**[00:11]** ---

Good morning. You're up early, as usual.

**[00:14]** ---

It's already 9 o'clock, you know.

**[00:16]** ---

Kylie and the rest of  
them are still out cold.

**[00:18]** ---

I take it you all must have  
stayed out well after I left.

**[00:22]** ---

We gotta enjoy ourselves  
every once in a while.

**[00:23]** ---

Especially after dealing with  
our last bit of "cargo".

**[00:27]** ---

Plus we all got a nice hefty bonus, too.

**[00:29]** ---

I suppose that's true.

**[00:30]** ---

What?

**[00:31]** ---

I was just thinking how much  
our tenacious Reona has changed.

**[00:34]** ---

Especially since I first  
met you back in Sapo.

**[00:37]** ---

Spare me your sentimentality.

**[00:44]** ---

Rahama is up in flames?

**[00:45]** ---

And we're not talking small  
flames. What should we do?

**[00:48]** ---

Rahama control tower, this  
is the Hagoromo, come in.

**[00:51]** ---

Repeat...

**[00:52]** ---

What does the Madame have to say?

**[00:53]** ---

Well, see she told me never to wake her up  
unless we're under attack, so...

**[00:57]** ---

I'll head for the bridge straight away.

**[00:58]** ---

Make it quick!

**[00:59]** ---

You'll wanna wake up the others, right?

**[01:01]** ---

Can you do that for me?

**[01:03]** ---

But only after you get some clothes on.

**[01:04]** ---

Hmm?

**[01:17]** ---

The Magnificent  
KOTOBUKI

**[01:24]** ---

Flying through the mesh of clouds

**[01:27]** ---

Our dancing wings wrap up in the wind

**[01:31]** ---

Stars fall right before our eyes

**[01:40]** ---

The blue of all blues that drew us in

**[01:44]** ---

We kicked up off the blurring ground

**[01:47]** ---

Let me hear the sound of the sky you know

**[01:54]** ---

Take flight make gravity your ally

**[02:01]** ---

One more time, however many  
times, laughing all along

**[02:08]** ---

We would never look back when we fly

**[02:15]** ---

An everlasting dream we  
live in pursuit of tomorrow

**[02:20]** ---

Amid rising despair I locked away my love

**[02:23]** ---

I hate my weak self

**[02:26]** ---

Here and now passes by as  
we head towards the future

**[02:36]** ---

Rahama's Longest Day

**[02:36]** ---

Well, it's hard to imagine anything worse  
than being struck by calamity.

**[02:39]** ---

But we were fortunate enough to get  
all the fires put out without a hitch.

**[02:42]** ---

There wasn't even a single casualty.

**[02:44]** ---

All thanks to the firefighters and  
our vigilante force. How splendid!

**[02:48]** ---

There's nothing "splendid" about this at all!

**[02:49]** ---

That was where the vigilante force  
was stationed, wasn't it?

**[02:49]** ---

There isn't?

**[02:51]** ---

Did someone start a fire?

**[02:53]** ---

Sheesh.

**[02:54]** ---

This is just the sorta thing I'd expect  
from you, you bunch of idiots.

**[02:57]** ---

Who do you think you're talking to?

**[02:58]** ---

I come from a long, honorable  
line of paupers, you know!

**[03:01]** ---

Is that a friend of Chika's?

**[03:02]** ---

Hey! That's the guy who picked a fight with her  
and got aero-slammed into a pulp!

**[03:05]** ---

I was just going easy on you,  
'cause you were all hurt and stuff!

**[03:08]** ---

I'd never lose if I was  
actually trying to win!

**[03:10]** ---

Yeah, yeah, yeah.

**[03:12]** ---

But are you really gonna pick  
a fight with me right now?

**[03:14]** ---

This is 12.7mm ammunition.

**[03:15]** ---

After you went and let  
your offices burn down?

**[03:16]** ---

A repacked junk shell.

**[03:18]** ---

The sort that air pirates tend to use.

**[03:20]** ---

Air pirates?!

**[03:21]** ---

Oh no, they weren't pirates.

**[03:22]** ---

They called themselves "Elite Industries".

**[03:25]** ---

What a ridiculous name.

**[03:26]** ---

They still attacked you though, didn't they?

**[03:28]** ---

Aren't you guys supposed to be vigilantes?

**[03:30]** ---

You just let them pummel you  
without even fighting back?

**[03:32]** ---

All of us bravely fought as best we could!

**[03:35]** ---

But our valiant efforts were for naught  
and we exhausted all our options!

**[03:37]** ---

So you lost, then.

**[03:39]** ---

Tell us everything that happened.

**[03:41]** ---

We've got... one, two, three...

**[03:44]** ---

Just a whole bunch of incoming bogeys!

**[03:51]** ---

Howdy, howdy, good folks of Rahama!

**[03:54]** ---

We are Elite Industries.

**[03:56]** ---

Elite Industries, I say!

**[03:58]** ---

An inferno of hardships

**[03:59]** ---

Have no fear!

**[04:00]** ---

Spurting blood billowing up from a sandy pit

**[04:00]** ---

We'll just be borrowing your runway here!

**[04:02]** ---

We'll chase you to the ends of this world

**[04:03]** ---

Thank you for your cooperation!

**[04:06]** ---

There's no use running

**[04:10]** ---

Oh we are a company, we are no air pirates

**[04:14]** ---

Come along chosen ones, you are the elite

**[04:18]** ---

Elite industries

**[04:26]** ---

Howdy, howdy! Pleasure to meet ya, Mr. Mayor!

**[04:29]** ---

The name's Torihei,  
and I'm the president and CEO of Elite Industries.

**[04:34]** ---

Truth is, we're here with a once in a lifetime sort

**[04:37]** ---

of business proposal to  
share with you all today!

**[04:41]** ---

What sort of proposal?

**[04:42]** ---

Yes, well you see, I've  
heard word that this town

**[04:44]** ---

of yours has one fine  
fighter plane tucked away.

**[04:47]** ---

Oh, you mean our Raiden?

**[04:49]** ---

So it's true?!

**[04:49]** ---

Mr. Mayor!

**[04:50]** ---

Our company started off as  
a simple logistics company.

**[04:53]** ---

But we've since adopted a  
corporate mission to innovate

**[04:56]** ---

via concepts, technologies,  
and entrepreneurship.

**[04:59]** ---

And now we have been striving  
to make contributions to cultural endeavors.

**[05:01]** ---

Using our fleet of now more than 40 fighters  
to spread culture far and wide.

**[05:06]** ---

But we still don't have  
all the manpower we need.

**[05:08]** ---

And we were looking around for just the right  
sort of fighter plane to do the job, see...

**[05:12]** ---

When we heard that just such  
a craft might be found here,

**[05:14]** ---

we came out to see if we might strike a deal!

**[05:17]** ---

Of course we're willing to make a trade of comparable,  
if not even more value!

**[05:22]** ---

Ta-da!

**[05:24]** ---

You want us to trade our Raiden for that?

**[05:26]** ---

The ukiyo-e that were  
once brought over by the

**[05:29]** ---

Yufang still fetch a high  
price among collectors.

**[05:31]** ---

And this here is an impeccable recreation

**[05:33]** ---

complete  
with an official serial code and everything!

**[05:35]** ---

So you're saying it's a fake?

**[05:37]** ---

Oh no, no, no, no!

**[05:38]** ---

The value of art lays in the piece itself,  
not in its authenticity!

**[05:41]** ---

This will one day fetch a  
high price! I guarantee it!

**[05:44]** ---

Enough of this non-sense!  
This thing is nothing but a bunch of scribbles!

**[05:48]** ---

I wouldn't even trade a paper plane for that!

**[05:52]** ---

So be it, then.

**[05:54]** ---

We'll try again some other time.

**[05:55]** ---

Y-you will?

**[05:56]** ---

This was quite the sudden request, after all.

**[05:59]** ---

It's only natural that you might want  
some time to think it over.

**[06:08]** ---

What a relief!

**[06:09]** ---

Thank goodness they were so understanding.

**[06:12]** ---

A bitter picaresque

**[06:15]** ---

The bloody gore sticks  
never to be wiped clean

**[06:16]** ---

Wait!

**[06:19]** ---

Wherever you hide we will find you

**[06:23]** ---

It's your own fault

**[06:29]** ---

Oh we are a corporation,  
we'd never rip you off

**[06:30]** ---

That's what you get!

**[06:31]** ---

See, our policy with clients who

don't seem to see the value of our offers...

**[06:33]** ---

Come along prepare to be  
duped, instead we are elite

**[06:34]** ---

is to give them a crash course in "trade"!

**[06:37]** ---

Now then, we'll be back in three days  
with our entire staff!

**[06:37]** ---

Elite industries

**[06:40]** ---

So you'd best think this over  
real well, you lousy louses!

**[06:43]** ---

We won't take no for an answer!

**[06:45]** ---

So what was that about  
"bravely fighting," then?

**[06:47]** ---

You guys didn't even try!

**[06:50]** ---

Wait, but a Raiden, though?

**[06:52]** ---

Since when did you guys have  
something like that here?

**[06:53]** ---

Wow, so that's a Raiden?

**[06:56]** ---

1800 horsepower.

**[06:57]** ---

50 kilometers per hour faster  
than the Hayabusa. Sporting four 20mm cannons.

**[07:00]** ---

But that all makes it so sluggish.  
I can't say I care for them.

**[07:03]** ---

This has been passed down as  
the mayor's personal craft, hasn't it?

**[07:06]** ---

What?! You can fly?

**[07:08]** ---

I used to be a pilot, you know!

**[07:09]** ---

Back in the day people used to call me  
the Prince of the Rahama skies-

**[07:11]** ---

Yeah, yeah... maybe once upon a time, you were.

**[07:12]** ---

What about those pirates, though?

**[07:14]** ---

They'll be back in three days, right?

**[07:15]** ---

Count me in!

**[07:16]** ---

Wait, are you serious?

**[07:18]** ---

Well, it's not like these guys can handle it!

**[07:20]** ---

They'd be easy pickings for those pirates!

**[07:22]** ---

Doesn't that just drive you mad?

**[07:24]** ---

Sure, it does.

**[07:25]** ---

But if they can't fight back themselves, how would handing over one fighter hurt?

**[07:30]** ---

It's not like you use it anyway, right?

**[07:31]** ---

That's not a bad idea, huh!

**[07:32]** ---

What?! But Mayor!

**[07:33]** ---

I mean, it's a valuable fighter for sure, but it's still just one plane, right?

**[07:38]** ---

If we try fighting, who knows what will happen to the town?

**[07:41]** ---

You get a big nope from me!

**[07:43]** ---

What? What's the big deal?

**[07:45]** ---

I agree with Kylie.

A single craft is not worth risking the entire town.

**[07:49]** ---

Don't go getting ahead of yourselves, girlies.

**[07:51]** ---

We work for the Ouni Company now.

The Madame is the only one who

**[07:54]** ---

gets to make these decisions.

**[07:57]** ---

If you want to use the KOTOBUKI  
Flight Corps to defend the town,

**[08:01]** ---

I must ask that you speak to me, first.

**[08:05]** ---

And the young ladies here will require contracts  
and compensation, of course.

**[08:10]** ---

How much might that cost, if I may-

**[08:12]** ---

That's ridiculous! We don't  
have that kind of money!

**[08:14]** ---

Fine! We don't need help from  
the likes of you, anyway!

**[08:17]** ---

We'll take them on all by ourselves!

**[08:18]** ---

What?!

**[08:18]** ---

How?

**[08:19]** ---

With sheer guts! Right?

**[08:22]** ---

Mr. Mayor, we must request their services.

**[08:24]** ---

Hey, are you sure that's okay for you to say?

**[08:26]** ---

They said they had a fleet of 40 aircraft.

**[08:29]** ---

All we have are eleven Type 97 fighters.

**[08:32]** ---

Even assuming we were matched in skill,  
we'd hardly stand a chance.

**[08:35]** ---

We have anti-aircraft  
artillery, but we haven't

**[08:38]** ---

had carried out proper  
training in over five years.

**[08:40]** ---

Considering the current state  
of our vigilante force,

**[08:42]** ---

I believe we'd be best off with their help.

**[08:44]** ---

Please, just say the word.

**[08:46]** ---

I can't do that, though!

**[08:47]** ---

I can't just make these decisions on my own!

**[08:50]** ---

Especially with the elections coming up...

**[08:51]** ---

Mr. Mayor!

**[08:54]** ---

All right, then!

**[08:56]** ---

Let's hold a town meeting and  
hear what everyone else has to say!

**[09:00]** ---

You really don't want to make  
this decision yourself, do you?

**[09:02]** ---

I'm no dictator!

**[09:04]** ---

The Magnificent  
KOTOBUKI

**[09:06]** ---

We should fight 'em off to the bitter end!

**[09:07]** ---

Hear, hear!

**[09:08]** ---

But still...

**[09:08]** ---

That Raiden is our town's guardian angel!

**[09:10]** ---

Rahama would be left with nothing but shame  
if we let it be taken away!

**[09:13]** ---

Who even believes in angels anymore?

**[09:14]** ---

Fighting back will only  
cause trouble for the town.

**[09:16]** ---

You're gonna let the pirates win?!

**[09:16]** ---

And we've got public finances to consider...

**[09:18]** ---

Then we should just set up  
a special tax or something!

**[09:18]** ---

But still!

**[09:20]** ---

More taxes?! You gotta be kidding!

**[09:21]** ---

What's the vigilante force even doing?

**[09:22]** ---

The town is in crisis!

**[09:22]** ---

Quit trying to downplay this!

**[09:23]** ---

You know, I always thought that  
growing old also meant growing wiser, too.

**[09:28]** ---

Age and intelligence do not  
increase proportionally.

**[09:29]** ---

The Madame's sure heartless though, huh?

**[09:32]** ---

Reona's her usual stubborn self, too.

**[09:34]** ---

Can't they just stop thinking about the money

**[09:35]** ---

and do something to help  
out the town for once?

**[09:37]** ---

What a bunch of cheapskates!

**[09:38]** ---

I bet they're calling you a

**[09:41]** ---

cold-hearted, miserly, cheapskate,  
stubborn witch right about now.

**[09:46]** ---

That's all just part of being in charge.

**[09:48]** ---

My, my. You sure have it rough,  
don't you, miss squad leader?

**[09:51]** ---

Can I ask you for a moment?

**[09:55]** ---

I think our discussions have  
reached their conclusion, so-

**[09:57]** ---

No, they haven't!

**[09:58]** ---

Yes, they have.

**[09:59]** ---

You can't just ask for the impossible.

**[10:02]** ---

We wouldn't even be having this discussion if the vigilantes

**[10:05]** ---

weren't so useless to begin with!

**[10:07]** ---

Right, so I'm thinking we will accept the offer by Elite Industries, but what do you say?

**[10:13]** ---

You're a bunch of fools.

**[10:14]** ---

Emma?

**[10:15]** ---

So much so, it honestly makes me sick to my stomach.

**[10:17]** ---

You're dealing with air pirates.

**[10:19]** ---

Do you truly think when you hand over your Raiden that they

**[10:21]** ---

will simply pack up and leave?

**[10:23]** ---

You don't think they will?

**[10:24]** ---

This is just standard fare for them.

**[10:26]** ---

They start you off with demands just tough enough to still be swallow-able.

**[10:29]** ---

But once you do, they come back with even greater demands.

**[10:34]** ---

And they do it again, and again, and again.

**[10:37]** ---

With their demands getting worse every time.

**[10:40]** ---

And before you know it, you have nothing left for them to even ask for.

**[10:43]** ---

Yeah, I'm with Emma on this one!

**[10:46]** ---

Let's fight 'em off, people!

**[10:47]** ---

Yeah!

**[10:48]** ---

Mr. Mayor, they're right.

**[10:50]** ---

The only way we can ensure the safety  
of this town is to fight back!

**[10:53]** ---

Maybe we should just call for  
a recess to think things over-

**[10:55]** ---

And you claim to be in charge of this town?

**[10:57]** ---

A leader who avoids making decisions  
like this is no leader at all!

**[11:01]** ---

Do us all a favor and drop  
dead for us here now, then!

**[11:03]** ---

Trust me, if we could make it work,  
I'd rather fight back, too!

**[11:07]** ---

But even if everyone here agreed,  
our budget simply doesn't!

**[11:12]** ---

You're certain you want to fight, then?

**[11:15]** ---

I'm here with an offer  
from the Madame herself.

**[11:17]** ---

If I'm being honest with you, this is too big of  
a task for the KOTOBUKI Flight Corps alone.

**[11:20]** ---

But she says if everyone in town is willing to help,  
perhaps we can lend a hand.

**[11:24]** ---

And if you do, she'll cut you a fine deal.

**[11:27]** ---

Yeah... Back in the day we all used  
to keep this place safe together.

**[11:32]** ---

So that's what we gotta do!

**[11:33]** ---

We all gotta stand up, so no one  
thinks they can take advantage of us!

**[11:36]** ---

Mr. Mayor, it's time to make a decision.

**[11:37]** ---

Mr. Mayor!

**[11:38]** ---

Mr. Mayor!

**[11:39]** ---

Mr. Mayor!

**[11:42]** ---

All right! Then we fight!

**[12:09]** ---

These "Elites" sure are  
taking their time, huh?

**[12:12]** ---

Any chance they might have thought  
things over and changed their minds?

**[12:16]** ---

No, huh?

**[12:18]** ---

I know, I know!

**[12:23]** ---

This is Red Dragonfly Three!

**[12:24]** ---

I've got eyes on enemy fighters coming  
in from the north-northwest!

**[12:27]** ---

From the opposite direction?!

**[12:28]** ---

That's not how this was supposed to play out!

**[12:30]** ---

We misread our enemy,

**[12:31]** ---

and they're now moving in from the  
opposite direction of the KOTOBUKI squad.

**[12:34]** ---

Which means we'll be taking the lead!

**[12:36]** ---

It'll be fifteen minutes  
till they make it back.

**[12:39]** ---

We need to hold them off until then!

**[12:41]** ---

Bring 'em on! Let's show 'em what  
we vigilantes are made of!

**[12:45]** ---

That's the spirit!

**[12:46]** ---

But don't let it get to your head!

**[12:47]** ---

And don't let them scare you off, either!

**[12:50]** ---

Rahama Vigilantes, take off!

**[13:10]** ---

Here come their fighters.

**[13:12]** ---

They're looking for a fight!

**[13:14]** ---

The nerve. And here I was ready to compromise

**[13:17]** ---

and offer them another  
ukiyo-e to seal the deal!

**[13:22]** ---

How dare they turn down our  
boss- our CEO's kindness!

**[13:25]** ---

They must pay for this!

**[13:26]** ---

They will!

**[13:28]** ---

Spare no sympathy for the sorts that  
can't see how much our art is worth!

**[13:32]** ---

HR department! Swat down those flies!

**[13:34]** ---

Sales team, light up all their infrastructure  
to teach them a lesson!

**[13:38]** ---

But don't you even put a dent on that Raiden!

**[13:41]** ---

Aye aye, sir!

**[13:42]** ---

They're splitting up!

**[13:43]** ---

They might have the numbers,  
but we have greater firepower!

**[13:46]** ---

Don't let them shoot you down!

**[13:58]** ---

Here's what you get for breaking  
the code of the trade.

**[14:05]** ---

What the heck?!

**[14:06]** ---

They've got the Raiden out  
right in the middle of town!

**[14:10]** ---

Go on and shoot if you like!

**[14:10]** ---

Idiots!

**[14:11]** ---

Go on then, you stinkin' pirates!

**[14:12]** ---

Fire!

**[14:18]** ---

Dangit! They aren't making this easy!

**[14:58]** ---

Damn!

**[15:04]** ---

Wait! Cap'n!

**[15:05]** ---

You idiot. Getting all worked up  
only means you've already lost.

**[15:08]** ---

Get 'em!

**[15:12]** ---

Cap'n!

**[15:16]** ---

Out of my way, you.

**[15:21]** ---

Tokiwagi!

**[15:30]** ---

KOTOBUKI!

**[15:31]** ---

Good work holding them off!

**[15:32]** ---

We'll take things from here!

**[15:34]** ---

Stick to the plan.

**[15:35]** ---

Chika and Kate along with  
Zara and I will pick them off from up here.

**[15:39]** ---

Kylie and Emma, you two work  
with everyone on the ground!

**[15:41]** ---

Roger that!

**[15:45]** ---

I'm not gonna lose out to another Hayabusa!

**[15:48]** ---

The Type-3 can fly 30 kilometers  
per hour faster than the Type-1,

**[15:50]** ---

so if they shake us we can't catch up.

**[15:51]** ---

Like I care!

**[15:59]** ---

Gotcha!

**[16:10]** ---

All right!

**[16:19]** ---

Oh no, you don't!

**[16:51]** ---

What's the deal with these guys?

**[16:52]** ---

Perhaps it's the KOTOBUKI Flight Corps?

**[16:54]** ---

Hmph, like we don't have  
enough enemies already.

**[16:56]** ---

Take 'em out!

**[17:00]** ---

Stop aiming at them!

You need to anticipate their movements!

**[17:22]** ---

Emma, it's time to do this!

**[17:23]** ---

You don't need to tell me!

**[17:44]** ---

How dare you shoot down our sales chief!

**[18:04]** ---

You little...! You're going down!

**[18:13]** ---

There they go! They're yours!

**[18:14]** ---

Very well, then!

**[18:30]** ---

Fire!

**[18:39]** ---

Nice! It worked!

**[18:40]** ---

We aren't finished yet.

**[18:55]** ---

How dare you treat my lovely staff this way!

**[18:57]** ---

Emma!

**[18:58]** ---

I won't go down that easy...

**[19:10]** ---

A rear gunner?!

**[19:14]** ---

Emma!

**[19:22]** ---

Time to boost our results!

**[19:31]** ---

Not on my watch!

**[19:35]** ---

The Raiden?!

**[19:42]** ---

Don't you underestimate the  
Prince of the Rahama skies!

**[19:48]** ---

Dammit! Listen up!  
Don't you dare shoot down that Raiden!

**[19:51]** ---

They aren't shooting back?

**[19:52]** ---

This might be crazy enough to work!

**[19:53]** ---

Emma!

**[19:54]** ---

Emma!

**[20:09]** ---

Emma!

**[20:10]** ---

I'm all right.

**[20:12]** ---

And I'm sorry...

**[20:13]** ---

Why you...!

**[20:14]** ---

You...!

**[20:28]** ---

Special delivery!

**[20:31]** ---

Pleasure doing business with ya!

**[20:32]** ---

All right, fall back!

**[20:34]** ---

Aye aye, sir!

**[20:44]** ---

Can anyone keep on them?!

**[20:45]** ---

It's too late, and I'm out of ammo.

**[20:51]** ---

Pull up.

**[20:52]** ---

Everyone fought together and  
still this is how things end?!

**[20:55]** ---

The town's in pretty bad shape, too.

**[20:57]** ---

Maybe they really should have  
just handed it over to begin with.

**[21:00]** ---

Far from it.

**[21:02]** ---

Rahama has shown that we have what it takes  
to work together to take on any air pirates.

**[21:06]** ---

I doubt they'll show their faces  
around here again for a while.

**[21:09]** ---

This is the sort of wake up call I needed.

**[21:11]** ---

To remind me what it really  
means to protect the town.

**[21:31]** ---

I'm sorry for being such a worthless mayor.

**[21:34]** ---

Oh no. I must thank you for coming to my aid.

**[21:37]** ---

Please forgive me for  
my crude speech last night, as well.

**[21:41]** ---

Still, the contracts you signed with the town  
included a clause about protecting the Raiden.

**[21:48]** ---

You do understand what this means, yes?

**[21:49]** ---

Of course.

**[21:50]** ---

Good.

**[21:52]** ---

Now go on out there and  
get that fighter back!

**[21:54]** ---

Yes, ma'am!

**[22:04]** ---

I wanted to try and soar through that sky

**[22:08]** ---

So I wished upon the winds right before me

**[22:12]** ---

Our aspirations build us scenery

**[22:16]** ---

I wonder how that wind is now

**[22:25]** ---

Why do we fight, I wonder

**[22:29]** ---

What is our purpose here?

**[22:33]** ---

I asked, but the skies do not answer

**[22:42]** ---

We all have wings

**[22:49]** ---

Far away at the end of all lament

**[22:53]** ---

The stories we found

**[22:58]** ---

No one can steal these skies away

**[23:05]** ---

We will soar unafraid of anything

**[23:10]** ---

Because happiness is right here

**[23:26]** ---
