[00:17] ---

*Neighbors are those who inhabit adjacent
another world called Neighborhood.*

[00:18] ---

Neighbor

[00:23] ---

Four and half years ago from today.

[00:25] ---

*A Gate to another world was opened
by those who sought Trion,*

[00:29] ---

and a large-scale invasion took place.

[00:32] ---

*The battle known as
The First Large-Scale Invasion,*

[00:35] ---

*was brought to an end by the action of
Border Defense Agency, namely Border.*

[00:36] ---

*Border
Defense Agency*

[00:40] ---

*Since then Border has pressed forward with
studying "Trigger," a Neighbor technology,*

[00:45] ---

and has been battling them.

[00:48] ---

And so, four and a half years later

[00:51] ---

*another large-scale Neighbor
invasion has begun,*

[00:55] ---

*the entire area of Mikado City is about
to be exposed to their attacks.*

[00:59] ---

*What will happen to Border,
Yuma, and Osamu?*

[01:02] ---

*Can they stand up to the threat of
another large-scale invasion?*

[01:08] ---

Now, the fateful battle begins.

[01:19] ---

*The largest-scale invasion ever
by the Neighbors.*

[01:24] ---

*Aftokrator's goal is to capture
C-Rank Border agents.*

[01:31] ---

*As we were pushed into a tough battle,
the Neighbors sent some Humanoids.*

[01:36] ---

And the situation kept getting worse.

[01:40] ---

*But on the other hand, I heard some squad,
together as a team, challenged...*

[01:44] ---

*a Humanoid Neighbor who was acting alone
and got rid of him successfully.*

[01:49] ---

Can we pull off a victory?

[01:57] ---

Organon User

[02:25] ---

*The Forbidden Zone
HQ South Area*

[02:27] ---

He did it!

[02:28] ---

Yeah! We took down the Humanoid!

[02:31] ---

Well done.

[02:33] ---

*I can't believe I could only beat
five people.*

[02:37] ---

*Councilor Viza was right.
The Meedens' progress is impressive.*

[02:41] ---

*It was 10 on 1 match. We're in trouble
if we couldn't defeat you with those odds.*

[02:45] ---

I'm sorry that I couldn't fight you
by myself.

[02:50] ---

No need to apologize.

[02:52] ---

This is a war.

[03:00] ---

I thought you didn't come here
on your own!

[03:03] ---

Retreat, Ranbanein.
Your job is over.

[03:08] ---

Black horns.

[03:10] ---

A Black Trigger, huh?

[03:12] ---

Report from Azuma Squad.

[03:14] ---

Another Black Trigger user
has been confirmed.

[03:17] ---

What?! Another one?!

[03:20] ---

How many of them are here?!

[03:25] ---

If I can't even take you by surprise,
I'm beaten hollow!

[03:29] ---

It was fun, Meeden warriors.
Let's fight again if we get a chance.

[03:36] ---

- Oh, he's getting away!
- *Wait. Don't do anything.*

[03:38] ---

If he's gonna retreat,
that's good for now.

[03:41] ---

Don't chase after him too far.
We've made enough gains.

[03:43] ---

What?!
We took all the trouble to beat him...

[03:51] ---

That Gate kind of thing was a Trigger?

[03:53] ---

Probably.

[03:55] ---

Yeah, Kuruma-san! Well done decoying!
What a convincing act!

[03:58] ---

I wasn't acting though...

[04:00] ---

Good job, everyone.
But it's not over yet.

[04:03] ---

B-Rank Squad,
let's go back to guard the South area.

[04:06] ---

Roger that.

[04:07] ---

Izumi, what are you guys gonna do?

[04:10] ---

I was thinking about
going to assist C-Rankers retreat.

[04:13] ---

We're the only people who are free,
it seems.

[04:16] ---

Yeah, I got it.
Thank you for your help.

[04:19] ---

The three of you,
let me treat you sometime.

[04:22] ---

Yeah!

[04:23] ---

I want *yakiniku*!

[04:26] ---

The future has shifted.

[04:29] ---

The number of our opponents
decreased by one.

[04:32] ---

Hmm.

[04:33] ---

Usami, how is the tactical situation?

[04:35] ---

Yosuke, Izumin and Shun-kun teamed up with
the B-Rank Squad and...

[04:39] ---

beat a Humanoid Neighbor!

[04:41] ---

Cool! I knew I could count on them!

It made things way easier.

[04:45] ---

Then, Osamu and Chika are okay now?

[04:48] ---

I'm afraid it's not that simple.

[04:51] ---

Possible futures don't line up
in order of good to bad.

[04:57] ---

The best path and the worst path
could be lying side-by-side.

[05:02] ---

The future shifts
like a ball rolling down a track.

[05:05] ---

A slight wind or a little budge could
flip it and move it to the next track.

[05:10] ---

What we're all doing right now is like...

[05:12] ---

blowing at the ball
to put it in the track that we want.

[05:16] ---

And one of those who has been trying to
send it down the bad track, has left.

[05:21] ---

That's what I mean
that it made things easier.

[05:24] ---

Hmm. I see.

[05:25] ---

So, according to my prediction, taking
Four-Eyes and Chika-chan to the base...

[05:30] ---

is the key deciding a future in which
they'll both be safe.

[05:36] ---

That means we three need to
halt their pursuers

[05:39] ---

and protect Four-Eyes and Chika-chan.

[05:41] ---

Let's get fired up!

[05:43] ---

Roger that.

[05:44] ---

I got it.

[05:46] ---

*The Urban Area
Southwest Area*

[05:48] ---

Well, well... I can't believe
Lord Ranbanein was brought down.

[05:54] ---

The Meeden warriors are tough
as I thought.

[05:57] ---

Meteor!

[06:03] ---

You already knew what I was gonna do,
didn't you?!

[06:06] ---

No, no. Oops.

[06:11] ---

This young lady is quite skillful, too.

[06:15] ---

It's not good to be held up here
any longer.

[06:19] ---

Now, what should I do?

[06:22] ---

Cut that crap! You haven't been really
trying! You're just fooling around!

[06:27] ---

No no. I'm always serious.

[06:38] ---

A Trion soldier!

[06:43] ---

It ignored us and went for the urban area!

[06:45] ---

That always works better in a battle
in enemy territory.

[06:50] ---

Now, what are you gonna do,
young lady?

[06:55] ---

He's been buying time for it...

[06:59] ---

Small-time Trion soldiers are
gathering in the Southwest!

[07:02] ---

If nothing is done,
the damage to the urban area will extend.

[07:06] ---

The Urban Area

West Area

[07:14] ---

What's the matter, Karasuma *senpai*!

[07:17] ---

Well...

[07:19] ---

That direction is...

[07:24] ---

Go, Konami.

Take care of the Trion soldiers.

[07:27] ---

That's exactly what they want!

[07:30] ---

It's a waste of time worrying what to do.

Kyosuke's house is in that direction.

[07:35] ---

Don't forget. Taking these guys down
doesn't mean we win.

[07:38] ---

Understood!

[07:41] ---

Well, well...

[07:43] ---

I'm glad that she retreated.

[07:46] ---

Because I couldn't bear to
harm a young lady.

[07:52] ---

*Alright, I really need to
fulfill my role.*

[08:01] ---

What's wrong, Jin-san?

[08:03] ---

Well...

[08:05] ---

I didn't see it coming...

It's gonna be quite a bit of a pain.

[08:11] ---

Border HQ

[08:14] ---

Intruder Alert

[08:14] ---

Intruder alert! Intruder alert!

[08:16] ---

We have an unidentified Trion reaction
inside the base!

[08:19] ---

Seems like it broke in through the vent!

[08:21] ---

Through the vent?! Is it one of those
small-scale Trion soldiers?!

[08:25] ---

No... It's...

[08:30] ---

A Humanoid!

A Humanoid Neighbor intruder!

[08:34] ---

- What?!

- Is he a Black Trigger user?!

[08:40] ---

Now, come on out, monkeys!

I'll play with you!

[08:44] ---

We confirmed the intruder Neighbor
as a Black Trigger user!

[08:47] ---

Non-combatants, evacuate!

[08:48] ---

Intruder Alert

[08:49] ---

Activate the Intruder Interception System!

[08:52] ---

The Urban Area

West Area

[08:54] ---

The Forbidden Zone

HQ South Area

[09:23] ---

nan no tame ikite iruno?

[09:23] ---

"For what" do you live?

[09:27] ---

itsuka janaku ima ga My Day

[10:31] ---

Not someday, right now is my day

SIGN Reiji Kizaki

Age: 21

Birthday: July 2

Height: 191 cm

Blood type: A

Zodiac sign: Gladius

Likes: Training, cooking

[10:45] ---

Oh, there are a ton of them!

Air-headed rats!

[10:50] ---

Enedora.

[10:52] ---

*I didn't order you to
break into the base.*

[10:55] ---

*Our purpose is only capturing
the baby birds.*

[10:59] ---

Don't take unnecessary action.

[11:00] ---

Ha! Your way of doing things is too dull!

[11:04] ---

If we destroy their nest, we can capture as many dumb soldiers as we want.

[11:08] ---

It makes sense, doesn't it?

[11:12] ---

He charged into the enemy's fort on his own? How brave!

[11:16] ---

Dereliction of duty, violation of orders. Should we pull him back forcibly?

[11:21] ---

No, it's okay. Now we have a good excuse for recovery.

[11:25] ---

Let Enedora have his own way.

[11:28] ---

I'm sure Viza and Hyuse will handle the rest fine.

[11:31] ---

*The Urban Area
Southwest Area*

[11:37] ---

I heard he's a Trigger user who's good at close combat but...

[11:41] ---

seems like he's skilled at various ways of fighting.

[11:44] ---

Looks like Reiji-san is doing fine.

[11:47] ---

Of course! Reiji is a super All-Rounder.

[11:53] ---

What is he going for?

[11:56] ---

Above?!

[12:00] ---

He used the building as a shield and shot at me.

[12:03] ---

I guess he doesn't wanna exchange shots face to face.

[12:05] ---

He deflected it!

His defense is tight as was expected.

[12:09] ---

I don't need to try to kill him.

[12:11] ---

It's enough if I can buy time
for the C-Rankers to run.

[12:15] ---

I'm gonna keep them here.

[12:31] ---

Lord Hyuse, be careful.

[12:35] ---

Some traps have been set up.

[12:40] ---

It's clear that he's prepared for
a long, drawn-out battle.

[12:43] ---

He has a geographical advantage.

Look.

[12:48] ---

Before we knew it,
steel wires have been set up everywhere.

[12:51] ---

And also, behind those visible traps,

[12:54] ---

we must assume there is a hidden,
more destructive trap.

[13:01] ---

Seems like he's really intending to
keep both of us here...

[13:07] ---

I will chop up this opponent.

[13:10] ---

No, I was gonna do it...

[13:12] ---

This guy's purpose is not to take us down.

[13:17] ---

Focusing on defense
and keeping us here is his scheme.

[13:22] ---

He can't be brought down
by half measures.

[13:27] ---

Seems like the people around here
are already evacuated.

[13:31] ---

Even if I go a little too far,

[13:34] ---

there's no possibility of
harming the baby birds by accident.

[13:39] ---

Roger that. I'll back you up.

[13:48] ---

Brave soldier of Meeden.
I pay respect to how you fight.

[13:55] ---

Let me fight you
with all my heart and soul!

[13:59] ---

Organon!
(Staff of Stars)

[14:03] ---

Dodge!

[14:17] ---

That power...
It must be a Black Trigger!

[14:20] ---

The records that Yugo left behind say...

[14:22] ---

that's one of Aftokrator's
national treasures.

[14:26] ---

I can't believe they sent an Organon user
for an away mission...

[14:30] ---

What is really going on in Aftokrator?

[14:34] ---

What's the situation in the Southwest area
of the urban area?

[14:38] ---

One A-Rank agent is battling with
two Humanoids.

[14:42] ---

What?!
He's fighting two Humanoids on his own?!

[14:46] ---

Don't worry. I left the Southwest area
in Tamakoma's hands.

[14:50] ---

Tamakoma, huh?

[14:54] ---

What's this?! It's magnetic!

[14:59] ---

Hmmm... It's amazing

how quick you make a decision.

[15:04] ---

But...

[15:05] ---

Shield mode!

[15:09] ---

It got through the protection?!

[15:13] ---

I'm one step ahead of you.

[15:16] ---

Goodbye, brave soldier of Meeden.

[15:21] ---

You don't need to feel ashamed of losing.

[15:25] ---

No one who's ever seen the Organon for the first time, has been able to beat it.

[15:32] ---

Tomi's Delicious Ramen

[15:35] ---

Oh! I'm full!

[15:39] ---

Want a fried rice cracker?

[15:42] ---

Normal people wouldn't.

[15:43] ---

Yeah, you're right,
normal people wouldn't but...

[15:48] ---

I thought Reiji-san could eat more.

[15:50] ---

So, you wanna talk about something,
don't you?

[15:53] ---

Uh-huh! I thought I'd better tell you.

[15:57] ---

In an upcoming large-scale invasion,
quite a dangerous opponent will come.

[16:02] ---

In the worst case,
dangerous as in - we can't even beat him.

[16:06] ---

Black Trigger?

[16:08] ---

I don't know yet but... probably.

[16:12] ---

If we can't beat him,
we can just stave him off.

[16:15] ---

It's not like everything is
hinging on him alone.

[16:18] ---

That's right!
That's why I wanna ask you a favor.

[16:22] ---

Don't point at people
with your chopsticks.

[16:24] ---

If you face a Humanoid in the battle,
act casual and let others get away.

[16:30] ---

If we're focused in one place,
we could get wiped out.

[16:33] ---

Then, why don't you tell
Konami and Kyosuke so, too?

[16:37] ---

No, Konami and the others won't get away
even if you ask them to, don't you think?

[16:41] ---

Even if I tell people my prediction,
it's not always gonna go well.

[16:45] ---

Anyway, when you let others get away,
buy as much time as you can.

[16:51] ---

How long you can keep him away
will probably be the key.

[16:57] ---

It's your specialty.
I'll be counting on you.

[17:01] ---

My specialty, huh?

[17:05] ---

Blade mode!

[17:08] ---

Thruster on!

[17:11] ---

Combat body limit exceeded.
Bail out.

[17:19] ---

I didn't expect there was also a gimmick
to his shield...

[17:23] ---

It was thoughtless of me

to close in on him too much.

[17:26] ---

Let's get going. We can still catch up to the baby bird with my Trigger.

[17:31] ---

I'm ready.

[17:33] ---

Lambiris!
(Butterfly Shield)

[17:48] ---

Hey, Reiji!
How could you get defeated?!

[17:52] ---

Why didn't you use your Full Arms?!

[17:54] ---

Did you get data just now?

[17:56] ---

Hmmm, it was as quick as lightning
so maybe not...

[18:00] ---

I'll try to analyze it but...

[18:02] ---

How far did Kyosuke and the others get?

[18:04] ---

They'll reach an entrance of
a base passageway soon.

[18:08] ---

Did I buy enough time? No...

[18:12] ---

You listening?!

[18:13] ---

I'll analyze the enemy's Trigger.
Usami, support Kyosuke and the others.

[18:17] ---

Roger that.

[18:18] ---

Hey, Reiji! Why didn't you use...

[18:21] ---

Yotaro, that's enough.

[18:24] ---

He wanted a drawn-out battle.
He had no choice.

[18:29] ---

If he used his Full Arms...

[18:32] ---

If he used his Full Arms,
Reiji wouldn't have been defeated!

[18:38] ---

Don't cry.

Tamakoma is not defeated yet.

[18:44] ---

Connector on.

[18:49] ---

Torimaru's house is

on the other side of the street...

[18:54] ---

Won't let you...

[18:56] ---

go any farther!

[19:01] ---

No matter how many of you attack me
at once!

[19:06] ---

Thank you, Konami *senpai*.

[19:08] ---

We're almost there! Hang on!

[19:17] ---

Now, how would the future shift...

[19:23] ---

Let's hurry up a bit!

[19:24] ---

Uh-huh!

[19:25] ---

Roger!

[19:30] ---

No good! The door won't open!

[19:32] ---

What?! What do you mean?!

What's going on?!

[19:34] ---

- The organization betrayed us?!

- Or is it a subtle trap?!

[19:38] ---

Or both?!

[19:39] ---

What do you mean by that?

[19:42] ---

Usami *senpai*, why is it not opening?

[19:45] ---

Hmmm... I don't know why

but I can't make contact with HQ.

[19:49] ---

Wonder if something happened
in the operations center...

[19:52] ---

Maybe, something was damaged
by the Ilgars' attack from earlier?

[19:55] ---

Karasuma *senpai*,
what should we do?!

[19:58] ---

If we can't get in here, we should try
other passageways or go straight to HQ.

[20:04] ---

Something's coming for us...
There are two... At terrific speed...

[20:09] ---

What does she mean?

[20:10] ---

It's her Side Effect!

[20:12] ---

Chika can sense
when her enemy comes close.

[20:15] ---

Really?

[20:17] ---

It's been just a few minutes
since Reiji-san bailed out.

[20:24] ---

Oh, we caught up to them.

[20:27] ---

I'm impressed with
your cutting-edge Trigger.

[20:30] ---

Thank you.

[20:31] ---

Be careful.
The older one uses a Black Trigger!

[20:35] ---

*The Black Trigger user
who beat Reiji-san!*

[20:40] ---

Let's retreat to the rendezvous point
with Jin-san. Take the C-Rankers!

[20:45] ---

Lord Hyuse,
go capture the baby bird as arranged.

[20:49] ---

I'm gonna slice off the combatants.

[20:52] ---

Roger that.

[20:54] ---

Go now, Osamu!

[20:59] ---

Ow, ow, ow...

[21:01] ---

W-Wasn't it too fast, Mr. Replica...?

[21:06] ---

It's good that we made it but...

[21:08] ---

Jin-san!

[21:09] ---

He's...

[21:10] ---

Another brave one emerges?

[21:13] ---

Nice to see you,
everyone from Aftokrator!

[21:17] ---

I'm a power elite, Yuichi Jin!

[21:21] ---

I'm afraid I'm gonna take over
the fight from here!

[21:24] ---

Bound.

[21:25] ---

Sexta!

[21:32] ---

Oops, my mistake...

[21:35] ---

I said "I'm gonna"
but actually, "We're gonna."

[21:42] ---

*A little more to go until the point
where the future will be decided...*

[21:47] ---

*After this,
we'll review the Organon and Viza!*

[21:50] ---

WORLD TRIGGER Fun Facts

[21:51] ---

About the Organon and Viza

[21:52] ---

Viza's Organon?

[21:53] ---

Yeah, Yugo told me about it
but I didn't expect him to use it...

[21:54] ---

Viza

[21:56] ---

Organon

[21:57] ---

Is it that wicked? The Organon thing?

[22:00] ---

Indeed. They say it's one of
Aftokrator's national treasures.

[22:04] ---

The Holy land, Aftokrator's
national treasure...

[22:07] ---

It's astonishing that the largest military
nation used their national treasure...

[22:11] ---

in an away mission.

[22:12] ---

So its user,
the old man named Viza is...

[22:16] ---

a National Living Treasure
in terms of this world.

[22:18] ---

National Living Treasure

[22:19] ---

Oh, an "Important Intangible Cultural
Property Holder" to be exact.

[22:21] ---

Important Intangible something

[22:23] ---

Well, I mean, he's not
a National Living Treasure but...

[22:27] ---

By the way, when you're certified
as a National Living Treasure,

[22:30] ---

you'll receive a sort of stipend
until you die. Did you know that?

[22:33] ---

No, I didn't know...

[22:35] ---

After all, it's amazing
to be a National Living Treasure!

[22:36] ---

Amazing

[22:38] ---

Oh, okay, okay.

[22:40] ---

But let's forget about
being a National Living Treasure now.

[22:44] ---

What's remarkable is the Organon!

[22:46] ---

*This thing
Organon*

[22:47] ---

Oh, the Organon, huh? Sorry, sorry.

[22:49] ---

I guess Reiji-san couldn't stand
getting attacked by such a thing...

[22:53] ---

See you!

[22:56] ---

*Viza and Hyuse go after Chika
and Yuma and Jin stand in their way.*

[23:00] ---

*Border HQ is thrown into chaos
by Enedora's intrusion.*

[23:05] ---

*Next time on WORLD TRIGGER:
A Crossroads of Fate*

[23:07] ---

Trigger on!

[23:09] ---

[23:11] ---
