**[00:03] Matt**

This route should get us there faster.

**[00:06] Iris**

Huh? But the inn is this way.

**[00:12] Matt**

*Remain calm and listen, you three.*

**[00:14] Lurie**

*Telepathy?*

**[00:15] Iris**

*What's the problem?*

**[00:17] Matt**

*We're being tailed.*

**[00:19] Lurie**

*Tailed?*

**[00:20] Alma**

*That's why you suddenly changed routes?*

**[00:22] Matt**

*Most likely the lord's flunkies.*

**[00:25] Matt**

*I doubt they're here for a friendly greeting.*

**[00:28] Matt**

*Let's use a concealment spell  
and see what they do.*

**[00:32] Matt**

*If it's clear they're hostile,  
we'll pull the rug out from under them.*

**[00:35] Chain Guy**

They disappeared!

**[00:36] Club guy**

Damn! Where'd they go?!

**[00:39] Matt**

Excuse me, sir.  
We're a bit lost.

**[00:43] Matt**

Could you tell us the way to the inn?

**[00:46] Chain Guy**

S-Sure...

**[00:48] Chain Guy**

Your inn should be down that way.

**[00:52] Matt**

So you know where we're staying?

**[00:54] Chain Guy**

Damn!

**[00:56] Chain Guy**

Don't move!

**[00:57] Chain Guy**

Do as we tell you  
if you don't wanna see him dead!

**[01:00] Matt**

Oh, s-someone save me!

**[01:05] Lurie**

Matty...

**[01:06] Alma**

What a bad actor...

**SIGN** Episode 8

**SIGN** The Strongest Sage Saves the City.

**[02:44] Matt**

Someone save me!

**[02:46] Chain Guy**

C'mon! Pipe down!

**[02:48] Alma**

What do you want with us?

**[02:49] Chain Guy**

I know who you people are.

**[02:52] Chain Guy**

And that he's the weakest  
out of all of you!

**[02:56] Matt**

*Why would you assume that?*

**[02:57] Chain Guy**

Because he's the party healer!

**[03:01] Matt**

*Ah, I guess word reached the lord  
about them handling the monster dispatch.*

**[03:07] Chain Guy**

You'll be serving our lord now!

**[03:11] Chain Guy**

Do as you're told, or die!

**[03:12] Matt**

Iris, no weapons.

**[03:15] Matt**

Just knock them out, okay?

**[03:16] Iris**

Okay!

**[03:18] Chain Guy**

Huh? This some kind of joke?

**[03:20] Club guy**

There's no way you can beat us unarmed!

**[03:25] Club guy**

She's a beast!

**[03:28] Iris**

Okay, now it's my turn!

**[03:34] Chain Guy**

Hold it!

Don't you realize we have a hostage?!

**[03:37] Iris**

Last one!

**[03:41] Matt**

All right, they're out like a light.

**[03:44] Matt**

All that's left...

**[03:46] Lurie**

You're casting a tracking spell?

**[03:49] Matt**

Yes. And a demon-detecting one.

**[03:52] Matt**

I think there's a good chance  
they're in bed with demons.

**[04:00] Lurie**

Good morning, Matty!

**[04:03] Alma**

What's that?

**[04:05] Matt**

The king's messenger delivered a letter.

**[04:07] Matt**

We're heading out now.

**[04:11] Alma**

I don't see anyone.

**[04:13] Lurie**

Are you sure this is  
where we're supposed to meet?

**[04:16] Matt**

I know you're there.

**[04:18] Matt**

Come out, would you?

**[04:21] Eik**

I beg your pardon.

My name is Eik.

**[04:25] Eik**

I was told to hide, under the assumption that you would find me easily.

**[04:32] Matt**

And you chose this for our meeting spot so that the lord wouldn't catch on?

**[04:38] Eik**

Yes.

**[04:39] Eik**

I bear His Majesty's response to your report

**[04:43] Eik**

regarding the lord's exploitation of Dungeon City Melkia.

**[04:47] Matt**

Tell me.

**[04:49] Eik**

"I hereby command that Lord Dokiell Melkia be taken into custody.

**[04:53] Eik**

If you desire to take him into custody yourselves,

**[04:56] Eik**

you have my permission to do so, under the supervision of Royal Proxy Eik."

**[05:01] Matt**

That'll save us time. Thank you.

**[05:03] Eik**

You wish to arrest him yourselves, then?

**[05:06] Matt**

Yes. Are you three okay with that?

**[05:08] Lurie**

Yes! The dungeon city is in such an awful state!

**[05:11] Alma**

We can't just let this go on!

**[05:14] Iris**

I agree, too!

**[05:16] Matt**

I cast a tracking spell on the lord's underlings.

**[05:20] Matt**

I know where he is.

**[05:23] Matt**

An estate on the edge of town.

**[05:25] Eik**

But the estate is closely guarded.

**[05:28] Eik**

Shall I call for the knights' assistance?

**[05:30] Matt**

No need.

**[05:32] Matt**

We can handle it just fine  
on our own.

**[05:34] Eik**

Really?

**[05:35] Matt**

All right, let's get that lord!

**[05:38] Alma & Lurie & Iris**

Yeah!

**[05:42] Eik**

Something doesn't seem right here.

**[05:44] Matt**

Indeed.

**[05:45] Matt**

The gate's closed in the middle of the day.

**[05:47] Alma**

No sign of any guards, either.

**[05:52] Matt**

I'm sensing plenty  
of signatures within.

**[05:55] Matt**

He must be concentrating his defenses.

**[05:58] Eik**

Do you think they've learned  
of our plans?

**[06:01] Matt**

It appears likely.

**[06:02] Eik**

It's not safe.

**[06:03] Eik**

We should turn back for now.

**[06:05] Matt**

No, we'll plow  
right through the front gate.

**[06:09] Matt**

After the welcome they've prepared,  
it'd be rude not to...

**[06:14] Man 1**

They came right to us!

**[06:16] Man 2**

And just a five-man army at that!

**[06:17] Men**

Are they stupid?

**[06:18] Men**

That reward's ours!

**[06:21] Lurie**

Leave this to me!

**[06:25] Man 1**

She deflected all of 'em!

**[06:26] Man 2**

A barrier spell?!

**[06:28] Matt**

Well done, Lurie.

**[06:29] Matt**

I can tell your casting's getting faster.

**[06:32] Lurie**

Thank you!

**[06:33] Matt**

You can leave the rest to me!

**[06:41] Matt**

Dispatch successful.

**[06:43] Eik**

You took them all out  
with one strike?

**[06:46] Iris**

I wanted to hit 'em good, too!

**[06:49] Eik**

I see now  
what His Majesty was referring to...

**[06:53] Eik**

When he said not to get  
on Sir Matthias's bad side.

**[06:57] Eik**

It appears the lord's room  
is on the second floor.

**[07:00] Matt**

Passive Detect suggests  
there's no one on the second floor.

**[07:03] Matt**

The signatures are in the basement.

**[07:04] Lurie**

But there's nothing about a basement  
in the blueprints.

**[07:11] Matt**

Here we are.

**[07:17] Matt**

Let's go.

**[07:22] Lord**

It's grown quiet.

**[07:24] Lord**

Did they crush the intruders?

**[07:27] Sub**

If they had,  
we'd have heard about it.

**[07:30] Sub**

It's too quiet.  
Could something have...?

**[07:33] Lord**

They couldn't possibly defeat  
that many men so quickly.

**[07:37] Lord**

But in the interest of caution,

**[07:40] Lord**

let's take the secret passage  
to the surface.

**[07:44] Matt**

You have a secret passage, eh?

**[07:46] Matt**

How prepared of you.

**[07:48] Lord**

Who in the world are you?

**[07:50] Lord**

Was there a child like this  
in the garrison?

**[07:53] Sub**

No...

**[07:53] Matt**

You sent men to kill me  
without knowing what I looked like?

**[07:57] Lord**

Wait...  
Are you Matthias Hildesheimer?!

**[08:01] Matt**

Who else would I possibly be?

**[08:03] Lord**

How did you get here?  
Where are the others?!

**[08:06] Matt**

Hey, guys! Come on in!

**[08:10] Lord**

You fool!

**[08:11] Lord**

You've strayed carelessly far  
from your female escort!

**[08:15] Matt**

"Escort"?

**[08:16] Lord**

Get him, men!

**[08:23] Lord**

H-How did you...

**[08:25] Lord**

I thought you were the party healer!

**[08:27] Lurie**

I suppose he really did believe that.

**[08:30] Alma**

The truth should've been obvious  
from his gear.

**[08:33] Eik**

Dokiel Melkia, I hereby arrest you  
under orders from the king!

**[08:37] Lord**

What?!

**[08:38] Eik**

I am the Royal Proxy,  
and under my supervision,

**[08:41] Eik**

Sir Matthias has the authority  
to arrest you.

**[08:45] Lord**

I won't accept the authority  
of some child!

**[08:48] Matt**

Excuse me for being a child.

**[08:50] Lord**

You'll pay for this!

**[08:52] Lord**

Terrible things will befall this city  
if anything happens to me!

**[09:00] Matt**

I just knocked him out.

**[09:02] Matt**

An interrogation might gain you  
some useful information,

**[09:05] Matt**

even from a blithering fool like this.

**[09:08] Eik**

I will see him brought to His Majesty.

**[09:12] Matt**

Please do.

**[09:13] Matt**

We have a few other things to do.

**[09:15] Eik**

Like what?

**[09:17] Matt**

I want to find out  
how they anticipated our raid.

**[09:20] Lurie**

That's right.

**[09:21] Lurie**

How did they learn  
about the king's orders?

**[09:24] Matt**

Look at this.

**[09:26] Eik**

A letter?

**[09:28] Matt**

It tells of the decision  
to have the lord arrested,

**[09:31] Matt**

and that an authorized executor  
would be arriving soon.

**[09:34] Eik**

Where did that come from?

**[09:36] Matt**

There are faint traces  
of magic on the letter.

**[09:40] Matt**

It's clear there's a demon involved.

**[09:42] All**

Demon?!

**[09:44] Alma**

Were they using the lord  
to do something else?

**[09:47] Matt**

Something involving the city's dungeon,  
most likely.

**[09:51] Lurie**

Do you think  
they're after the magistones?

**[09:54] Matt**

No.

**[09:55] Matt**

I think the demons are after the Dragon Vein  
in the dungeon.

**[09:59] Matt**

The Dragon Vein here is far bigger  
than the one in the capital.

**[10:03] Matt**

If infused with a spell,

**[10:05] Matt**

it could cause worldwide calamity.

**[10:09] Alma**

"Worldwide... calamity"?

**[10:12] Eik**

I must report to the capital at once!

**[10:14] Matt**

Please do. And hurry!

**[10:16] Lurie**

Wait a minute!

**[10:18] Lurie**

Do you hear something?

**[10:24] Alma**

An attack?!

**[10:24] Matt**

No, an earthquake!

**[10:28] Matt**

The demons have already started tampering with Dragon Vein.

**[10:37] Lurie**

Matty...

**[10:38] Alma**

This magical signature...

**[10:40] Matt**

Yeah, they've spawned a monster horde.

**[10:42] Matt**

It's heading our way!

**[10:45] Matt**

The demons' tampering with the Dragon Vein is calling the monsters here.

**[10:49] Matt**

This is what the lord was talking about!

**[10:52] Matt**

We have to get the demons away from the Dragon Vein right away!

**[10:56] Alma**

But what about the monsters?

**[10:58] Lurie**

All of Melkia will be in danger if we don't stop them!

**[11:01] Matt**

It'll be about two hours before the monster horde arrives at Melkia.

**[11:05] Matt**

Let's hurry to the dungeon.

**[11:07] Matt**

We'll have to finish this within two hours!

**[11:12] Lurie**

I don't see any demons here.

**[11:14] Matt**

They must have moved to a lower floor.

**[11:17] Matt**

Maybe they realized we were coming  
and went to set a trap.

**[11:23] Matt**

Iris, can you start digging  
right around here?

**[11:25] Iris**

Sure thing!

**[11:35] Matt**

This is the Dragon Vein that runs  
through this great dungeon.

**[11:37] Lurie**

So much magical power...

**[11:39] Lurie**

And it has a demonic air about it!

**[11:43] Matt**

Well detected.

**[11:44] Alma**

What does it mean?

**[11:46] Matt**

It's probably something the demons rigged up  
in the Dragon Vein a long time ago.

**[11:50] Matt**

Now they're trying  
to put on the finishing touches.

**[11:53] Alma**

Can we stop...  
whatever it is they're doing?

**[11:56] Matt**

Yes.

**[11:57] Matt**

Let's split up into two teams.

**[11:59] Matt**

I'll head to the floor  
where the demons are hiding and strike.

**[12:02] Lurie**

What will we do?

**[12:03] Matt**

Stop whatever they're trying to get the Dragon Vein  
to do and restore it to normal.

**[12:06] Lurie**

W-Wait a minute!

**[12:08] Lurie**

Without you?

**[12:09] Matt**

Yeah. And you'll be taking point, Lurie.

**[12:12] Alma**

Don't sweat it, Lurie!

**[12:13] Alma**

I'm here for you!

**[12:14] Iris**

I'll keep you safe, too!

**[12:17] Lurie**

V-Very well. I'll do my best.

**[12:19] Matt**

I've rigged up the Dragon Vein  
with a communications casting circle.

**[12:23] Matt**

Its range isn't unlimited,

**[12:25] Matt**

but we should be able to communicate  
from anywhere in the dungeon.

**[12:28] Matt**

Now, let's begin the operation!

**[12:29] All**

Yeah!

**[12:32] Matt**

*Lurie, you hear me?*

**[12:34] Lurie**

*Yes!*

**[12:35] Matt**

*How's the Dragon Vein looking?*

**[12:36] Lurie**

*I've located the abnormal flow.*

**[12:38] Lurie**

*I'm trying to restore it to normal!*

**[12:40] Matt**

*One wrong move when messing with a Dragon Vein  
could blow up the town.*

**[12:44] Matt**

*Make sure you go slow and steady!*

**[12:47] Lurie**

*I-I will!*

**[12:48] Matt**

*Only one hour  
until the monster horde arrives in Melkia.*

**[12:53] Matt**

*We don't have much time.*

**[12:55] Matt**

*I'm close to the demons.*

**[12:56] Matt**

*Lurie, let's keep communications clear  
for a little while.*

**[12:59] Lurie**

*I will! Be careful!*

**[13:05] Demon**

Come on out.

**[13:06] Demon**

Are you the one interfering  
with my manipulation of the Dragon Vein?

**[13:10] Matt**

What if I am?

**[13:16] Matt**

*The slight fluctuations  
in his magical power...*

**[13:18] Matt**

*Is he using a communication spell?*

**[13:20] Matt**

*I'll use Magic Align to tap into it.*

**[13:23] Voice**

*Not even Matthias Hildesheimer could interfere  
with the Dragon Vein while on the move.*

**[13:30] Voice**

*The interference is his colleague's doing.*

**[13:32] Voice**

*Her casting level is low,  
but she is skilled.*

**[13:36] Voice**

*Destroy Matthias and finish off the one  
interfering with the Vein.*

**[13:41] Voice**

*And do not underestimate him.*

**[13:43] Demon**

*I won't.*

**[13:44] Demon**

*I'll fight cautiously, as you instructed.*

**[13:48] Matt**

*So there's a big boss giving him orders?*

**[13:51] Matt**

*And he knows a lot about casting  
and Dragon Veins.*

**[13:55] Matt**

*Interesting.*

**[13:56] Matt**

*I might get a decent fight for once.*

**[14:10] Demon**

It seems the much-rumored Matthias Hildesheimer  
is still only human!

**[14:15] Demon**

You think you can defeat me

with a trivial attack like that?

**[14:19] Matt**

*The kind of barrier  
that blows up when you attack.*

**[14:22] Matt**

*This'll be tricky.*

**[14:25] Voice**

*The barrier appears to be working.*

**[14:28] Demon**

*Yes, sir.*

**[14:29] Demon**

*Though the power of his attacks  
is greater than I imagined.*

**[14:32] Voice**

*Finish him before he breaches the barrier.*

**[14:35] Voice**

*A prolonged battle against a superior opponent  
will put you at a disadvantage.*

**[14:38] Demon**

*Yes, sir!*

**[14:39] Matt**

*There's no question.*

**[14:41] Matt**

*They're tactics designed  
to fight a Crest of Failure.*

**[14:43] Matt**

*To fight me specifically.*

**[14:45] Matt**

*This demon is more powerful  
than any I've faced before.*

**[14:49] Matt**

*Can you hear me, Lurie?*

**[14:50] Lurie**

*Yes!*

**[14:51] Matt**

*Prepare casting circles  
fourteen and seventeen.*

**[14:54] Lurie**

*Fourteen and seventeen? I will!*

**[14:57] Demon**

*Matthias Hildesheimer.*

**[14:59] Demon**

*I've made all the preparations  
I need to deal with you.*

**[15:04] Demon**

*So let's have some fun!*

**[15:07] Demon**

See?

**[15:08] Demon**

I know the Crest of Failure  
is best in close-combat!

**[15:11] Demon**

So I'll fight you at close-range,  
just as you want!

**[15:14] Demon**

Or so I'll make it seem, until...

**[15:16] Demon**

Take this!

**[15:18] Demon**

Did I get him?!

**[15:19] Voice**

*Behind you.*

**[15:20] Demon**

One more time!

**[15:23] Demon**

You seem a little desperate.

**[15:25] Demon**

One hit from that  
might just be the end of you.

**[15:27] Matt**

*If you can land it.*

**[15:30] Voice**

*The Crest of Failure is specialized  
for close combat.*

**[15:32] Voice**

*Continue attacking with ranged spells.  
Don't let him get close.*

**[15:36] Demon**

*I will!*

**[15:38] Matt**

*The demon giving the orders seems  
like a force to be reckoned with.*

**[15:41] Matt**

*The Crest of Failure countermeasures  
must have been his idea.*

**[15:44] Matt**

*I'd like to get a clue  
to his identity.*

**[15:47] Matt**

*Let's watch what happens  
a little while longer.*

**[15:49] Demon**

Guess that last attack wasn't quite enough.

**[15:53] Demon**

But what about this?!

**[15:55] Matt**

Using a series of magic attacks  
to close off my escape routes?!

**[16:08] Matt**

Is that the last of it?

**[16:10] Lurie**

*Matty! Are you all right?*

**[16:12] Matt**

*Yeah. I just dodged the demon's attack.*

**[16:15] Matt**

*I'll need those spells in a bit.  
Are you ready?*

**[16:18] Lurie**

*Yes! They're ready any time you need them!*

**[16:20] Demon**

*I can't seem to hit him!*

**[16:22] Voice**

*His instinct for battle  
is greater than expected.*

**[16:25] Demon**

*Should I keep up the barrage  
until his magic runs out?*

**[16:29] Voice**

*No, it's dangerous  
to let this run too long.*

**[16:31] Voice**

*We'll have to move to Stage II  
sooner than expected.*

**[16:35] Demon**

*The trap, eh?*

**[16:37] Matt**

*A trap!  
Just what I've been waiting for!*

**[16:39] Voice**

*He's coming. Lure him into the trap!*

**[16:42] Demon**

*You got it!*

**[16:45] Matt**

*Lurie!  
Do you have those casting circles ready?*

**[16:48] Lurie**

*Yes! Ready any time!*

**[16:50] Matt**

*Great!  
Activate number fourteen first!*

**[16:53] Lurie**

*Right!*

**[16:54] Matt**

*Spell fourteen will nullify the trap  
rigged up in the Dragon Vein.*

**[17:02] Demon**

The trap didn't activate?! Why?!

**[17:05] Matt**

*Lurie! Now go with seventeen!*

**[17:07] Lurie**

*Okay!*

**[17:08] Demon**

*The trap didn't activate!*

**[17:10] Demon**

*What now, sir?!*

**[17:11] Voice**

*Remain calm.*

**[17:14] Matt**

*Number seventeen is a spell  
using the Dragon Vein*

**[17:17] Matt**

*to disrupt communications in the area.*

**[17:19] Matt**

*In other words,  
it will block his communication spell.*

**[17:22] Demon**

Dammit! What's going on?

**[17:24] Matt**

Something the matter?

**[17:26] Demon**

But I still have my barrier.

You can't harm me!

**[17:29] Matt**

Shall we test that hypothesis?

**[17:32] Demon**

Fool!

**[17:34] Matt**

*It deflects all my attacks. But...*

**[17:42] Demon**

It'll never work!

Your attacks won't get through!

**[17:47] Demon**

What?!

**[17:50] Demon**

Why didn't it deflect that?

**[17:51] Matt**

The barrier was a good idea.

**[17:54] Matt**

But you didn't choose the right one.

**[17:57] Matt**

This barrier defends you  
by causing attacks to explode.

**[18:01] Matt**

Once it's activated, it takes at least half a second  
for the next one to get through.

**[18:06] Matt**

So if I attack in the split-second  
after it detonates the first attack,

**[18:11] Matt**

I can keep it from activating!

**[18:17] Demon**

You beast!

**[18:18] Matt**

No, still only human.

**[18:21] Voice**

*Can you hear me? What's happening?*

**[18:23] Demon**

*He destroyed my barrier!*

**[18:25] Voice**

*What?*

**[18:27] Demon**

*Could Matthias Hildesheimer really be  
the reincarnation of Gaius?!*

**[18:32] Matt**

*Is that rumor going around?  
Good instincts...*

**[18:35] Voice**

*Impossible.*

**[18:37] Voice**

*Gaius is one of the ancient humans.*

**[18:40] Voice**

*If that were Gaius,  
you'd already be dead.*

**[18:45] Matt**

*The demon giving the orders  
knows about my past life?*

**[18:50] Matt**

*He must be a pretty old demon.*

**[18:52] Voice**

*It's time for your last resort.*

**[18:55] Voice**

*Use Disfortune.*

**[19:00] Demon**

*I'll finish this!*

**[19:09] Demon**

Quit squirming!

**[19:10] Matt**

What's wrong?

Weren't you going to finish this?

**[19:14] Demon**

Impossible!

How can you dodge so many attacks?!

**[19:19] Matt**

I'm not anticipating them,  
if that's what you're thinking.

**[19:23] Matt**

I'm just simultaneously casting spells

**[19:25] Matt**

to deal with every attack  
I can imagine you sending,

**[19:27] Matt**

then scrapping the ones I don't need!

**[19:29] Demon**

What?!

**[19:30] Matt**

The spell-control potential granted  
by the Crest of Failure

**[19:33] Matt**

lets me cast four or five spells  
at once, easily.

**[19:38] Matt**

I will end this now!

**[19:41] Voice**

*Dodge it.*

**[19:42] Matt**

You won't be able to!

**[19:49] Demon**

Impossible!

**[19:50] Demon**

I cannot be defeated by a mere human!

**[20:04] Matt**

Dispatch successful.

**[20:06] Matt**

Lurie, I defeated the demon!

**[20:09] Lurie**

Of course you did!

**[20:10] Lurie**

I knew you'd win, Matty,  
but I didn't think it would be this fast!

**[20:15] Alma & Iris**

Yeah!

**[20:17] Matt**

*The monsters heading for Melkia  
are disappearing.*

**[20:20] Lurie**

*Really?*

**[20:21] Matt**

*It's because you restored  
the Dragon Vein, Lurie.*

**[20:24] Matt**

*Well done.*

**[20:25] Matt**

*Are Alma and Iris safe, too?*

**[20:27] Lurie**

*Yes!*

**[20:28] Alma**

*We beat all the monsters!*

**[20:30] Iris**

*Wish it weren't over so quickly...*

**[20:33] Matt**

*Now there's just one thing left undone.*

**[20:37] Lurie**

*Find the monster  
that was giving the orders?*

**[20:40] Matt**

*Exactly.*

**[20:42] Matt**

*I'll pin down his magical signature.*

**[20:43] Matt**

*Get the disrupted Vein in order.*

**[20:46] Lurie**

*I will!*

**[20:48] Voice**

*You won't be able to trace me back.*

**[20:51] Matt**

*He was tapping my communication spell  
with Lurie?*

**[20:55] Voice**

*Matthias Hildesheimer.*

**[20:58] Voice**

*Do you know where I am?*

**[21:01] Matt**

*The magic is coming from a place  
several dozen kilometers away.*

**[21:06] Matt**

*I believe there's a town called Elenia  
in the area.*

**[21:11] Matt**

*But that's just a decoy.*

**[21:13] Matt**

I don't know.

**[21:14] Matt**

I just know you're not in Elenia.

**[21:17] Voice**

*A pity.*

**[21:19] Voice**

*I would have loved  
to deceive you about that.*

**[21:22] Matt**

We'll be fighting soon enough.

**[21:24] Matt**

I'm sure you're trembling  
in anticipation.

**[21:26] Voice**

I can't imagine  
why I'd ever want to fight you.

**[21:30] Matt**

But I definitely want to fight you.

**[21:32] Matt**

So you'd better start cooking up  
some countermeasures.

**[21:34] Voice**

You'll have to find me first.

**[21:40] Matt**

The communication's cut off.

**[21:42] Matt**

He must have destroyed the relay  
in Elenia.

**[21:46] Matt**

He's definitely on another level  
from previous enemies.

**[21:49] Matt**

About time I got something  
I could sink my teeth into.

**[23:26] Matt**

If I may, Iris.

**[23:27] Iris**

What is it?

**[23:28] Matt**

Can you take a form  
that's half-human and half-dragon?

**[23:32] Iris**

I'll try!

**SIGN** Episode 9 The Strongest Sage Duels.

**[23:37] Iris**

I think I strained myself!
