[00:01] Narrator

The new continent of Patria.

[00:04] Narrator

One hundred years after immigrants

[00:07] Narrator

*from the old continent established
a new democratic nation here,*

[00:10] Narrator

*the discovery of a new energy ore
called Somnium caused conflict*

[00:15] Narrator

*between the Northern City of Industry
and the Southern City of Mining,*

[00:19] Narrator

*which erupted into civil war,
splitting the nation.*

[00:33] Narrator

The civil war that split the nation into

[00:36] Narrator

*the Northern Union of Patria and the
Southern Confederation of Patria*

[00:39] Narrator

*was dominated by the south,
as they far outnumbered the north.*

[00:44] Guy

Charge!

[00:48] Guy

Fire!

[01:09] Guy

Keep advancing!

[01:21] Guy

The company commander is down!

[02:05] Hank

Commence attack!

[02:44] Men

Fire!

[02:45] ---

Don't let them get inside!

[02:47] Men

Fire!

[02:50] ---

What's that?!

[02:51] Guy

Something's there!

[03:06] Guy

Stay back! Stay away from me, you monster!

[03:10] Guy

Fire! Fire everything you've got!

[03:58] Narrator

Fearing defeat, the Northern government

[04:01] Narrator

used a forbidden technology to turn the tide

[04:07] Narrator

by creating unique soldiers.

[04:11] Narrator

*Hideous-looking soldiers who overran
the battlefield in the blink of an eye.*

[04:18] Narrator

*The people likened them to gods,
and called them "Incarnates."*

[04:32] Guy

To think you captured a fortress that was
considered impregnable this easily...

[04:37] Guy

So the rumors about you were true,
Special Sergeant Major Henriette.

[04:41] Hank

You honor me, Major.

[04:43] Hank

But due to our late arrival,
many of our men lost their lives.

[04:46] Major

Oh, don't you worry about that.

[04:48] Major

They gave their lives to help
secure the North's victory.

[04:51] Major

What greater honor is there?

[04:53] Major

Anyway, good work out there.

[04:56] Major

Get some rest before the next mission.

[04:57] Both

Yes, sir!

[05:02] Guy

Incarnates are the product
of top-secret research...

[05:05] Guy

Can they really be trusted?

[05:09] Major

They're nothing more than
weapons, Lieutenant.

[05:11] Major

We just have to use them properly.

[05:17] Hank

We're coming in, Elaine.

[05:19] Elaine

Come in.

[05:22] Elaine

Thank goodness you're safe.

[05:24] Elaine

I'm glad to see you, Hank and Cain.

[05:27] Cain

If that major was the one
directing us out there,

[05:30] Cain

we may have had the honor
of dying on the battlefield.

[05:33] Elaine

Come on, now. You'll get in
trouble if someone hears you.

[05:36] Hank

So, how did the soldiers look?

[05:38] Elaine

There were only a few whose symptoms
showed progression in this last battle.

[05:43] Hank

I see.

[05:45] Elaine

I'll figure something out. I'm the one
who created the Incarnates, after all.

[05:49] Elaine

I swear I will.

[05:52] Hank

Don't worry. All of our men believe in you.

[05:55] Hank

Of course, that goes for me, too.

[06:03] Elaine

Thank you, Hank.

[06:11] Cain

So, uh...

[06:13] Hank

Right, well, I'm gonna go check on the others!

[06:16] Cain

For crying out loud...

[06:18] Cain

Guess he's still the same snot-nosed kid.

[06:31] Roy

So your daughter Schaal is running
the orphanage on her own now?

[06:37] Will

I lost my wife when Schaal
was still very young.

[06:41] Will

She does a wonderful job.

[06:43] Elizabeth

You seem very proud of her.

[06:45] Will

I am.

[06:46] Roy

Man... I wanna have a family
with a girl like that someday.

[06:52] Roy

I know! Introduce me to Schaal—

[06:54] Edgar

Will, you'd best pick anyone but Roy.

[06:57] Edgar

If someone doesn't live up to his ideals,
he'll pin all the blame right on them.

[07:02] Roy

I think you're talking about
your wife who ran off, Eddie!

[07:05] Will

When the war's over,
you should all come visit.

[07:08] Will

My daughter and the kids would be thrilled.

[07:09] Roy

Hell yes!

[07:10] Edgar

Hey, are you sure about that?

[07:12] Roy

Captain!

[07:14] Hank

At ease.

[07:17] Hank

What's up, Roy?

[07:20] Hank

You seem to be in a good mood.

[07:21] Roy

Take a look at Will's daughter, Captain.

[07:24] Roy

He's gonna introduce me to her!

[07:25] Trice

Ooh, let me see!

[07:26] Roy

He says she's a really good girl
who cares about her family!

[07:27] Abi

Wow, she's cute.

[07:28] Trice

She really is!

[07:29] Hank

Is that right?

[07:30] Will

Sorry. I might be a bit biased.

[07:33] Roy

I just know it.

[07:34] Roy

She's gonna grow up to be
a beautiful young woman.

[07:37] Hank

That's something to look forward to.

[07:39] Trice

What? I thought you only had
eyes for Doctor Elaine, Captain.

[07:43] Elizabeth

You shouldn't cheat on her, Captain.

[07:45] Roy

Yeah, Captain! Schaal is my—

[07:49] Roy

What about Elaine?!

[07:51] Hank

Wh-What do you mean?

[07:54] Abi

I was wondering about that, too.

[07:55] Edgar

She might run away if you wait too long.

[07:56] Trice

Me, too!

[07:56] Miles

Better shape up.

[07:56] Will

The doctor might be waiting for you to approach her, too, Captain.

[08:01] Hank

I'll...

[08:04] Hank

I'll think about it when the war's over...

[08:11] Cain

What's going on? It looks like everyone's here.

[08:13] Hank

Cain! Ela—

[08:15] Roy

Deputy Captain, listen to this!

The captain and the doc—

[08:19] Hank

It's nothing!

[08:20] Elaine

What's this about me?

[08:21] Hank

Uh, it's nothing!

[08:22] Trice

Take some initiative, Captain!

[08:23] Cain

What are you guys talking about?

[08:24] Abi

Yeah!

[08:24] Hank

Nothing!

[08:25] Elizabeth

Captain, Roy is foaming at the mouth.

[08:25] Edgar

You fail as captain.

[08:35] ---

It's...

[08:36] Guy

The Incarnates!

[09:53] Cain

We settled this faster than expected.

[09:56] Hank

Yeah.

[10:22] Guy

What is this?

[10:28] Trice

Abi, what are you doing?!

[10:29] Edgar

Calm down, Abi!

[10:29] Danny

Abi, stop!

[10:33] ---

Help!

[10:33] Guy

Prepare the cannons! Hurry!

[10:35] Hank

Abi, stop!

[10:41] Cain

Hank, it's too dangerous!

[10:43] Hank

Abi!

[10:46] Hank

Why are you doing this?

[10:48] Abi

Captain...

[10:51] Abi

No... It's not me...

[10:54] Abi

Please... stop me.

[10:59] Guy

Fire! Shoot him dead!

[11:04] Hank

Abi!

[11:13] Hank

Abi! Are you all right?

[11:16] Abi

No... It's not me...

[11:19] Abi

It's something el—

[11:21] Hank

Medic!

[11:26] Hank

Someone! Get a medic over here!

[11:30] Abi

I... I'm sorry...

[11:34] Hank

Abi, don't!

[11:49] Roy

Am I going to end up like Abi someday?

[11:52] Will

No way...

[11:53] Theo

No... I'm scared.

[11:55] Topher

Shut up, Theo!

[11:58] Elaine

A while back, he said...

[12:02] (Flashback) Abi

Lately, when I fight as an Incarnate,

[12:05] (Flashback) Abi

I start wondering which one is the real me.

[12:09] (Flashback) Elaine

What?

[12:10] (Flashback) Abi

I wonder if, someday, I won't be able to turn back into a human...

[12:13] (Flashback) Elaine

Abi?

[12:14] (Flashback) Abi

Just kidding!

[12:16] (Flashback) Abi

Sorry for being all weird.

[12:19] Elaine

Something must have already been happening to him back then.

[12:23] Elaine

I even realized that...

[12:26] Elaine

But I couldn't do anything.

[12:30] Cain

Is there a possibility that this could happen to all of us?

[12:34] Elaine

I'm not sure... I really don't know. I'm sorry.

[12:39] Hank

Elaine...

[13:12] Hank

Listen up, everyone.

[13:14] Hank

We still don't know what made Abi go berserk.

[13:18] Hank

There's still a lot we don't know about the power of Incarnates.

[13:21] Hank

There is a possibility that what happened to Abi could eventually happen to us.

[13:26] Hank

But we are not beasts!

[13:28] Hank

We are Incarnates, and we have our own will and pride!

[13:31] Hank

So right here, right now, we will swear an oath.

[13:36] Hank

Those who have lost their souls

[13:38] Hank

shall be slain by their own.

[13:43] Hank

If something similar ever happens again,

[13:46] Hank

we should be the ones to stop it.

[13:49] Hank

To make sure all the fighting we've done
to end this war wasn't for nothing,

[13:53] Hank

let's all face this together.

[13:56] Hank

We are never alone!

[13:59] Hank

Please don't forget that.

[14:48] Hank

I thank you all for enduring
this highly demanding mission.

[14:52] Hank

Tomorrow is finally the day
we capture the capital.

[14:54] Hank

This will be our most intense fight yet.

[14:57] Hank

But if we make it through this...

[15:05] Hank

Once this war is over, I'm...

[15:09] Hank

I'm going to ask Elaine to be with me.

[15:11] Hank

And I want all of you here
to celebrate with me.

[15:15] Hank

Captain's orders.

[15:19] Hank

Let's all come back alive.

[15:24] All

Yeah!

[15:25] Roy

We can't be dying now!

[15:27] Edgar

Let's hurry up and get this war over with!

[15:32] Cain

Hank...

[15:34] Cain

Don't overwork yourself.

[15:36] Hank

Tomorrow's going to be an all-out battle.

[15:38] Hank

I want to do everything I possibly can.

[15:41] Cain

All the battles we were assigned
to were lost causes.

[15:45] Cain

We may be Incarnates,
but surviving wasn't easy.

[15:50] Cain

We only made it this far
because you're our captain.

[15:55] Cain

I couldn't have asked for anyone better.

[15:56] Hank

No, that's not it.

[15:59] Hank

It's because you all believed in me
that I was able to get us this far.

[16:03] Hank

It's everyone in the squad...

[16:05] Hank

as well as you and Elaine who made
it possible for me to be the captain.

[16:10] Cain

Figures you'd say that.

[16:12] Cain

Do you remember when the
three of us first met?

[16:16] Hank

Yeah.

[16:16] Hank

Who would have thought that war orphans
like us could become best friends

[16:20] Hank

with a little rich boy from a
distinguished family like you?

[16:23] Cain

Indeed.

[16:26] Cain

Hank, take good care of Elaine.

[16:29] Cain

She's trying to deal with everything
on her own, and it's crushing her.

[16:34] Cain

You're the only one who can support her.

[16:39] Hank

Elaine, it's me.

[16:46] Hank

What did you want to talk about?

[16:48] Elaine

Hank, this war will soon be over.

[16:53] Elaine

Tomorrow's operation will probably be called off right before it begins.

[16:57] Elaine

HQ has been moving forward with top-secret ceasefire negotiations.

[17:01] Elaine

The draft of the peace treaty is already complete.

[17:04] Elaine

This country that was split into north and south is about to become one again.

[17:08] Hank

Are you sure?

[17:09] Elaine

Yes.

[17:17] Hank

I see...

[17:19] Hank

Peace will finally be upon us...

[17:24] Elaine

But we'll have no place in that peace.

[17:28] Hank

What do you mean?

[17:40] Hank

Elai—

[17:45] Hank

What... My body... won't move...

[17:50] Elaine

People who have become Incarnates will eventually lose not only their human forms,

[17:55] Elaine

but their souls, as well.

[17:57] Elaine

Every last one of them... including you, Hank.

[18:03] Elaine

When that happens, you'll lose all reason

[18:07] Elaine

and become unable to control your powers.

[18:10] Elaine

I tried to find a way to avoid that,

[18:14] Elaine

but I failed.

[18:17] Elaine

If you all lose your human souls,

[18:21] Elaine

you'll be a greater threat
than this war ever was.

[18:25] Elaine

Before that happens, I need to do my duty

[18:30] Elaine

as the one who created the Incarnates.

[18:33] Elaine

I can't let you all turn into beasts.

[18:37] Elaine

Hank, you're too kind,
so you'd probably try to stop me.

[18:41] Elaine

You'd make me hesitate...

[18:44] Elaine

So...

[18:49] Elaine

Don't worry... I'll be following you soon.

[19:00] Hank

Cain...

[19:07] Elaine

I'm sorry to have you help me with
something I should be doing on my own.

[19:13] Elaine

As planned, we're going to
kill everyone in the squad.

[19:17] Elaine

With these bullets, they should
die without suffering.

[19:21] Elaine

And then, when you and I die as well,

[19:24] Elaine

everyone involved with the
Incarnates will be gone.

[19:28] Cain

No...

[20:21] Liza

You actually woke up!

[20:24] Liza

Incarnates sure are resilient...

[20:28] Hank

Where am I?

[20:29] Liza

The military hospital.

[20:30] Liza

I'm Second Lieutenant Liza Renecastle,
and I work for

[20:33] Liza

the Patria Union's military intelligence.

[20:35] Liza

It's a pleasure to meet you,
Special Sergeant Major Hank Henriette.

[20:39] Liza

You've been in a coma for two months.

[20:42] Hank

Two months?

[20:43] Liza

Yes. The war's long over, too.

[20:50] Hank

What happened to my squad?! To Elaine?!

[20:53] Liza

I'm actually here because
I need to ask you about that.

[20:58] Liza

The day you were found on the verge of death,

[21:00] Liza

Doctor Elaine Bluelake also disappeared
and has been missing ever since.

[21:04] Liza

The Incarnates squad was disbanded

[21:07] Liza

and sent off to go wherever they
wanted by Cain Madhouse.

[21:11] Liza

But...

[21:12] Liza

Most of them started losing their sanity

[21:15] Liza

and causing destruction
wherever they went.

[21:18] Liza

Many people have died.

[21:20] Liza

The Incarnates, once regarded as gods,

[21:23] Liza

are now feared by the people...

[21:27] Liza

What in the world is going on?

You must know something.

[21:31] Hank

Where is Cain?

[21:34] Liza

We lost contact with him shortly
after the last battle.

[21:44] Hank

Cain!

[22:09] Someone

Help me!

[22:13] Edgar

Edgar Beckford.

[22:18] Edgar

I heard you've been going around killing
your former comrades, Captain Hank.

[22:27] Hank

Those who have lost their souls
shall be slain by their own.

[22:31] Hank

I came to fulfill our oath from that day!

[22:34] Edgar

We became war heroes thanks to this power.

[22:37] Edgar

No, we became gods!

[22:39] Edgar

What's wrong with killing humans
who defy the will of the gods?!

[22:46] Hank

Eddie! We have never been gods!
Not in the past, and not now!

[22:51] Hank

And if we lose our souls,

[22:53] Hank

we're nothing more than beasts!

[23:25] Schaal

Tea time, everyone!

[23:27] Guy

Will is this town's hero.

[23:29] Guy

I'm home, Mom.

[23:31] Schaal

He killed my father...

[23:34] Will

When the time comes for you to pull the
trigger, I know you'll be able to do it.
