**[00:24]** ---

How long you believed in Santa Claus...

**[00:27]** ---

...is so meaningless it won't  
even serve as idle chatter.

**[00:31]** ---

If you still ask how long  
I believed in a made-up...

**[00:34]** ---

...red-suited old man  
named Santa, I say this for sure.

**[00:38]** ---

I didn't believe in him from the start.

**[00:41]** ---

I knew the Santa at my  
kindergarten Christmas event was a fake.

**[00:46]** ---

I didn't even witness  
Mom kissing Santa or anything...

**[00:50]** ---

...but shrewdly, I doubted an old man  
who only worked on Christmas.

**[00:55]** ---

But aliens, future men,  
ghosts, monsters, espers...

**[00:59]** ---

...evil cartels and anime, manga,  
live-action heroes that fight them...

**[01:03]** ---

It wasn't till later in my life  
that I realized they all don't exist.

**[01:08]** ---

No, I probably noticed it.  
I just didn't want to accept it.

**[01:12]** ---

I longed for aliens, future men,  
ghosts, monsters, espers...

**[01:17]** ---

...and evil cartels to just appear  
from the bottom of my heart.

**[01:21]** ---

But reality's harsher than you think.

**[01:24]** ---

Impressed by the world's laws of physics...

**[01:27]** ---

...I didn't watch UFO and  
ghost TV shows with the same gusto.

**[01:31]** ---

Aliens, future men, espers?  
No way they exist.

**[01:35]** ---

But it'd be nice.

**[01:36]** ---

I've grown to where I think things  
like the greatest common factor.

**[01:40]** ---

Entrance Ceremony

**[01:44]** ---

After graduating junior high,  
I had outgrown such childish dreams...

**[01:49]** ---

...and adjusted to life's plainness.

**[01:52]** ---

I became a high schooler without fanfare...

**[01:52]** ---

Best regards and hopes for the coming year!

**[01:55]** ---

...and met her.

**[02:00]** ---

Haruhi Suzumiya from East Junior High.

**[02:03]** ---

I'm not interested in ordinary humans.

**[02:05]** ---

If any of you are aliens,  
future men, otherworlders, or espers...

**[02:11]** ---

...please come see me.

**[02:13]** ---

That's all.

**[02:16]** ---

Am I supposed to laugh here?

**[02:20]** ---

A tremendously beautiful girl was there.

**[02:33]** ---

Um, well, next...

**[02:34]** ---

Everyone thought she was just joking.

**[02:35]** ---

Taniguchi from East Junior High.

**[02:37]** ---

My hobby is to write letters to radio programs.

**[02:37]** ---

Conclusions first: It wasn't a gag or punch line.

**[02:41]** ---

Haruhi is always dead serious.

**[02:44]** ---

That was how we met.

**[02:46]** ---

I really do think back and  
want to believe it was a coincidence.

**[02:56]** ---

*The answer is always in my heart.*

**[03:11]** ---

*I don't know why, but I chose you.*

**[03:17]** ---

*It won't stop now. Mr. Destiny deemed it so.*

**[03:23]** ---

*I believe it's boring to just mimic.*

**[03:29]** ---

*You'll be right, so I'll do what I feel as I feel it.*

**[03:38]** ---

*It's an adventure, right, right?*

**[03:40]** ---

*In this world where truth becomes fiction.*

**[03:45]** ---

*We become stronger  
because we have dreams...*

**[03:49]** ---

*...not for the sake of someone.*

**[03:52]** ---

*Please come with me.*

**[03:55]** ---

*See me and my endlessly free self.*

**[04:01]** ---

*Today's present that becomes  
tomorrow's past is the miracle.*

**[04:07]** ---

*Let's grab the future.*

**[04:13]** ---

*I believe you...*

**[04:22]** ---

Haruhi Suzumiya,  
as long as she quietly sits there...

**[04:26]** ---

...is nothing but a beautiful high schooler.

**[04:29]** ---

My seat was just right in front of hers.

**[04:32]** ---

It'd be nice to know her better...  
Who'd blame me for even a second?

**[04:38]** ---

Hey, what you said in your introduction...

**[04:41]** ---

How serious were you?

**[04:44]** ---

What I said?

**[04:46]** ---

Well, you know, about aliens and stuff.

**[04:48]** ---

You're an alien?

**[04:50]** ---

No...

**[04:51]** ---

No what?

**[04:53]** ---

No... Nothing.

**[04:55]** ---

Then don't talk to me.  
You're wasting my time.

**[05:03]** ---

Don't sweat it.

**[05:04]** ---

I found out later that they were  
all from Haruhi's junior high.

**[05:09]** ---

If you have the hots for her,  
I won't say anything bad...

**[05:13]** ---

...but forget it.

**[05:15]** ---

I know her well since I was  
in her junior high class all three years.

**[05:19]** ---

Her quirks are way beyond normal.

**[05:22]** ---

That introduction?

**[05:23]** ---

Yeah.

**[05:24]** ---

In junior high, she did  
one wacky thing after another.

**[05:28]** ---

She's known for the "quad scribbles."

**[05:30]** ---

What's that?

**[05:32]** ---

You know the tool that draws  
chalk lines? What are they called?

**[05:36]** ---

Oh, well.

**[05:37]** ---

She drew a giant,  
weird symbol on the quad with it.

**[05:41]** ---

Snuck into school at night too.

**[05:43]** ---

Oh, I remember reading about that.

**[05:46]** ---

Wasn't that in the paper's local section?

**[05:49]** ---

Like a badly done Nazca drawing.

**[05:52]** ---

She was the one responsible?

**[05:55]** ---

No mistake, since she said so herself.

**[05:58]** ---

I was in class one morning,  
and all the desks were in the hall.

**[06:02]** ---

And she painted a star on the roof...

**[06:05]** ---

...and plastered strange cards around campus.

**[06:05]** ---

What's she doing?

**[06:08]** ---

The type on a *kyonshi's* head.

**[06:11]** ---

I don't get it.

**[06:13]** ---

Still, she's popular with guys.

**[06:15]** ---

She's got a pretty face.

**[06:18]** ---

Plus, she's good at sports,  
and her grades are on the good side.

**[06:22]** ---

You'd never know  
she's odd if she just stood there.

**[06:25]** ---

That involves another episode?

**[06:27]** ---

For a while, she was  
dating one guy after another.

**[06:30]** ---

As far as I know,  
the longest lasted a week.

**[06:34]** ---

And I heard the shortest ended  
five minutes after she accepted.

**[06:40]** ---

I don't have time for common humans.

**[06:42]** ---

Then don't accept!

**[06:46]** ---

It's what I heard! Really.

**[06:48]** ---

I don't know why,  
but she doesn't turn down dates.

**[06:52]** ---

So before you have any weird ideas,  
I'll tell you outright.

**[06:57]** ---

Forget it.

**[06:57]** ---

Forget it? In the first place,  
I don't have that desire.

**[07:04]** ---

If it were me, in this class, I'd go for...

**[07:07]** ---

...her.

**[07:10]** ---

Ryoko Asakura.

**[07:11]** ---

She's in the top three for freshmen girls.

**[07:15]** ---

You checked out all the freshmen girls?

**[07:18]** ---

Of course.

**[07:20]** ---

I ranked them from A to D  
and memorized the A-ranks' full names.

**[07:25]** ---

Asakura is an A?

**[07:27]** ---

AA+ rank, I'd say.

**[07:29]** ---

I'm sure she has a great  
personality on top of looks.

**[07:35]** ---

Amazing!

**[07:38]** ---

This was when Haruhi Suzumiya  
was still acting calm.

**[07:42]** ---

The month soothed my heart.

**[07:45]** ---

But bits of Haruhi's strange behavior...

**[07:47]** ---

...had already started  
to show themselves at this point.

**[07:52]** ---

So, exhibit one.  
Her hairdo changed every day.

**[07:56]** ---

Monday, Tuesday,  
Wednesday, Thursday, Friday.

**[08:00]** ---

The number of hair ties progressed by day.

**[08:03]** ---

After a Monday reset,  
it's one per day till Friday.

**[08:06]** ---

What kind of hair does  
she have on Sunday? I'd like to see.

**[08:13]** ---

Exhibit two.

**[08:14]** ---

They saw me naked!

**[08:15]** ---

PE class is separated by sex.

**[08:18]** ---

For changing, girls use  
the odd classrooms, and boys use even.

**[08:22]** ---

But she slowly stripped off  
her uniform with the boys still there.

**[08:33]** ---

Male students are nothing more  
than potatoes to her, it seems.

**[08:39]** ---

Exhibit three.

**[08:42]** ---

To my dismay...

**[08:43]** ---

Tea Ceremony Club

**[08:44]** ---

...Haruhi temporarily applied

**[08:45]** ---

to every club in this school.

**[08:49]** ---

Every sports club begged her to join,  
but she declined them all.

**[08:54]** ---

Her club activity changed daily on a whim.

**[08:57]** ---

In the end, she didn't join any club.

**[09:00]** ---

What does she want to do, anyway?

**[09:07]** ---

After this and that,

**[09:09]** ---

Yo, Kyon.

**[09:09]** ---

the first day after Golden Week break...

**[09:11]** ---

Yo.

**[09:12]** ---

Go anywhere for Golden Week?

**[09:12]** ---

By the way, "Kyon" is my nickname.

**[09:14]** ---

Grandma's with my sister.

**[09:15]** ---

I wish he'd stop using it though.

**[09:16]** ---

That's so boring.

**[09:21]** ---

Oh, today's Wednesday.

**[09:24]** ---

Such were my thoughts.  
Something must've gotten to me.

**[09:28]** ---

I can't think of any other reason.

**[09:30]** ---

Do you change hairdos  
each day to ward off aliens?

**[09:34]** ---

I was talking to Haruhi Suzumiya.

**[09:37]** ---

When did you notice?

**[09:39]** ---

A while ago.

**[09:40]** ---

Oh, I see.

**[09:43]** ---

I think that each weekday  
has a different image that I feel.

**[09:49]** ---

By colors, Monday is yellow, Tuesday is red...

**[09:50]** ---

I felt a real conversation had been established

**[09:53]** ---

...Wednesday is blue,

**[09:53]** ---

for the first time.

**[09:54]** ---

Thursday is green, Friday is gold...

**[09:57]** ---

...Saturday is brown, and Sunday is white.

**[09:59]** ---

I kind of understand.

**[10:02]** ---

So in numbers,  
Monday is zero, and Sunday is six?

**[10:07]** ---

Right.

**[10:08]** ---

I feel that Monday is more like a one...

**[10:12]** ---

Nobody asked for your opinion.

**[10:14]** ---

Is that so?

**[10:30]** ---

Have I met you somewhere? Like way back?

**[10:34]** ---

No.

**[10:36]** ---

Usually, something is triggered

by a trivial event.

**[10:41]** ---

This surely was my trigger.

**[10:43]** ---

But the decent reply surprised me.

**[10:46]** ---

I totally thought she'd say something like...

**[10:49]** ---

..."Shut up, noisy idiot.

Such things don't matter!"

**[10:54]** ---

So when she came the next day  
with her long hair chopped...

**[10:58]** ---

...I was pretty disturbed by it.

**[11:00]** ---

Isn't cutting it short the day after  
I made the comment too rash?

**[11:07]** ---

Not really.

**[11:10]** ---

Since then, it was becoming a ritual

**[11:12]** ---

to talk to Haruhi...

**[11:12]** ---

I heard something in the rumor mill...

**[11:14]** ---

...in the few minutes before homeroom.

**[11:15]** ---

Is it true...

**[11:16]** ---

...you dumped every guy you dated?

**[11:19]** ---

Why do I have to be  
lectured about that by you?

**[11:22]** ---

I don't know what you want to ask, but fine.

**[11:25]** ---

It's probably all true.

**[11:27]** ---

Wasn't there at least one guy  
you seriously considered dating?

**[11:31]** ---

None were good.

**[11:33]** ---

One and all were so serious it felt stupid.

**[11:36]** ---

They weren't aliens, future men, or espers...

**[11:39]** ---

That's normal.

**[11:41]** ---

And what's with most asking over the phone?

**[11:44]** ---

Say those important things face-to-face.

**[11:47]** ---

Well, yeah.

**[11:49]** ---

I'd say it to her directly.

**[11:49]** ---

I'll just agree for now.

**[11:51]** ---

Those things don't matter.

**[11:54]** ---

Which is it?

**[11:55]** ---

The problem is whether or not  
the universe's men are pathetic.

**[12:01]** ---

Really, it always irritated me in junior high.

**[12:04]** ---

Then who would've been good?  
An alien, after all?

**[12:08]** ---

An alien or something equivalent in nature.

**[12:11]** ---

If it's not a common human...

**[12:14]** ---

...boy or girl doesn't matter...

**[12:15]** ---

Why are you...

**[12:17]** ---

...so adamant about beings  
other than normal humans?

**[12:20]** ---

Because that way,  
things are more fun.

**[12:34]** ---

Hey, Kyon.  
What kind of magic did you use?

**[12:37]** ---

What's that?

**[12:39]** ---

This is the first time I've seen  
Suzumiya talk for so long.

**[12:43]** ---

What did you say?

**[12:45]** ---

I wonder.

**[12:46]** ---

I think everything I said was rather random.

**[12:50]** ---

It's world-shaking.

**[12:51]** ---

Kyon always went after the strange girls...

**[12:55]** ---

Don't talk with such undertones.

**[12:57]** ---

I'd like to hear it too.

**[13:00]** ---

Miss Suzumiya never replies,  
no matter how much I talk.

**[13:04]** ---

How could we chat?  
Are there any good tips?

**[13:07]** ---

I dunno.

**[13:10]** ---

But I'm relieved.

**[13:11]** ---

I'd be troubled if she was  
always alone in this class.

**[13:16]** ---

It's good she made at least one friend.

**[13:18]** ---

Friend, huh...

**[13:21]** ---

Keep it up so that she can  
be a part of the class too.

**[13:25]** ---

We're in the same class,  
so we want to get along, right?

**[13:29]** ---

Please.

**[13:30]** ---

Even so...

**[13:32]** ---

If there's anything to tell her,  
we'll have you tell her.

**[13:38]** ---

Now, wait. I'm not her spokesman or anything.

**[13:43]** ---

Please.

**[13:53]** ---

Kyon, we're friends, right?

**[13:56]** ---

They're all idiots.

**[13:58]** ---

We're changing seats.

I picked a number from the Gaufre can...

**[14:03]** ---

...for a nice position,  
the second-to-last window seat.

**[14:07]** ---

Farewell, Haruhi... forever.

**[14:11]** ---

This is a coincidence, right?

**[14:13]** ---

Is it true you tried every single club?

**[14:16]** ---

Let me know if there's an interesting club.

**[14:20]** ---

None at all.

**[14:21]** ---

Instant reply.

**[14:23]** ---

At all.

**[14:24]** ---

It seems she likes to say "at all" a lot.

**[14:27]** ---

I thought it'd improve a bit in high school...

**[14:30]** ---

...but it's no different  
from the forced schooling.

**[14:34]** ---

Did I enter the wrong school?

**[14:36]** ---

I wonder what her school-picking criteria are.

**[14:39]** ---

There was a mystery research club.

**[14:41]** ---

How was it?

**[14:43]** ---

Laughable.

**[14:44]** ---

They said they never really  
encountered a real case.

**[14:48]** ---

They were just mystery-novel

otakus with no supersleuths.

**[14:52]** ---

Of course.

**[14:54]** ---

The supernatural phenomenon  
research club looked good...

**[14:57]** ---

...but they were just occult maniacs.  
What do you think?

**[15:01]** ---

Nothing either way.

**[15:03]** ---

It's so boring!

**[15:04]** ---

With so many, you'd think  
there'd be a few strange clubs.

**[15:08]** ---

You can't help it.

**[15:10]** ---

In the end, humans have to be  
satisfied with what's given them.

**[15:15]** ---

If I may say so, those who can't do that...

**[15:18]** ---

...make inventions and discoveries  
that progress society.

**[15:21]** ---

Making planes since they wanted to fly...

**[15:24]** ---

...and cars and trains  
since they wanted easy travel.

**[15:28]** ---

But that was because  
some humans used wit or imagination...

**[15:33]** ---

In other words, genius made it possible.

**[15:36]** ---

We common folk find it best  
to spend life in common ways.

**[15:40]** ---

Shut up!

**[15:45]** ---

Perhaps this conversation  
was what sparked the idea.

**[15:50]** ---

It came suddenly.

**[15:58]** ---

What are you doing?

**[15:59]** ---

I got it!

**[16:00]** ---

What?

**[16:01]** ---

Why didn't I realize  
such a simple thing till now?

**[16:05]** ---

What?

**[16:06]** ---

If there isn't one, I just make my own!

**[16:08]** ---

What, I ask?

**[16:10]** ---

A club!

**[16:15]** ---

Got it. Well, just calm down.

**[16:17]** ---

What's with that reaction?  
Be happier about this discovery too.

**[16:22]** ---

We're in class.

**[16:33]** ---

Help me out.

**[16:35]** ---

I feel like I'm being shaken down.

**[16:38]** ---

With what?

**[16:39]** ---

Making my new club.

**[16:41]** ---

Why do I have to help  
with something you thought up?

**[16:45]** ---

Answer that first.

**[16:46]** ---

I'll get a room and some members...

**[16:49]** ---

...so you get the school paperwork done.

**[16:50]** ---

She's not listening.

**[16:52]** ---

What club will you make?

**[16:55]** ---

That doesn't matter.

**[16:57]** ---

For now, we're just making one. Got it?

**[16:59]** ---

Research it before school ends.

I'll find a clubroom.

**[17:04]** ---

Got that?

**[17:06]** ---

Rules of creating a new extracurricular group...

**[17:10]** ---

At least five members,  
an advising teacher, a name...

**[17:14]** ---

...person in charge, and the group's purpose.

**[17:17]** ---

I didn't have to research.

It was in back of the student handbook.

**[17:21]** ---

But I bet what Haruhi's thinking of doing...

**[17:25]** ---

...won't be fit for an imaginative  
yet energetic school life.

**[17:31]** ---

H-Hold on a bit...

**[17:34]** ---

This is our clubroom from now on!

**[17:36]** ---

Wait a minute. Where are we?

**[17:39]** ---

The culture department's clubroom wing.

**[17:41]** ---

The art club and wind ensemble  
have art and music rooms, right?

**[17:46]** ---

Clubs and groups without special  
classrooms have rooms here...

**[17:50]** ---

...the clubroom wing AKA the old building.

The literature club's here.

**[17:55]** ---

Literature Club

**[17:55]** ---

Then it's theirs.

**[17:57]** ---

But their seniors graduated  
last spring, so zero members.

**[18:01]** ---

It's the only club that'll disappear

if new members don't join.

**[18:05]** ---

And this girl is a new freshman member.

**[18:09]** ---

Then it's not on hiatus.

**[18:11]** ---

Same difference. She's the only one.

**[18:14]** ---

What about her?

**[18:16]** ---

She doesn't mind.

**[18:18]** ---

You sure?

**[18:19]** ---

She said okay when I asked  
about the clubroom at lunch.

**[18:23]** ---

She's fine as long as she can read books.

**[18:27]** ---

I agree that she's strange.

**[18:29]** ---

You're one to talk.

**[18:33]** ---

Yuki Nagato.

**[18:36]** ---

Miss Nagato, was it?

**[18:38]** ---

She's turning this into some  
unknown club's room. That's fine?

**[18:43]** ---

It's fine.

**[18:44]** ---

But I'm pretty sure that  
we'll cause you a lot of trouble.

**[18:48]** ---

Not much.

**[18:49]** ---

You might get kicked out.

**[18:51]** ---

Go ahead.

**[18:54]** ---

Well, there you have it.  
So we'll meet in this room after school.

**[18:59]** ---

You'd better show up.  
If you don't, it's the death sentence.

**[19:03]** ---

All right...

**[19:05]** ---

I don't want a death sentence.

**[19:07]** ---

First off, members.

We need at least two more people.

**[19:11]** ---

What, that literature club  
member is in the head count?

**[19:16]** ---

Is she assuming that girl comes with the room?

**[19:19]** ---

Don't worry. I'll get them soon.

I have leads on random people.

**[19:25]** ---

The next day.

**[19:27]** ---

Go ahead without me!

**[19:30]** ---

As for me... I had no choice.

**[19:33]** ---

I found myself heading  
over to the clubroom.

**[19:35]** ---

Literature Club

**[19:37]** ---

What are you reading?

**[19:40]** ---

Is it interesting?

**[19:45]** ---

Unique.

**[19:46]** ---

Which part?

**[19:49]** ---

All.

**[19:50]** ---

You really like books.

**[19:55]** ---

Pretty much.

**[19:56]** ---

I see...

**[19:59]** ---

Can I go home?

**[20:04]** ---

Oh, sorry. I'm late.

**[20:06]** ---

She took a while to grab.

**[20:08]** ---

It was another girl.

**[20:10]** ---

What is this?

**[20:10]** ---

A really pretty girl too.

**[20:13]** ---

Where am I?

**[20:14]** ---

Why was I brought here?

**[20:19]** ---

Why are you l-llocking it?

**[20:21]** ---

What are you...

**[20:21]** ---

Be quiet.

**[20:24]** ---

Let me introduce her. Mikuru Asahina.

**[20:31]** ---

That's it for the introductions?

**[20:34]** ---

Where'd you kidnap her?

**[20:36]** ---

I did no such thing. She came freely.

**[20:38]** ---

Same difference.

**[20:40]** ---

I caught her spacing out  
in the juniors' classrooms.

**[20:43]** ---

I walk every inch of  
the main building during recess...

**[20:47]** ---

...so I recalled seeing her a few times.

**[20:50]** ---

I knew she wasn't around  
at recess... She was doing that?

**[20:55]** ---

Then she's an upperclassman.

**[20:57]** ---

How's that an issue?

**[20:59]** ---

Oh, well...

**[21:01]** ---

Miss Asahina, was it? Why her of all people?

**[21:04]** ---

Well, just look.

**[21:08]** ---

She's way cute, right?

**[21:10]** ---

Sounds like a dangerous kidnapper.

**[21:12]** ---

I think moe is a pretty important concept to keep in mind.

**[21:17]** ---

Sorry, what?

**[21:19]** ---

Moe! Moe!

**[21:20]** ---

In other words, a moe aspect.

**[21:22]** ---

Basically, in stories where strange things happen...

**[21:26]** ---

...there's always one moe and Lolita character around.

**[21:33]** ---

That's not all.

**[21:38]** ---

She's short, but she's got bigger breasts than me! Big breasts!

**[21:43]** ---

This is another key aspect in moe.

**[21:46]** ---

Dunno.

**[21:46]** ---

H-H-Help me!

**[21:47]** ---

Man, they're really huge.

**[21:49]** ---

This is irritating. Such a cute face, yet hers are bigger!

**[21:54]** ---

Are you dumb?

**[21:55]** ---

But they're way huge! Really!

**[21:57]** ---

Want to feel?

**[21:59]** ---

I'll pass.

**[22:01]** ---

So, what? You brought Miss Asahina here...

**[22:04]** ---

...just because she's cute,

petite, and well-endowed?

**[22:09]** ---

Right.

**[22:10]** ---

She really is dumb.

**[22:12]** ---

I thought we needed a mascot of sorts.

**[22:16]** ---

Mikuru, are you in any other clubs?

**[22:19]** ---

Um, calligraphy...

**[22:21]** ---

Then quit it. It'll interfere  
with our club activities.

**[22:38]** ---

I see.

**[22:40]** ---

I get it.

**[22:42]** ---

What'd she get?

**[22:43]** ---

I'll quit the calligraphy club and join.

**[22:46]** ---

But I'm not really sure  
what the literature club does...

**[22:50]** ---

We're not the literature club.

**[22:53]** ---

We're just borrowing this clubroom now.

**[22:56]** ---

You're taking part in  
what Suzumiya there is making...

**[23:00]** ---

...a nameless group with no set activities.

**[23:03]** ---

By the way, the girl sitting there  
reading is a real lit club member.

**[23:08]** ---

I see...

**[23:09]** ---

It's all right! I just came up with a name!

**[23:13]** ---

Out with it.

**[23:15]** ---

An announcement.

**[23:17]** ---

The newly formed club's name

has just been decided!

**[23:22]** ---

The SOS Brigade!

**[23:26]** ---

Spreading Excitement

All Over the World...

**[23:28]** ---

...With Haruhi Suzumiya's Brigade.

**[23:30]** ---

The SOS Brigade for short.

**[23:33]** ---

You can laugh now.

**[23:35]** ---

Normally, it'd be

"Spreading Excitement All Over...

**[23:38]** ---

...the World With Haruhi

Suzumiya's School Organization."

**[23:42]** ---

But we're not a school organization...

**[23:45]** ---

...and don't even know what the group does.

**[23:48]** ---

Then "brigade" is good enough.

**[23:51]** ---

With Haruhi's baffling sentence...

**[23:53]** ---

...it was decided, and there was rejoicing.

**[23:56]** ---

Do what you want, sheesh.

**[24:06]** ---

*If we figured out the globe*

*like we would a riddle...*

**[24:12]** ---

*...we could all go anywhere together.*

**[24:15]** ---

*To the end of time, BOOOON!*

**[24:18]** ---

*This feeling that is a warp and a loop.*

**[24:22]** ---

*With an imagination that engulfs*

*anything and everything, let's play.*

**[24:28]** ---

*Something on one sunny day,*

*more fun than any magic possible...*

**[24:33]** ---

*...endlessly pours down. It's not impossible.*

**[24:39] ---**

*When we meet again tomorrow,  
we're all humming as we smile.*

**[24:45] ---**

*Let's gather happiness. Such a thing is so easy.*

**[24:50] ---**

*Chase after me. Try to catch it.*

**[24:55] ---**

*A big dream... You like dreams, right?*
