**[00:17]** ---

*The First Large-Scale invasion.*

**[00:19]** ---

*An act of invasion  
once carried out by...*

**[00:23]** ---

*an adjacent dimension  
called the Neighborhood.*

**[00:27]** ---

*Now, again, after four and a half years,*

**[00:30]** ---

*Mikado City is exposed to  
the Neighbors' attack.*

**[00:35]** ---

*The country that's come to invade is...*

**[00:37]** ---

*the largest military nation in the  
Neighborhood; the Holy land, Aftokrator.*

**[00:43]** ---

*Managing powerful Black Triggers  
and Trion soldiers - Rabbits,*

**[00:46]** ---

*they've been taking down and capturing  
Border agents one after another.*

**[00:51]** ---

*In Mikado City, in which the entire area  
is destined to become a battlefield,*

**[00:55]** ---

*the boys fight.*

**[00:57]** ---

*Believing only in their own powers  
and their friends.*

**[01:01]** ---

*Can Border, Yuma, and Osamu...*

**[01:05]** ---

*stand up against  
the surge of these mighty enemies?*

**[01:10]** ---

*Jin has, however, revealed...*

**[01:13]** ---

*that his Side Effect of precognition  
showed him...*

**[01:17]** ---

*Osamu's death  
in the worst-possible future.*

**[01:21]** ---

*Now, a crossroads of fate is  
approaching.*

**[01:30]** ---

Lord Hyuse,  
go capture the baby bird as arranged.

**[01:34]** ---

I'm gonna slice off the combatants.

**[01:37]** ---

Roger that.

**[01:39]** ---

Go now, Osamu!

**[01:45]** ---

Ow, ow, ow...

**[01:46]** ---

W-Wasn't it too fast, Mr. Replica...?

**[01:51]** ---

It's good that we made it but...

**[01:53]** ---

Jin-san!

**[01:54]** ---

He's...

**[01:55]** ---

Another brave one emerges?

**[01:58]** ---

Nice to see you,  
everyone from Aftokrator!

**[02:02]** ---

I'm a power elite, Yuichi Jin!

**[02:06]** ---

I'm afraid I'm gonna take over  
the fight from here!

**[02:09]** ---

Bound.

**[02:10]** ---

Sexta!

**[02:17]** ---

Oops, my mistake...

**[02:20]** ---

I said "I'm gonna"  
but actually, "We're gonna."

**[02:29]** ---

Kuga!

**[02:30]** ---

- Yuma-kun!  
- Shrimp *senpai*!

**[02:32]** ---

Boost. Double!

**[02:40]** ---

Oh, oops...

**[02:43]** ---

I'm not allowed to fight  
outside of the Forbidden Zone.

**[02:46]** ---

Don't worry.  
You know, it's an emergency situation.

**[02:54]** ---

*A Crossroads of Fate*

**[03:15]** ---

Good job, Konami.

**[03:17]** ---

Next?

**[03:18]** ---

Um... I think that's about it for now.

**[03:22]** ---

The evacuation is complete

**[03:24]** ---

and I guess no more Trion soldiers  
will attack that area.

**[03:27]** ---

Kyosuke's house is safe now, too.

**[03:30]** ---

Uh-huh!  
You managed to pull it off, Konami!

**[03:34]** ---

Shiori, can you do it for me?

**[03:37]** ---

Okay...

**[03:44]** ---

Then, I'm gonna move on.  
Where's the nearest target?

**[03:48]** ---

I'll send you their locations  
so take your pick.

**[03:50]** ---

*Roger that!*

**[03:55]** ---

Sorry I'm late.

**[03:56]** ---

Boss!

**[03:57]** ---

I just got here.

How's the situation?

**[04:01]** ---

We're managing to match them.

**[04:03]** ---

I can see that because  
you're already returned.

**[04:07]** ---

I'm sure they're tough opponents.

**[04:09]** ---

But Tamakoma is not defeated yet.

**[04:14]** ---

I see.

**[04:16]** ---

But I'm currently unable to contact HQ  
and I'm a bit worried.

**[04:21]** ---

I've been trying many times  
but it's always the same...

**[04:24]** ---

Torimaru-kun told me  
the passageway is still closed too...

**[04:28]** ---

HQ?

**[04:29]** ---

Okay, whatever you have is fine,  
give me a report on the developments.

**[04:34]** ---

Roger that!

**[04:37]** ---

The first Gate opened 12:33 p.m.

**[04:43]** ---

Then, more than a hundred Gates were  
observed within minutes.

**[04:48]** ---

At the same time, mobilization orders  
were issued to all agents.

**[04:53]** ---

As for our branch members,

**[04:55]** ---

Osamu-kun and Yuma-kun made a dash straight from Mikado Junior High.

**[04:59]** ---

Chika-chan joined other C-Rank agents and...

**[05:02]** ---

started guiding students at the school to evacuate.

**[05:05]** ---

Reiji-san,  
as soon as he received the order,

**[05:08]** ---

went to pick up Torimaru-kun and Konami.

**[05:11]** ---

As for Jin-san, HQ sent direct orders to intercept the enemy...

**[05:14]** ---

in the North area of the Forbidden Zone.

**[05:16]** ---

How many enemies are there?

**[05:18]** ---

The tally keeps increasing and decreasing so I don't have an exact number...

**[05:21]** ---

But I guess there are well over five times the number from four and a half years ago.

**[05:26]** ---

And they have formed several groups and begun moving in five directions;

**[05:30]** ---

northwest, west, southwest,  
south, and east.

**[05:34]** ---

Squads that engaged them were handling everything

**[05:36]** ---

but a new type of Trion soldier, Rabbits, emerged and the situation has changed.

**[05:41]** ---

New type?

**[05:42]** ---

Yes, it seems their special ability is capturing Trigger users.

**[05:47]** ---

Suwa-san was turned into a Trion cube after he got caught, I heard.

**[05:52]** ---

Because of all this,  
HQ has changed the plan:

**[05:55]** ---

Put together squads that were intercepting  
individually in each direction

**[05:59]** ---

and order them to destroy the enemies  
one place at a time.

**[06:03]** ---

It's a reasonable decision but did  
everyone follow it without protest?

**[06:07]** ---

No, as you can tell,  
our members didn't...

**[06:10]** ---

That's what I thought.

**[06:12]** ---

Osamu-kun and Yuma-kun headed northeast  
to intercept Trion soldiers...

**[06:16]** ---

leaving Mikado Junior High located in  
the Southwest of the urban area.

**[06:20]** ---

They were fighting in the Forbidden Zone  
but then, they encountered a Rabbit.

**[06:25]** ---

Yuma-kun used his Black Trigger.

**[06:28]** ---

Shortly after that, Arashiyama Squad  
joined them and they destroyed the Rabbit.

**[06:32]** ---

Osamu-kun requested Commander Kido  
let them go support...

**[06:35]** ---

C-Rankers in the Southwest area,  
which means Chika-chan and the others.

**[06:39]** ---

It's Kido-san, I bet he told Yuma to stay.

**[06:43]** ---

Exactly! You're right!

**[06:46]** ---

But Kitora-chan of Arashiyama Squad  
came forward to go along with him

**[06:50]** ---

and they made a move to  
the Southwest area of the urban area.

**[06:54]** ---

Meanwhile, Jin-san who held off enemies  
in the northwest almost all by himself,

**[06:58]** ---

started moving toward the southwest  
at that point.

**[07:01]** ---

What is the enemies' purpose?  
I heard you said "capturing agents"...

**[07:06]** ---

It became clear thanks to Kitora-chan.

**[07:10]** ---

They want to capture C-Rank agents  
who don't have the bail out function.

**[07:14]** ---

Looks like that's their purpose.

**[07:17]** ---

Hmmm...

**[07:18]** ---

Specifically, our branch member,  
Chika-chan, really showed off her power

**[07:22]** ---

so she drew quite a bit of attention  
from the enemies, it seems,

**[07:25]** ---

and almost got herself into a fix  
but...

**[07:27]** ---

Reiji-san and Torimaru-kun who picked up  
Konami, made it there just in time.

**[07:31]** ---

We thought we could turn the tide but...

**[07:34]** ---

those Humanoid Neighbors  
arrived finally.

**[07:37]** ---

The horned ones...

**[07:39]** ---

That means it's the Neighbors from  
Aftokrator who are attacking us...

**[07:43]** ---

Probably.

**[07:44]** ---

And so far, we've confirmed a total of  
four Humanoid Neighbors.

**[07:49]** ---

Our members confronted two.

**[07:51]** ---

And Kazama Squad and a joint team of  
Azuma-san and the others...

**[07:54]** ---

had to deal with one each.

**[07:57]** ---

Humanoids...

**[07:58]** ---

And most of them are  
Black Trigger users, huh?

**[08:02]** ---

They've been sent here purposely.  
They're quite tough, aren't they?

**[08:07]** ---

They are.

**[08:08]** ---

All I could do was hold them off  
for a few minutes.

**[08:11]** ---

But Tamakoma is not defeated yet.

**[08:14]** ---

As for Kazama Squad,  
Kazama-san got beat and bailed out.

**[08:18]** ---

Kikucchy and Utty who were left behind,  
retreated temporary.

**[08:21]** ---

But the joint team - all ten of them -  
worked together nicely

**[08:25]** ---

and Yosuke took one down.

**[08:27]** ---

Hmmm.

**[08:28]** ---

Those two Neighbors that I couldn't beat  
are still around though...

**[08:31]** ---

But because Reiji-san bought some time,

**[08:34]** ---

Jin-san and Yuma-kun made it  
and they're in a battle now.

**[08:38]** ---

We're sharing intelligence on  
enemy tactics pretty efficiently, too.

**[08:42]** ---

We're gonna make a major comeback...  
At least, that's the plan.

**[08:46]** ---

Making a major comeback is  
a bit too optimistic.

**[08:49]** ---

Oh well, I don't think Jin will give up  
and let them have their way.

**[08:56]** ---

Let me know as soon as  
the situation changes.

**[08:59]** ---

And keep calling HQ.

**[09:01]** ---

Okay.

**[09:05]** ---

I think the real climax begins now.

**[09:09]** ---

Tell everyone to be sure to stay alert.

**[09:13]** ---

Roger!

**[09:31]** ---

*nan no tame ikite iruno?*

**[09:31]** ---

*"For what" do you live?*

**[09:35]** ---

*denai kotae kyou mo Loop shiteru*

**[09:35]** ---

*The unanswered question  
loops around again today*

**[09:39]** ---

*dare no tame hibiku koe ga*

**[09:39]** ---

*"For who?"*

*The echoing voices*

**[09:43]** ---

*sekai no to wo tatakuyo*

**[09:43]** ---

*Knock on doors of the world*

**[09:47]** ---

*yume wa yume no mamade irarezuni*

**[09:47]** ---

*Dreams couldn't stay as dreams*

**[09:51]** ---

*aoi bokura wa tada kakedashita*

**[09:51]** ---

*We were young,  
so we just started running*

**[09:55]** ---

*soko ni mirai ga aru to shinjiteta*

**[09:55]** ---

*There, we believed to be a future*

**[10:03]** ---

*It doesn't matter how many  
wishes you sacrifice*

**[10:03]** ---

*ikutsu negai wo gisei ni shitemo*

**[10:07]** ---

*As long as you can find something  
you must protect, then surely*

**[10:07]** ---

*mamoru beki mono ga mitsukaru nara kitto*

**[10:11]** ---

*From here everything, yeah, will start*

**[10:11]** ---

*koko kara subete sou hajimarusu*

**[10:15]** ---

*A reason for my life...  
A reason for your life...*

**[10:15]** ---

*A reason for my life...  
A reason for your life...*

**[10:18]** ---

*I'll never run away again*

**[10:18]** ---

*nigenai nido to*

**[10:23]** ---

*I wake up from a dream  
in my dream again*

**[10:23]** ---

*yume kara samete mata yume*

**[10:25]** ---

*I can't reach reality*

**[10:25]** ---

*Real ni todoka nakute*

**[10:27]** ---

*I glared at tomorrow, then my sight*

**[10:27]** ---

*asu wo niramu shikai ga*

**[10:29]** ---

*Started to blur as tears swelled*

**[10:29]** ---

*namida de nijimi dashita*

**[10:31]** ---

*How many times did I trip and fall down?*

**[10:31]** ---

*tsumazuite korobu nomo nankaime?*

**[10:33]** ---

*I don't know if I'll ever be rewarded*

**[10:33]** ---

*mukuwareru kamo wakara naine*

**[10:35]** ---

*Even so, if you say pain and suffering  
is a test, I can still handle more*

**[10:35]** ---

*sore demo itami mo tsurasa mo  
shiren dato iu naraba mada tan naize*

**[10:39]** ---

*Not someday, right now is my day*

**[10:39]** ---

*itsuka janaku ima ga My Day*

**SIGN** Yuichi Jin

*Age: 19*

*Birthday: April 9*

*Height: 179 cm*

*Blood type: O*

*Zodiac sign: Falco*

*Likes: Fried rice crackers,  
girls' butts, pulling strings*

**[10:53]** ---

*Can't believe he attacked me right away...*

**[10:55]** ---

*Well, well...*

*He's quite a "well-behaved" boy.*

**[11:10]** ---

*Osamu-kun!*

**[11:11]** ---

*Oh, Four-Eyes, nice!*

**[11:14]** ---

*Osamu...*

**[11:15]** ---

*Are you alright?!*

*There are pieces on your arm...*

**[11:19]** ---

*I'm alright!*

**[11:20]** ---

*Let's run! They're targeting you!*

**[11:23]** ---

*What? Me...?*

**[11:26]** ---

*I'll leave them in your hands,  
Kyosuke, Four-Eyes.*

**[11:30]** ---

*You can't use the passageway.*

You gotta go to the base directly.

**[11:34]** ---

Watch out for the Trion soldiers.

**[11:36]** ---

Roger that!

**[11:37]** ---

Now, go!

**[11:40]** ---

Oh no...

**[11:43]** ---

I don't want them to run around anymore.

**[11:48]** ---

Don't move.

**[11:52]** ---

Is this...

**[11:53]** ---

*Chain*

**[11:54]** ---

*Chain.*

**[11:55]** ---

*It links the seals with Trion chains.*

**[11:58]** ---

*It's one of Yuma's  
Black Trigger abilities.*

**[12:01]** ---

*It can be used as a trap by setting it up  
on the ground or other surface.*

**[12:06]** ---

*This means when he kicked me before,  
he had already made a strategic move...*

**[12:15]** ---

Escudo.

**[12:19]** ---

*Barriers in the street?*

**[12:21]** ---

You can't catch up to them anymore.

**[12:24]** ---

My Side Effect is telling me so.

**[12:27]** ---

What?!

**[12:28]** ---

Oh my... Meeden has a number of  
quite formidable warriors.

**[12:39]** ---

Lord Hyuse, let's change our plan.

**[12:43]** ---

Seems like we can't go after the baby bird

without taking care of these two first.

**[12:50]** ---

*Let's communicate secretly from here.*

**[12:53]** ---

*According to Reiji-san, it's dangerous to let those two fight together.*

**[12:58]** ---

*It's a combination of the Trigger that captures enemies by a magnetic force*

**[13:01]** ---

*and the Black Trigger with peculiar slashing attacks.*

**[13:04]** ---

*Then, let's fight them separately.*

**[13:06]** ---

*I don't know your fighting style so odds are against us if it's a tag-team match.*

**[13:12]** ---

*Looks like they're discussing a plan secretly, too.*

**[13:17]** ---

*Now, how are they gonna set it off?*

**[13:20]** ---

*Keep it as two-on-two or separate us...*

**[13:24]** ---

*Either one will be fine.*

**[13:26]** ---

*I've already set things up for a back-up plan.*

**[13:29]** ---

*We take the old one.*

**[13:32]** ---

*I've placed a seal on him before and I don't get that whole magnetic crap.*

**[13:36]** ---

*Okay, let's go with that.*

**[13:38]** ---

- Let's go, Replica.  
- I got it.

**[13:41]** ---

Boost. Double!

**[13:46]** ---

Here it comes!

**[13:49]** ---

Bound. Double!

**[13:51]** ---

Leading with all his strength?

How outrageous...

**[13:55]** ---

But, in mid air,  
I can let loose without constraint.

**[14:01]** ---

Organon.

**[14:06]** ---

*It's heavy... When did he do that?*

**[14:08]** ---

Anchor

**[14:09]** ---

Anchor.

**[14:11]** ---

*An ability whereby a weight  
is planted on an opponent.*

**[14:13]** ---

*Yuma copied this ability from Miwa.*

**[14:17]** ---

*Since it doesn't have  
a direct destructive power,*

**[14:19]** ---

*it doesn't interact with Shield Triggers.*

**[14:23]** ---

Its mechanism seems to involve the blades  
going along the tracks of extended rings.

**[14:27]** ---

Reiji-san's assumption was  
basically right.

**[14:30]** ---

Anchor. Plus, Bolt...

**[14:33]** ---

Quadra!

**[14:50]** ---

*Those chains that I cut earlier  
must've had these weights implanted...*

**[14:55]** ---

*Meeden's Triggers are quite versatile.*

**[15:01]** ---

I have a question.

**[15:04]** ---

Why do you bother attacking this world?

**[15:07]** ---

If you want people who can use Trion,

**[15:09]** ---

you can just go abduct them  
from nearby countries.

**[15:12]** ---

Yes.

**[15:14]** ---

Of course, we're doing that.

**[15:17]** ---

We sent our elites to  
all the countries nearby.

**[15:21]** ---

Meeden is one of them.

**[15:24]** ---

They're invading other countries  
on a scale similar to this?

**[15:27]** ---

Does that mean their home country  
completely defenseless?

**[15:36]** ---

It used to be very easy to  
capture Meeden's people

**[15:40]** ---

but it's not like that these days.

**[15:44]** ---

Like when attacking other countries,

**[15:47]** ---

we need thorough preparations  
and forces now.

**[15:51]** ---

Anchor has been blocked by the cape...

**[15:54]** ---

Why are you collecting people  
all over the place?

**[15:57]** ---

It's not necessary for me to answer that.

**[16:01]** ---

If I give you a detailed reason,

**[16:05]** ---

would you turn a blind eye  
to our mission?

**[16:09]** ---

No... Absolutely not.

**[16:12]** ---

*I can't get him...*  
*What's wrong with this guy?*

**[16:16]** ---

*Although we're keeping them away,*

**[16:18]** ---

*I still see Four-Eyes and*  
*Chika-chan's worst-case future.*

**[16:22]** ---

Boy... This is not gonna be easy.

**[16:37]** ---

It wasn't that hard to separate you.

**[16:40]** ---

Things become much easier like this.

**[16:42]** ---

*An underground passage...*

*The point is it's narrow and dark.*

**[16:45]** ---

*Is he a setting-a-trap type, too?*

**[16:48]** ---

*Looks like he has some kind of ability*

*to see his opponent's attack*

**[16:52]** ---

*but a dark place is favorable*

*for me to fight, too.*

**[16:56]** ---

I can't see the bullets!

**[17:07]** ---

Covering himself in the darkness...

**[17:16]** ---

*Tsk. Protective coloring*

*and the variety of attacks...*

**[17:23]** ---

Catching you was easier than I thought.

**[17:26]** ---

Your friend cut his arm off

without hesitation.

**[17:30]** ---

Magnetic force and deflection...

It's an elaborate Trigger.

**[17:35]** ---

It's very convenient

and its user is quite skillful.

**[17:40]** ---

I bet you're an important war asset

for them...

**[17:43]** ---

So why do they wanna abandon you here?

**[17:48]** ---

What're you saying...?

**[17:52]** ---

Y-You bastard!

**[17:54]** ---

You talk nonsense!

**[17:56]** ---

There, the prediction comes true.

**[18:00]** ---

This is...

**[18:01]** ---

*The Barricade Trigger from earlier!*

**[18:03]** ---

I'm not talking nonsense.

**[18:07]** ---

I can... see your future.

**[18:11]** ---

What?!

**[18:13]** ---

*I'll keep him here...*

*Then, the future shifts a little more...*

**[18:18]** ---

*We'll reach the pivotal crossroads  
very soon!*

**[18:22]** ---

Hello? Is this Torimaru-kun? I got through  
to Kaho-chan of Kazama Squad.

**[18:27]** ---

A Humanoid Neighbor invaded HQ!  
And he's a Black Trigger user, she said!

**[18:32]** ---

That's why you can't get into HQ, I think!

**[18:35]** ---

A Neighbor invaded HQ?!

**[18:37]** ---

Black Trigger?!

**[18:39]** ---

Karasuma *senpai*!

**[18:40]** ---

Let's head to HQ even if we can't get in.

**[18:43]** ---

Jin-san told us so...

Means there's a good reason for that.

**[18:48]** ---

The operations center suffered  
catastrophic damage!

**[18:52]** ---

The Humanoid Neighbor is  
moving towards the laboratory.

**[18:55]** ---

Rescue squad!  
Stand ready to move anytime!

**[18:59]** ---

Move in after the Humanoid passes by!

**[19:01]** ---

In the laboratory, there is still a team  
that's analyzing Agent Suwa's cube!

**[19:05]** ---

Of all places, we let him enter the area  
where people haven't evacuated.

**[19:10]** ---

All engineers, activate your  
Self-defense Triggers and evacuate!

**[19:14]** ---

You can give up the lab!

**[19:16]** ---

Listen, protect yourselves at any cost!

**[19:26]** ---

This certainly is a country of monkeys!  
Those traps are typical monkey tactics!

**[19:36]** ---

Isn't there any Trigger user?  
If you don't come out already,

**[19:41]** ---

I'll chop up everybody one by one.

**[19:52]** ---

Before it was a new type  
and now, a Black Trigger?

**[19:56]** ---

*B-Rank No.10, Suwa Squad*

**[19:56]** ---

I just came back! Can't believe I have to  
face this big pain in the butt!

**[19:59]** ---

There you are, small fries!

**[20:07]** ---

I was worried that  
no one would play with me.

**[20:13]** ---

Seems like it didn't work for him at all!

**[20:23]** ---

Does he really have a weak point?!

**[20:26]** ---

He does.

**[20:27]** ---

If it's a Trion body, there must be  
a Relay Center and a Supply System.

**[20:32]** ---

It's just he moves things inside of  
his body to avoid damage from attacks.

**[20:37]** ---

Shoot every single part of

his whole body.

**[20:40]** ---

Triggers you guys use are suited for that.

**[20:43]** ---

He's an A-Ranker after all!

He says it like it's easy!

**[20:54]** ---

Those shrimps from earlier scurried around  
and fended them off, and it irritated me

**[20:58]** ---

but you guys aren't so quick!

**[21:02]** ---

They have no skills.

They're literally small fries!

**[21:09]** ---

Virtual combat mode on!

**[21:16]** ---

*What's going on?!*

*The arm that I chopped off is...*

**[21:20]** ---

You have no idea what's going on,  
do you?

**[21:24]** ---

*B-Rank No.10, Suwa Squad, Captain  
Gunner: Kotaro Suwa (21)*

**[21:25]** ---

Look at your stupid little face!

**[21:28]** ---

Come on, Mr. Black Trigger.

**[21:34]** ---

I'll play with you like you wanted.

**[21:39]** ---

*Approximately 1240 seconds left until  
the crossroads of the future.*

**[21:44]** ---

*After this, we'll review Hyuse's Trigger!*

**[21:47]** ---

*WORLD TRIGGER Fun Facts*

**[21:48]** ---

*About Hyuse's Trigger*

**[21:49]** ---

*Butterfly, butterfly*

*Come rest on rapeseed leaves*

**[21:55]** ---

Hey... What's wrong, Four-Eyes?

**[21:57]** ---

Oh, Jin-san! Actually,

I just got some important information!

**[22:01]** ---

The enemy named Hyuse that Jin-san is fighting, has a Trigger called Lambiris

**[22:04]** ---

*Lambiris*

**[22:06]** ---

which means "Butterfly Shield" in the language of Aftokrator!

**[22:08]** ---

*Butterfly Shield*

**[22:09]** ---

That's why the butterfly song!

**[22:11]** ---

Yes! And there are other things that I found out.

**[22:15]** ---

Those small triangular crystals can be used for offense, of course,

**[22:17]** ---

*Offense*

**[22:18]** ---

but by manipulating their magnetic force, they stick together or fly apart

**[22:21]** ---

so they can be used as a shield to deflect bullets.

**[22:22]** ---

*Shield*

**[22:23]** ---

And he can even make a track to accelerate them using their magnetic force

**[22:27]** ---

*Fly*

**[22:27]** ---

and generate lift and fly.

**[22:29]** ---

They say it's a cutting-edge Trigger of Aftokrator.

**[22:30]** ---

*Cutting-edge*

**[22:31]** ---

Sounds pretty troublesome.

**[22:33]** ---

Yes. Also by landing them in his opponents,

**[22:36]** ---

he can weaken their attacks  
or capture them.

**[22:37]** ---

*Capture*

**[22:39]** ---

Oh yeah, you got them on your arm!

**[22:42]** ---

They're still right on my arm!

**[22:44]** ---

Hmmm. There must be something to it.  
That's what my Side Effect is telling me.

**[22:49]** ---

I see! We gotta check out on it!

**[22:52]** ---

Gotta check it out!

**[22:53]** ---

*See you!*

**[22:56]** ---

*The fight between Yuma and Viza,  
gets even more heated,*

**[22:59]** ---

*while Osamu and the others  
are rushing to evacuate.*

**[23:01]** ---

*But Aftokrator's captain, Hyrein  
appears in front of them.*

**[23:04]** ---

*Next time on WORLD TRIGGER:  
The Enemy Captain, Hyrein*

**[23:07]** ---

*Trigger on!*

**[23:08]** ---

**[23:10]** ---

---
