The Legendary Hero Is a Skeleton!

[01:57] Touka

No freaking way...

[01:58] Touka

What do I do?

[01:59] Touka

Am I just gonna look like this forever?

[02:02] Yuna

Where'd Touka get off to?

[02:06] Yuna

As long as I'm all alone,
maybe I'll wash off!

[02:13] Touka

*Without my clothes,
I look like any old skeleton.*

[02:15] Touka

*I can peep my heart out
from a front-row seat!*

[02:18] Touka

We made eye contact!

[02:20] Touka

*Wait, look at her!
She doesn't know anything's up!*

[02:24] Anri

Dame Yuna?

[02:25] Anri

Why are you burying Sir Touka?

[02:28] Yuna

He was peeping on me.

[02:30] Touka

She knew exactly what was up!

the Gates of Hell as the legendary hero.*

[02:36] Touka

We've racked up a pretty big debt,

[02:38] Touka

*so we're heading to the capital
to get funds from the king.*

[02:42] Yuna

I've been giving you leeway
because you're in the hero's body,

[02:45] Yuna

but you're basically no good to anyone now.

[02:48] Touka

It can't be that bad!

[02:49] Touka

Granted, I don't know how
I can keep traveling like this.

[02:52] Anri

Being a skeleton isn't an issue.

[02:54] Anri

You retain your five senses as normal.

[02:57] Touka

That's not the dang point!

[02:59] Touka

If I enter the capital like this,

[03:01] Touka

we'll start a panic before
I ever reach the king!

[03:03] Anri

No need to worry.

[03:05] Anri

No matter what you may look like,
I'll always be on your side, Sir Touka.

[03:09] Touka

I'm telling you, that's not the point.

[03:11] Touka

I gotta find a way to boost
my mana and get my flesh back.

[03:16] Touka

If my own mana can't cut it,
what if I go back to my body,

[03:20] Touka

then have you enter the hero's
to regenerate it, Anri?

[03:23] Anri

Sir Touka, I cannot agree to that proposal.

[03:26] Touka

How come?

carries the risk of spiritual degeneration.

[03:33] Anri

I could not bear seeing you
become a degenerate,

[03:35] Anri

even for the sake of saving the world!

[03:38] Touka

You just up and cast a spell
that dangerous on me?

[03:41] Yuna

Maybe we should pass on seeing the king.

[03:43] Yuna

We can make money the old-fashioned way.

[03:46] Anri

I'm all right with foraging.

[03:48] Touka

It's like you don't even care...

[03:53] Touka

I just had a great idea!

[03:56] Man 1

The legendary hero?

[03:57] Man 2

[03:58] Woman

Mr. Hero!

SIGN You are most welcome here, Hero Sion.

[04:03] sign

Larcvalt XIII

King of Farom

[04:07] Touka

I-It's been quite some time, Your Majesty!

[04:10] (Flashback) Yuna

What's your great idea?

[04:12] (Flashback) Touka

I'll have the Sacred Sword
take the basic shape of a face,

[04:15] (Flashback) Touka

then draw features on it.

[04:16] (Flashback) Touka

And if we use those rainbow
grapes Anri was eating...

[04:21] (Flashback) Yuna

That hero's mug is pissing me off.

[04:22] (Flashback) Touka

Shut up.

[04:23] (Flashback) Touka

Even painters use these in their craft.

[04:27] (Flashback) Yuna

Wow, you know a lot! I'm a little impressed.

[04:29] (Flashback) Touka

I often use them to color radishes
to look more like thighs.

[04:32] (Flashback) Yuna

I take it all back.

[04:36] Touka

Worked like a charm!

[04:36] sign

Replica

[04:38] Touka

Anyway, the king's a pretty brawny dude...

[04:40] Touka

*He personally led the kingdom
in battle three years ago, right?*

SIGN Now, Hero Sion, how may I help you today?

[04:47] Touka

Oh, well, you see...

[04:50] Touka

I'm a bit low on traveling funds,
so I was hoping for your support...

SIGN What an amusing joke to start with after so long away!

[04:59] Touka

Er, it wasn't exactly a joke...

SIGN Of everyone who fought so bravely three years ago,

SIGN you alone sought no reward.

SIGN You taught me what a true champion was.

[05:11] Touka

This is the pits! How do I get the money?

SIGN Tell me, what is it you're truly after?

[05:16] Touka

I'm after money, you old bastard!

[05:19] Touka

Damn it, what now?

[05:21] Touka

How do I get some capital out of this jerk?

[05:23] Touka

Crud! I'm sweating my face off!

SIGN Your face...

SIGN So you've finally decided to wed Marguerite, eh?

[05:31] Touka

Wed? Marguerite?

[05:33] Touka

Um, I'm afraid it's not that—

SIGN It's not?

SIGN You came for a duel with me, then?

[05:41] Touka

No, I came for Marguerite!

[05:44] Touka

*That was close! Fighting that gorilla
would've been the end of me for sure.*

[05:49] sign

Isaac Gardner

Tutor to the Princess

[05:50] Isaac

This is Her Highness's room.

[05:52] Touka

Wait, you mean Marguerite's the princess?!

[05:55] Touka

*This damn hero turned down
marrying a princess?!*

[05:58] Touka

*Well, if she's his daughter, maybe
she's something of a gorilla herself...*

[06:03] Isaac

I'll take my leave so as not

to interrupt your reunion.

[06:07] Touka

Yeah, fine.

[06:08] Isaac

But see that you conduct
yourself appropriately.

[06:11] Touka

It's not like I'm into gorillas, man.

[06:14] Touka

Hey, Gori— er, Marguerite!

[06:17] Touka

Your hero's here!

[06:18] Marguerite

Mr. Hero?!

[06:21] Touka

Th-That's one beautiful gorilla!

[06:22] sign

Marguerite Farom

Third Princess of Farom

[06:23] Marguerite

It's been so long.

[06:24] Marguerite

Mr. H—

[06:28] Touka

Why'd you shut the door?!

[06:31] Touka

A monster!

[06:32] Touka

I'm really the hero! There's
a reason my face looks like this!

[06:38] Marguerite

Might I ask what that reason is?

[06:40] Touka

Uh...

[06:42] Touka

I-It's a curse.

[06:44] Touka

A devil turned me into a skeleton,
so I wear a mask to hide it...

[06:49] Touka

Not buying it, huh?

[06:53] Marguerite

I'm so sorry!

[06:55] Marguerite

I had no idea that such an
awful fate had befallen you.

[06:58] Marguerite

I suspected my father of playing a prank.

[07:00] Touka

A princess raised in a walled garden, eh?

[07:03] Touka

What a mark!

[07:04] Marguerite

Have you come to marry me, then?

[07:08] Touka

*Marrying a princess is a tasty offer,
but I can't go letting my other girls down.*

[07:13] Touka

Nah, I just came to pay a—

[07:15] Marguerite

Then begone!

[07:17] Marguerite

We promised never to see each other
again absent a pledge of marriage.

[07:21] Marguerite

My father arranged our union
before we knew each other,

[07:25] Marguerite

but each time I heard of your heroic deeds,
my longing and respect for you grew.

[07:31] Marguerite

If I come to know you too well,
I might truly fall in love.

[07:35] Marguerite

So it would be better to keep our distance.

[07:39] Touka

What a damn pain!

[07:41] Touka

But I gotta do something,

[07:43] Touka

*or she'll kick me out and
they'll kill me for sure!*

[07:46] Touka

I got no choice...

[07:47] Touka

I was merely kidding.

Of course I want to marry you!

[07:52] Marguerite

Truly?!

[07:54] Touka

O-Only after I save the world, that is!

[07:56] Marguerite

But of course!

[07:58] Touka

*Sorry, babe. Can't save the world
without telling a few nasty lies.*

[08:02] Marguerite

In that case, might I ask one
terrible indulgence?

[08:06] Touka

What is it?

[08:07] Marguerite

In two days, a masquerade will be
held all throughout the city.

[08:10] Marguerite

I was wondering if you might...

[08:12] Marguerite

If you'd...

[08:14] Marguerite

go on a date with me then!

[08:17] Touka

*I can't marry you,
but I can date you for sure!*

[08:20] Marguerite

I would like to learn more about you,

[08:24] Marguerite

and masks are required on that day,

[08:26] Marguerite

which might allow you to go out
as you are without suspicion.

[08:29] Touka

What do I do until then?

[08:31] Marguerite

I have just the thing!

[08:34] Marguerite

It was somewhere around here...

[08:36] Marguerite

There!

[08:37] Marguerite

I'll paint your face onto this.

[08:42] Anri

A city-wide masquerade?

[08:43] Anri

How delightful!

[08:46] Yuna

It's in two days.

[08:48] Yuna

I wouldn't mind having
a bit of fun before we leave.

[08:51] Anri

Yes, fun!

[08:54] Yuna

Anri!

[08:57] Leland

They're having a major devil hunt
to prepare for the festival.

[09:02] Leland

You dropped this...

[09:04] Leland

Little Miss Necromancer.

[09:12] sign

Leland Tallman
Orphanage Director

[09:12] Leland

I'm Leland, a medical doctor and
the director of this orphanage.

[09:17] Leland

There are those in the capital
who know of necromancers...

[09:21] Leland

You don't want to get arrested now.

[09:27] Leland

No need to be so guarded around me.

[09:29] Anri

If you know I'm a necromancer,
why protect me?

[09:32] Leland

If you entered the capital despite the risk,
you must have a very good reason.

[09:37] Leland

I don't discriminate based
on the circumstances of one's birth.

[09:41] Leland

I just like to help people in need.

[09:43] Anri

Sir Leland!

[09:45] Anri

We actually came to get money from—

[09:47] Yuna

We're searching for a way to boost mana!

[09:50] Leland

If you continuously use up your mana each day,

[09:52] Leland

it should increase naturally in a few years.

[09:58] Leland

But there's also medicine
to raise it temporarily.

[10:00] Yuna

Really?

[10:02] Leland

Soma drops.

[10:04] Leland

Taking some will increase your mana by about three levels.

[10:07] Leland

Only until you exhaust it, of course.

[10:11] Anri

That should be more than enough to help Sir Touka regenerate.

[10:15] Yuna

How much will it cost?

[10:17] Leland

About 100 million.

[10:19] Yuna

A hundred million?!

[10:20] Anri

We can't afford it?

[10:21] Yuna

Only kings and nobles could!

[10:23] Anri

But Sir Touka is asking the king for—

[10:25] Yuna

It's still not happening!

[10:27] Leland

You appear to be adventurers yourselves.

[10:29] Leland

Why not participate in the devil hunt?

[10:31] Yuna

There's no way we'd earn 100 million off of that.

[10:35] Leland

In that case...

[10:37] Leland

Why don't you show me your body to cover the rest?

[10:42] Yuna

Mr. Leland, you can't possibly be into that kind of thing...

[10:45] Leland

It's a small price to pay, is it not?

[10:47] Yuna

If it will spare Anri that pain...

[10:51] Yuna

Y-You can take me instead!

[10:54] Leland

Actually...

[10:55] Leland

I want to figure out how
a magic crystal works

[10:57] Leland

in the place of a necromancer's heart...

[11:00] Leland

To help me save people. As a doctor.

[11:02] Yuna

Huh?! That's what it was about?!

[11:05] Touka

Why's she got so much to eat?

[11:08] Touka

*I know! She'll take one bite
of everything and throw out the rest!*

[11:11] Touka

Not on my watch!

[11:12] Touka

I'll help as much as I can!

[11:14] Marguerite

It's finished!

[11:17] Touka

A perfect match!

[11:18] Touka

It looks just like me!

[11:19] Marguerite

But it seems slightly off...

[11:22] Marguerite

Oh, forgive me!

[11:23] Marguerite

I should have a bite to eat.

[11:26] Marguerite

What? There's so little...

[11:27] Touka

I helped myself.

[11:29] Marguerite

O-Oh, of course!

[11:31] Marguerite

Well, then...

[11:32] Marguerite

Would you mind turning
the other way while I indulge?

[11:36] Touka

Sure...

[11:40] Touka

How the hell does she eat like that?!

[11:43] Touka

She packed it in in an instant!

[11:45] Touka

I get it. You don't want people
to see what a glutton you are.

[11:48] Marguerite

I asked you not to look!

[11:51] Touka

Hey, when you're hungry—

[11:54] Touka

Huh?

[11:55] Marguerite

F-Food...

[11:58] Touka

What the?!

[12:03] Yuna

Now, let's make some money!

[12:05] Anri

First, I have something to give you.

[12:09] Anri

You seem to be a good match
for physical enhancement magic,

[12:12] Anri

so Sir Touka and I arranged this.

[12:15] Yuna

What the heck?

[12:18] Anri

I made it from devil leather!

[12:20] Anri

It's far more effective than
using a magic crystal alone!

[12:25] Yuna

For dignity's sake,
I'll wear it under my clothes.

[12:34] Siruela

Ein Thor.

[12:40] Yuna

[12:46] sign

Neigan Bourne
Adventurer

[12:46] Colin

Are you fine ladies joining the hunt?

[12:48] Yuna

Oh, er, yes!

[12:50] Colin

You won't accomplish much with
one of the Four Knights around.

[12:53] Colin

Care to join us at a secret hunting spot?

[13:00] Yuna

Look at all those devils!

[13:02] Anri

There are quite a few.

[13:03] Colin

But you can beat them easily, helmet girl.

[13:06] Anri

"Helmet girl"?

[13:07] Colin

I have a spell that lets me
read the mana of living things.

[13:11] Colin

Yours is around 9, on par with Siruela's.

[13:15] Colin

Here's a magic crystal with a lightning spell.

[13:17] Colin

Go give 'em a real shock to the system!

[13:20] Anri

Indeed I shall!

[13:23] Anri

Ein Furfur!

[13:27] Yuna

You're so strong, Anri!

[13:29] Yuna

You took them all out in one hit!

[13:31] Colin

Yep!

[13:32] Colin

You took them all out so easily...

[13:34] Colin

Granted, they were already dead.

[13:38] Anri

Necromancy?!

[13:39] Colin

I can't believe how easy
it was to lure them in...

[13:44] Colin

Skeleton man.

[13:47] Isaac

What is *wrong* with you?!

[13:49] Isaac

*I told you three years ago
that the princess had MES!*

[13:49] sign

Mana Effusion Syndrome: A medical condition
that prevents the storage of mana in the body

[13:52] Touka

Sorry, I'm kind of forgetful!

[13:54] Isaac

If she remains in a mana-deprived
state for too long, she could die!

[13:58] Marguerite

Isaac...

[14:00] Marguerite

The fault is mine. I should
have been more cautious.

[14:03] Isaac

But—

[14:05] Maid

I've brought your soma drops and dinner!

[14:11] Marguerite

I'm all right now.

[14:12] Marguerite

Thank you for your concern.

[14:14] Marguerite

I'm going to have my dinner now.

[14:16] Marguerite

I would appreciate it if you'd leave.

[14:18] Touka

It's a little late to be self-conscious.

[14:21] Touka

Everyone here already knows you're a glutton.

[14:23] Marguerite

I suppose.

[14:24] Marguerite

I could hardly hide it
from my future husband.

[14:27] Marguerite

In that case...

[14:29] Marguerite

I shall partake!

[14:31] Touka

She's annihilating that food!

[14:33] Isaac

In order to recoup her energy,
the princess has trained

[14:36] Isaac

to become the world's fastest speed-eater!

[14:42] Marguerite

Thank you for the meal!

[14:44] Touka

Huh?!

[14:45] Marguerite

You must be disappointed, surely.

[14:47] Marguerite

For one hour after I eat,
I take on this hideous form.

[14:51] Touka

C'mon, you can't be serious.

[14:53] Touka

Does this mean...

[14:55] Touka

Heck yeah! Luscious as hell, bro!

[14:58] Isaac

What are you doing to Her Highness, you lout?!

[15:00] Touka

I'm not missing my chance
to behold super-luscious thighs!

[15:04] Touka

I just wish they were in stockings
to accentuate their plumpness!

[15:10] Isaac

Are you all right, Your Highness?

[15:12] Marguerite

I-I'm fine!

[15:14] Isaac

Wretched hero...

[15:15] Isaac

I will not let this stand!

[15:19] Siruela

We've cleared the devils
in the vicinity of the capital.

[15:22] Siruela

But something concerns me...

SIGN Oh?

[15:25] Siruela

During the hunt, I witnessed

a powerful spell cast from afar.

[15:30] Siruela

Upon investigation, I found blood spatter
and charred pieces of devil flesh,

[15:35] Siruela

but not a single proper corpse.

SIGN Disappearances have spiked in the capital over recent days as well.

SIGN There may be more lurking here than just the devils.

SIGN Perhaps we should call off the celebration.

[15:53] Siruela

No need to worry, Your Majesty.

[15:55] Siruela

I'll have all the Knights
on patrol for it.

[15:58] Siruela

And we now have...

[16:00] Siruela

Sion the legendary hero with us.

[16:02] Marguerite

You may spend the night here.

[16:04] Touka

Nice! I feel like a real nobleman!

[16:07] Marguerite

For caution's sake, I must venture
into town now to see my doctor.

[16:10] Touka

Huh? There's no doctor in the castle?

[16:12] Marguerite

The doctor who once attended to me resigned,

[16:16] Marguerite

but I still call on him
when I require his counsel.

[16:20] Marguerite

And I get to skip tutoring this way!

[16:21] Isaac

I heard that, Your Highness.

[16:25] Marguerite

But the hero is here!
Surely I don't need lessons right now!

[16:29] Isaac

Unacceptable. You'll have
a full slate tomorrow.

[16:32] Isaac

Be prepared.

[16:33] Marguerite

Oh, no!

[16:36] Touka

Whew, finally free!

[16:39] Touka

The princess fainted,

[16:40] Touka

King Gorilla gorilla'd around,

[16:42] Touka

and the jerk with the eyepatch
wouldn't lay off! I'm beat!

[16:45] Touka

Nothing to do for two days,
so I might as well take it easy.

[16:49] Touka

Crud, I totally forgot
about the whole money thing.

[16:52] Touka

I'm not getting squat from the king.

[16:55] Touka

I'd better touch base with the girls for now.

[17:07] Touka

Hey!

[17:08] Touka

Yuna!

[17:09] Touka

Anri!

[17:12] Touka

They're gone.

[17:13] Touka

Where could they have gotten off to?

[17:16] Man A

Mr. Hero?

[17:17] Man B

Was that stuffed mid-ranked
devil a powerful foe?

[17:21] Touka

Nah, I beat this guy easy.

[17:23] Man A

That's our hero!

[17:25] Touka

Say, have you seen a blonde with big tits
and a kid in a helmet around?

[17:29] Man B

They were headed for the
orphanage, weren't they?

[17:32] Man A

Yeah.

[17:36] Touka

This the place?

[17:37] Orphan A

It's the hero!

[17:38] Orphan A

Did you come to play with us?

[17:40] Touka

Sorry, but I'm a little busy—

[17:42] Touka

What the hell, you little brat?!

[17:44] Orphan B

The hero's mad! Run!

[17:44] Touka

Hey! Get back here!

[17:46] Marguerite

Mr. Hero! What brings you here?

[17:49] Touka

Marguerite?

[17:50] Touka

Does that mean this is...

[17:51] Marguerite

Yes, the doctor who's attended to me since the onset of my condition.

[17:57] Leland

What a pleasure to meet you!

[17:58] Leland

I'm Leland Tallman.

[18:00] Leland

I opened this orphanage out of admiration for all you did to save others.

[18:06] Touka

Oh, yeah?

[18:08] Touka

Cut it out, you little bastards!

[18:09] Leland

The children just adore the hero.

[18:12] Leland

Though he's not quite what I pictured...

[18:14] Leland

He's rather less formal than I imagined.

[18:17] Marguerite

Indeed, I sense he's changed a great deal in the last three years.

[18:21] Marguerite

But he's as kind as ever.

[18:24] Marguerite

He even came all this way out of worry for me...

[18:27] Leland

It appears you love the hero
deeply, Your Highness.

[18:32] Marguerite

Oh, no! I merely respect him
as my future husband!

[18:35] Touka

Oh, right, Mr. Leland!

[18:37] Touka

A pair of adventurers visited you today, no?

[18:40] Touka

You know where they are now?

[18:42] Leland

They took part in the devil hunt.

[18:45] Leland

They should be back soon.

[18:47] Touka

Oh, okay.

[18:48] Touka

*The fact that I'm still kicking
means Anri must be okay.*

[18:52] Touka

*Well, I'm sure they'll turn up
by masquerade day.*

[18:55] Marguerite

Well, we'll be going now.

[18:56] Leland

Certainly. Please return whenever you wish.

[18:59] Orphan A

Doc, play with us!

[19:02] Leland

Terribly sorry.

[19:03] Leland

I'm afraid I have work to do.

[19:20] Leland

I'm truly sorry to have left
such beautiful femurs waiting.

[19:24] Yuna

Stop it!

[19:26] Yuna

What are you doing, Dr. Leland?!

[19:28] Leland

My X-ray spell has never shown me
such beautiful femurs before...

[19:33] Leland

I want to strip off all that unclean flesh,

[19:37] Leland

leaving a purified being

of nothing but bone.

[19:40] Yuna

You mean you're going to kill me?

[19:42] Leland

Not just you.

[19:44] Leland

The masquerade is in two days.

[19:46] Leland

Along with my beloved skeletons,

[19:48] Leland

I'll see the princess and everyone in need
reborn in skeletal form too.

[19:53] Yuna

No way...

[19:54] Leland

This is salvation.

[19:56] Leland

Blood, flesh, and skin are
purely extraneous things.

[20:01] Leland

And offering those unneeded
parts to the devils

[20:04] Leland

will allow us to live in harmony with them.

[20:06] Leland

We can achieve peace without
even sealing the Gates of Hell.

[20:10] Yuna

You can't be serious...

[20:12] Leland

Don't you pity that necromancer girl,

[20:14] Leland

discriminated against
for just her appearance?

[20:18] Yuna

What did you do to Anri?

[20:19] Leland

She'll be playing the role of my scapegoat.

[20:24] Leland

I'll have her say she used necromancy to
kidnap people and offer them to the devils.

[20:31] Leland

Meeting a girl who shares my powers
felt like destiny at work.

[20:34] Leland

I'm sure she's thrilled to death as well.

[20:37] Yuna

He's mad.

[20:39] Yuna

*My physical enhancement spell would
let me snap these chains easily,*

[20:43] Yuna

but there're too many eyes on me.

[20:45] Yuna

*And I've never seen a devil
with a red head like that...*

[20:49] Yuna

I'm sure I'll get my chance.

[20:51] Yuna

I've gotta hang in there!

Two Days Later

The Day of the Royal Masquerade

[20:59] Marguerite

Here I am, Mr. Hero!

[21:06] Touka

Look at those sweet li'l thighs!

[21:08] Touka

*Tights bring out a destructive
power all their own!*

[21:10] Marguerite

I-Is my manner of dress inappropriate?

[21:13] Touka

No, I was just thinking
you look cute in everything.

[21:15] Marguerite

C-Cute?!

[21:17] Touka

Now, let's have fun!

[21:21] Marguerite

Of course!

[21:27] Touka

Why are you even here?!

[21:28] Marguerite

You said you'd leave us alone together today!

[21:32] Isaac

But if anything were to
befall you, Your Highness—

[21:34] Marguerite

I'll have the hero with me! I'll be fine!

[21:36] Isaac

I can't rule out that the hero
might be the source of the trouble—

[21:44] Marguerite

I won't allow anyone to insult
my future husband! Not even you!

[21:51] Isaac

Yes, Your Highness.

[21:56] Isaac

So the princess is serious about him...

[22:00] Isaac

*But that's not the hero
from three years ago!*

[22:03] Isaac

*I'll see him pay for toying
with you like this!*
