04:30] ---

with the desire to protect demonkind,

[04:32] ---

while the Idaten who sacrificed themselves

[04:34] ---

were the source of his knowledge.

[04:36] Obami

It's no matter. Feel free to probe
around all you like.

[04:39] Obami

And if you do get an answer,
by all means, share it with me.

[04:42] Obami

Since I have no idea myself.

[04:46] Ysley

Because they were disassembled
and reassembled,

[04:49] Ysley

his memories are extremely hazy.

[04:51] Ysley

He's also physically unable
to leave the barrier.

[04:54] Ysley

But he doesn't even realize this fact.

[04:56] Ysley

Thus he projects his thoughts

[04:58] Ysley

and only interacts with the
outside world via machinery.

[05:01] Ysley

That's the true nature of the Demon Lord.

[05:06] Prontea

So, what now, Ysley-kun?

[05:08] Prontea

We know where to find him...

Are we going to go kill the Demon Lord?

[05:13] Prontea

Or no?

[05:20] Piscalat

His attacks are fast, but light.

[05:22] Piscalat

Which means...

[05:26] Piscalat

In this position, I can attack you freely

[05:30] Piscalat

and you don't have the
strength to escape. I win.

[05:34] Hayato

Shut it! This isn't over yet—

[05:38] Piscalat

No, seriously, you lose.

[05:42] Neput

You've got good reflexes and speed.

[05:44] Neput

But even if you land those attacks,
they're not gonna hurt!

[05:54] Hayato

How about this?!

[06:02] Neput

You stupid or something?

[06:03] Neput

It doesn't matter how fast you come at me.

[06:06] Neput

If it's in a straight line,
landing a counter is easy.

[06:10] Piscalat

Looks like that's it.

[06:11] Hayato

Damn... I had no idea I was this weak.

[06:15] Hayato

What the shit have I been doing?

[06:18] Prontea

You seem troubled, my boy!

[06:23] Hayato

That's creepy as hell!

What're you doin' down there?!

[06:26] Prontea

Shouldn't you be asking about
how to attack with more power?

[06:31] ---

Okay...

[06:33] Prontea

Very good! Allow me to explain.

[06:36] Hayato

What's this supposed to be?

[06:37] Prontea

Just what it looks like. A scale.

[06:39] Prontea

Hop on, Paula.

[06:41] Paula

Okay...

[06:45] Paula

It says 36 kilos. So what's the big idea?

[06:49] Prontea

Now try reducing your weight to zero.

[06:53] Paula

Like this?

[06:56] Prontea

Well, that explains how you're so good at moving without making a sound.

[07:00] Sign

Fast Forward Explanation in Progress

[07:00] Prontea

[07:02] Sign

Fast Forward Explanation in Progress

[07:03] Prontea

Now, want to land heavier attacks? Just make yourself heavier instead!

[07:03] Sign

Fast Forward Explanation in Progress

[07:09] Prontea

[07:09] Sign

Fast Forward Explanation in Progress

[07:10] Prontea

then increase it several tons

[07:10] Sign

Fast Forward Explanation in Progress

[07:11] Sign

Fast Forward Explanation in Progress

[07:12] Prontea

Fast Forward Explanation in Progress

[07:14] Narr

Even Hayato, who has trouble moving silently,

[07:14] Sign

Fast Forward Explanation in Progress

[07:15] Narr

can reduce himself to 1 or 2 kilos.

[07:15] Sign

Fast Forward Explanation in Progress

[07:16] Narr

But "getting heavier" is a separate matter.

[07:16] Sign

Fast Forward Explanation in Progress

[07:17] Sign

Fast Forward Explanation in Progress

[07:18] Narr

*In order to vastly exceed your

[07:20] Sign

Reaching several tons would
take hundreds of years,

[07:22] Sign

[07:24] Prontea

but a couple hundred kilos?

[07:27] Prontea

maybe even a few days.

I think Paula might be able
to manage it now to some extent.

[07:28] Sign

Fast Forward Explanation in Progress

[07:29] Sign

Fast Forward Explanation in Progress

[07:32] Paula

Hey, it worked! I can get up to 90!

[07:35] Hayato

All right, let me give this a try.

[07:38] Hayato

I've got a baseline of 65,
and then... I get heavier.

[07:45] Hayato

It didn't change at all, damn it!

[07:48] Prontea

Because you were only flexing just now.

[07:50] Prontea

You need to imagine what you're trying to make happen. Picture it.

[07:53] Prontea

Okay, let's try this.

[07:58] Prontea

Now, Hayato-kun,

[08:00] Prontea

take in the the pressure on your legs and the ground right now.

[08:04] Prontea

Then imagine all that weight is yours.

[08:08] Ysley

Prontea-san...

[08:10] Prontea

Oh, Ysley-kun!

[08:11] Ysley

It's been less than a week since Zoble attacked us.

[08:14] Ysley

Is this training going to have any effect?

[08:17] Prontea

Well, if it doesn't, we can leave Hayato out of the coming battles

[08:21] Prontea

and I'll train him over a longer period,

[08:23] Prontea

since we're going to be fighting the Demon Lord eventually.

[08:26] (Flashback) Prontea

Are we going to go kill him? Or no?

[08:30] (Flashback) Ysley

Let's not.

[08:31] (Flashback) Ysley

The idea of an opponent who's a mixture of a number of Idaten and demons...

[08:35] (Flashback) Ysley

We don't yet know how strong he might be.

[08:38] (Flashback) Prontea

You think he'd pose a threat even if Master and I fought together?

[08:42] (Flashback) Ysley

It's a simple matter

of not being absolutely certain.

[08:45] (Flashback) Ysley

But one thing I know for sure is that

[08:47] (Flashback) Ysley

the Demon Lord isn't building
his strength in there.

[08:51] (Flashback) Ysley

In other words, we can leave him be
and he won't get any stronger in the interim.

[08:54] (Flashback) Prontea

Okay, so you want to put
the biggest problem on hold

[08:58] (Flashback) Prontea

and use that extra time
to come up with a perfect plan?

[09:01] (Flashback) Prontea

Can't say it's my style...

[09:03] (Flashback) Ysley

If you want to fight that badly,
I won't stop you,

[09:06] (Flashback) Ysley

but *you'll* have to be the one to
convince Rin-san to break the seal.

[09:10] (Flashback) Ysley

Moreover,

[09:11] (Flashback) Ysley

Rin-san will be free to go wherever
she likes once the seal is no more.

[09:14] (Flashback) Prontea

You're right! We should make sure we're
fully prepared for whatever might happen!

[09:18] Ysley

*That said, we will have to fight
the Demon Lord eventually...*

[09:24] Ysley

*I wonder if I have to train, too...
What a drag! I just wanna do research!*

[09:30] Hayato

Damn it! How long am I supposed
to carry this thing?!

[09:33] Prontea

Until your body memorizes
the feeling of its weight!

[09:37] Prontea

If you're still thinking of it at "carrying,"
then you're going about this all wrong!

[09:46] Neput

Okay, try that again while
increasing your weight.

[09:48] Neput

I'll tell you how different it comes out.

[09:51] Paula

Going from 36 kilos to 90 kilos...

[09:54] Paula

That should be twice as powerful!

[10:01] Neput

That was heavier, yeah,
but you weren't going as fast.

[10:05] Neput

I think the trick is to only get
heavy for the moment of impact.

[10:10] Paula

That's kind of a big ask, y'know...

[10:13] Ysley

*Even for someone who's a natural
at lowering her weight,*

[10:16] Ysley

*increasing it in an instant
seems to be difficult.*

[10:19] Ysley

*When I think about how long this'll
take to be viable in combat,*

[10:22] Ysley

it makes my head hurt...

[10:24] Ysley

*He's making them do this
knowing full well*

[10:26] Ysley

*that they won't be able
to pull it off, isn't he?*

[10:32] Hayato

How the hell am I supposed
to learn this shit?!

[10:39] Hayato

Hey, General Piscalat! Come fight me again!

[10:43] Piscalat

I don't mind, but...

[10:45] Prontea

Good grief, this boy has no patience.

[10:50] Piscalat

*From the look of it,
I doubt this will go any differently.*

[10:54] Piscalat

He doesn't seem to have learned a thing.

[10:59] Hayato

Gotta make my body heavy...

[11:03] Hayato

Just like that rock!

[11:14] Piscalat

Wh-What was that?

[11:20] Hayato

Whoa, holy shit!

[11:22] Hayato

That really was way stronger!

[11:25] Hayato

Prontea-san, you're awesome, man!

[11:29] Prontea

Uh, yeah, thanks...

[11:29] Hayato

Seriously, you're awesome!

[11:32] Both

How the...?

[11:37] Neput

I'm up next.

[11:39] Neput

You're gonna have to prove
that wasn't a fluke just now.

[11:43] Hayato

Fine by me! Bring it on!

[11:52] Neput

Th-This is...

[11:54] Prontea

He's able to chain attacks even
though that's far more difficult.

[11:57] Prontea

That boy... Is he actually a prodigy?

[12:03] Ysley

I think I understand.

[12:05] Ysley

It may be that Hayato has never thrown
a punch at his natural body weight.

[12:12] Ysley

This is actually kind of convenient...

[12:15] Ysley

He might be increasing his weight
more than he's realizing as a result.

[12:20] Ysley

Prontea-san?

[12:22] Prontea

Yeah, you're right!

[12:25] Prontea

Hey, wait, is this for real?

[12:27] Prontea

*Then all of his previous attacks were
thrown at only a few kilograms?*

[12:34] Prontea

*Which means he's gotten this
strong in just eighty years...*

[12:39] Prontea

That's even harder to believe!

[12:50] Neput

Not bad...

[12:51] Neput

There's room for improvement,
but you win, kid.

[12:55] Hayato

Hell yeah!

[12:57] Prontea

*So this is the kind of power that
an Idaten who grows up*

[12:59] Prontea

*earnestly yearning
for strength can achieve...*

[13:03] Hayato

All right, next up is all three
of you at once, right?

[13:07] Hayato

Hope you two weren't
expecting a nice, long break!

[13:09] Prontea

No, that won't be necessary, Hayato-kun.

[13:12] Prontea

I'll be your opponent this time.

[13:15] Prontea

*This probably suits him better
than holding up a boulder.*

[13:20] ---

I'm going to fight normally,
with one handicap:

[13:23] ---

I won't dodge any of your attacks.

[13:26] ---

Your goal is to manage to damage me.

[13:30] Hayato

Damn, you might be pretty awesome,

[13:33] Hayato

but you're still a royal pain
in the ass, y'know that?!

[13:36] Hayato

Don't screw with me!

[13:51] Hayato

Damn... I guess beating him
isn't gonna be easy after all...

[13:56] Hayato

Freaking monster...

[13:58] Piscalat

He's so incredibly powerful...

[14:00] Piscalat

*Did we seriously intend to wage war
against someone like this?*

[14:03] Piscalat

It's a little late now, but that's terrifying.

[14:05] Cory

Piscalat-nee-chan...

[14:07] Cory

We're due to report in. What should we do?

[14:11] Piscalat

We've got two choices. We can keep quiet
or give a false report to buy time.

[14:18] Piscalat

But...

[14:26] Brandy

Based on this footage alone,
they really don't seem that impressive.

[14:31] Miku

There's something weird
about how weak this boy is.

[14:35] Miku

It's like he's actually much stronger,
but doesn't realize it somehow.

[14:42] Brandy

If he could utilize his full potential,
would he be stronger than me?

[14:49] Miku

I think you'd still have the edge, Brandy.

[14:53] Brandy

Y-Yes, of course I would.

[14:56] Miku

But I'm pretty sure he
could beat the rest of us.

[15:00] Miku

In fact, I think some of us
might already be lost...

[15:04] Brandy

What do you mean by that?

[15:07] Miku

There's been no report from
Piscalat's group whatsoever.

[15:12] Piscalat

Miku will probably see through
any ruse we try to pull.

[15:15] Piscalat

The smart call is simply to stay quiet.

[15:18] Miku

Are the three of them dead already?

[15:21] Miku

No, I bet that they've been
captured and squeezed for intel.

[15:27] Brandy

Don't be ridiculous.

[15:28] Brandy

Even if they were caught, I doubt Neput
and Piscalat would talk so easily.

[15:32] Miku

I get the feeling Cory-kun would spill
the beans pretty quickly under torture.

[15:38] Miku

Torturing Cory-kun...

[15:41] Miku

And Piscalat's such a virgin, too...

[15:43] Miku

Plus, when I think about Neput
on top of everything else...

[15:46] Miku

God, I want some!

[15:50] Miku

Brandy, my brain's not going to work
otherwise, so I need a bathroom break!

[15:55] Brandy

If you're going to the bathroom, then why
are you taking that filthy thing with you?!

[15:58] Miku

Fine, I need a good !

[16:01] Brandy

Could you please not be so blunt?!

[16:03] Brandy

*Honestly, she doesn't have a
trace of refinement...*

[16:07] Brandy

But did they really lose?

[16:10] Brandy

Your Lordship? Darling?

[16:12] ---

Hmm?

[16:13] Brandy

Has there been any news?

[16:14] Obami

None at all.

[16:16] Takeshita

*There's been no contact
from Neput and the others.*

[16:19] Takeshita

We can't even tell if they're a lost cause.

[16:22] Obami

*With Nickel gone, you're our
strongest line of defense.*

[16:26] Obami

I'm counting on you, Brandy.

[16:29] Brandy

Yes. Leave it to me.

[16:35] Obami

Well, Miku, did you discover anything?

[16:41] Obami

She's so focused and serious!

[16:43] Takeshita

Is the situation really that dire?

[16:47] Narr

It was actually just post-climax clarity.

[16:52] Ysley

*Paula, if you're bored, would you like
to join me on a trip to Sarabael?*

[16:56] Ysley

*It'd be easier for the two of us
to convince them that either alone.*

[17:02] Paula

That's fine with me.

[17:08] Hayato

*Damn... I keep hitting him
and it's like he doesn't feel it...*

[17:13] Ysley

*You know, Hayato,
there's one other simple way*

[17:17] Ysley

*to increase your attack power
that doesn't involve your weight.*

[17:23] Prontea

*I wonder what he's filling
your head with now.*

[17:26] Kuraishi

What's this all about?

And why all the secrecy?

[17:30] Raki

Is something going on?

[17:31] Buzz

Mom?

SIGN *First Prince Kuraishi*

[17:32] Brandy

No one knows that I've called you all here.

SIGN *Second Princess Raki*

SIGN *Third Prince Buzz*

[17:36] Brandy

I'll get directly to the point.

[17:39] Brandy

*I want the three of you to escape
the country immediately.*

[17:43] Brandy

*When you do, take a demon
of your choosing with you.*

[17:47] Brandy

Any questions?

[17:48] Buzz

*What for? And why are
we doing this in secret?*

[17:52] Brandy

To prevent demonkind from being wiped out.

[17:55] Brandy

*As things currently stand, Neput
and two others have been captured,*

[17:57] Brandy

*and since we have no way of knowing when
they might leak information about us,*

[18:00] Brandy

*I have no choice but to take
action on my own in secret.*

[18:03] Raki

*Why the three of us
and not our older siblings?*

[18:08] Brandy

Well, that's because...

[18:10] Brandy

*The three of you are the ones
I actually gave birth to.*

[18:16] Brandy

Hey! What's so funny?

[18:18] Raki

Oh, I'm sorry, it's just...

[18:21] Raki

*You were talking about things like
preserving demonkind and intel leaks before*

[18:25] Raki

*to justify it, but you really just
want to help your kids escape.*

[18:34] Buzz

And you're usually so rational!

[18:37] Kuraishi

*I guess you've got a
maternal streak after all!*

[18:39] Kuraishi

I had no idea!

[18:42] Brandy

*Shut it! Just get out of the kingdom
before I kill you myself!*

[18:46] Kuraishi

Okay, Mom.

[18:48] Kuraishi

We'll go. We'll run.

[18:51] Buzz

Take care of yourself, too, okay?

[18:53] Raki

Please be care...ful...

[18:56] Brandy

Yes. You three take care, as well.

[19:02] Brandy

*They didn't know I have
a maternal streak, huh?*

[19:07] Brandy

Well, neither did I.

[19:10] Kuraishi

Here you go!

[19:11] Girls

Kuraishi-sama, you rock!

[19:14] Kuraishi

Ferlandia!

[19:15] Kuraishi

*I've got a big trip coming up.
You should join me.*

[19:18] Ferl

I've got shit to do, unlike you.

[19:21] Ferl

*That means no time to join in
your playboy games.*

SIGN Madame of the 7th
Zoble Pleasure District

Ferlandia

[19:25] Kuraishi

Look, just come with me.

Direct orders from Empress Brandy.

[19:28] Kuraishi

The rest of them are mere distractions.

[19:30] Ferl

Huh, so it's not just fun and games?

SIGN Zoble Air Force Major

Meliano

[19:34] Mel

What is it, Buzz? You wanted to talk?

[19:36] Buzz

Uh, well...

[19:38] Buzz

Um, it's about...

[19:40] Buzz

Should I explain to her what's going on?

[19:42] Buzz

*Or would it be more natural to tell her
how I feel and see what she says first?*

[19:45] Raki

Kroft!

SIGN Butler to the

Zoble Royal Family

Kroft

[19:48] Krof

Oh? What is it, Princess Raki?

[19:51] Raki

Please! Take me away from this place!

[19:57] Brandy

This is just getting more depressing...

[20:00] Brandy

I don't wanna die yet.

[20:04] Brandy

I wanna run... I wanna run...

[20:09] Gill

God...

[20:11] Gill

*If you're watching,
I beg you, send us salvation.*

[20:17] Sagishee

My devoted faithful, the world
is in need of salvation!

[20:22] Sagishee

The Zoble Empire uses their military might
to commit every manner of barbarism!

[20:26] Sagishee

Hotaena has forsaken God in favor
of indulging in wanton delights!

[20:30] Sagishee

They are sinful nations whose
policy is to blaspheme God!

[20:34] Sagishee

They are in need of redemption
that only we can offer!

[20:39] Sagishee

Yes, redemption in the form of death!

[20:41] Sagishee

At this point, their only hope is for

[20:43] Sagishee

their souls be purified at the hands of us,
God's humble servants!

[20:47] Church

Redemption for the devils!

[20:48] Church

Purification for the devils!

[20:50] Sagishee

The finite wealth and resources of this world

[20:52] Sagishee

cannot be monopolized
by such unholy authoritarians!

[20:57] Sagishee

Their management is a task

[20:59] Sagishee

that only we, God's servants,
are fit to handle!

[21:06] Sagishee

What the—?!

[21:08] Ysley

I've heard the rumors,
but that was a seriously pathetic sermon.

[21:12] Ysley

Didn't it amount to "no one's
allowed to have power, except us"?

[21:16] Sagishee

What are you impudent
children trying to say?!

[21:18] Sagishee

And just who are you?!

[21:20] Ysley

Good afternoon. It's nice to meet you.

[21:22] Ysley

We're gods!
