**[00:16]** ---

*The Neighbors, the invaders from another dimension, and...*

**[00:18]** ---

*Border Defense Agency, namely Border, keep having a fierce battle in Mikado City.*

**[00:22]** ---

*A Border agent, Osamu Mikumo met...*

**[00:24]** ---

*a mysterious boy, Yuma Kuga who claims he's a Neighbor.*

**[00:28]** ---

*They associated with Chika Amatori and formed a team in Border Tamakoma Branch.*

**[00:33]** ---

*Now they participate in B-Rank Wars...*

**[00:35]** ---

*to be selected for the away squads to the Neighborhood.*

**[00:38]** ---

*While Border agents are having Rank Wars,*

**[00:40]** ---

*HQ Director Shinoda summoned an emergency response meeting*

**[00:44]** ---

*and revealed another invasion of Mikado City by unknown planet nations.*

**[00:49]** ---

*Meanwhile, after the Rank War against the B-Rank top teams,*

**[00:53]** ---

*Mikumo Squad realizes they need to improve themselves and decide to get busy.*

**[00:57]** ---

*Osamu discovered the better-suited person*

*that Jin told him about was Hyuse*

**[01:01]** ---

*and tried to get information  
from Enedorad.*

**[01:04]** ---

I already told you everything!

**[01:07]** ---

Either Galopoula or Rhodokrhoun,  
or both of them will come attack!

**[01:11]** ---

Isn't it more than enough information?

**[01:14]** ---

Oh yeah, I'll give you a piece of warning.

**[01:17]** ---

You'd better not let Hyuse know  
about this.

**[01:22]** ---

Tell me...

**[01:23]** ---

a little more about that last point.

**[01:27]** ---

*An Evolving Mikumo Squad*

**[01:42]** ---

Come on in.

**[01:43]** ---

Okay!

**[01:47]** ---

Oh, this is how the operation rooms look.

**[01:51]** ---

Please excuse us.

**[01:52]** ---

I'll get it ready right away.

**[01:58]** ---

*B-Rank, Kageura Squad*

*Operator: Hikari Nire (17)*

**[01:59]** ---

Is that Yuzuru?

**[02:03]** ---

Girls! Yuzuru brought some girls!

**[02:06]** ---

- Hi.

- Please excuse us.

**[02:08]** ---

Hey! You should've told me  
if you were gonna bring guests!

**[02:11]** ---

Do you wanna call Zoe and Kage?

**[02:13]** ---

No, I don't.

**[02:15]** ---

You wanna sit at the *kotatsu* table  
and eat some oranges?

**[02:17]** ---

- Um...

- You can leave us alone.

**[02:20]** ---

We just wanna use the training room.

**[02:28]** ---

You said you can help Chikako earlier  
but what are you gonna do?

**[02:32]** ---

Can you remedy her weak point?

**[02:35]** ---

No, I can't do that.

**[02:37]** ---

But there's a Trigger  
that I want you to try.

**[02:41]** ---

You want me to try?

**[02:43]** ---

*Training Room for Snipers*

**[02:52]** ---

This is our squad's training room  
for snipers.

**[02:56]** ---

Amatori-san, you can hit people normally  
in practice

**[02:59]** ---

but you can't do it in Rank Wars.

**[03:02]** ---

Rank Wars are practice, too, in a way

**[03:05]** ---

and it's not like you'll shoot  
flesh and blood so why is it?

**[03:08]** ---

It's only a guess  
but one variable might be...

**[03:11]** ---

whether the person you shoot  
explodes in a splatter.

**[03:15]** ---

Splatter?

**[03:17]** ---

Yes. There are quite a lot of people

who can't fight even against Trion bodies

**[03:22]** ---

and I've heard it's because  
those people can't stop thinking...

**[03:26]** ---

"What if the target were flesh and blood?"

**[03:29]** ---

In actuality,  
Border's Trigger bullets...

**[03:32]** ---

have a safety mechanism  
to prevent strays.

**[03:34]** ---

Even when it contacts  
someone's flesh and blood,

**[03:37]** ---

he'll just get knocked out  
from the pain and the impact.

**[03:39]** ---

Still, there are lots of people who don't  
wanna risk harming someone's body,

**[03:43]** ---

and they change their career to  
operations or engineering.

**[03:47]** ---

Knocking someone out from pain  
sounds pretty awful.

**[03:52]** ---

You can shoot normally in practice  
because...

**[03:55]** ---

you know you won't harm the target,  
don't you?

**[03:59]** ---

In that case...

**[04:01]** ---

Um...

**[04:03]** ---

Hikari.

**[04:04]** ---

*How do I change the Trigger setting here?*

**[04:11]** ---

Boy, you can't do anything without me!

**[04:16]** ---

*Yes, yes, you're right.*

**[04:21]** ---

A Black Lightning?!

**[04:23]** ---

Amatori-san.

**[04:24]** ---

Try to shoot the target with it.

**[04:26]** ---

Uh-huh, got it.

**[04:40]** ---

*This Trigger is...*

**[04:41]** ---

"Lead Bullet." A Trigger that immobilizes your opponent with weights.

**[04:46]** ---

*Lead Bullet... Oh yeah!*

**[04:48]** ---

*When I met Yuma-kun for the first time,*

**[04:51]** ---

*the person from Miwa Squad used it at the station.*

**[04:55]** ---

Are you sick, Shuji?

**[04:56]** ---

It's nothing.

**[04:58]** ---

Lead Bullet doesn't...

**[04:59]** ---

harm the target directly.

**[05:03]** ---

So even if the target is flesh and blood, you won't hurt him

**[05:06]** ---

so I think you can shoot it.

**[05:09]** ---

Really?! There's such a thing?!

**[05:11]** ---

The bullet can't be blocked with a shield so it's easy to get a hit.

**[05:15]** ---

What?! It's the best!

**[05:17]** ---

Why doesn't everybody use it?!

**[05:19]** ---

It's not so convenient.

**[05:22]** ---

*Main: Egret*

*Sub: Lead Bullets*

**[05:22]** ---

One of its flaws is that you can't use it

with your Bagworm.

**[05:23]** ---

*Main: Egret*

*Sub: Shield*

**[05:26]** ---

*Main: Egret*

*Sub: Bagworm*

**[05:26]** ---

When you snipe with Lead Bullets,  
your location will be shown on radar.

**[05:28]** ---

*Sub: Lead Bullets*

*Sub: Bagworm*

**[05:31]** ---

But when you miss the target,  
you'll be found anyway

**[05:36]** ---

so it's better than shooting bullets  
you can't hit with, I think.

**[05:40]** ---

And another flaw is its bullet speed.

**[05:42]** ---

*Normal Bullet + Lead Bullet*

**[05:44]** ---

Since Lead Bullet uses a lot of Trion  
for its weight effect,

**[05:44]** ---

*Weight Effect/Bullet Speed/Firing Range*

**[05:48]** ---

it has far less firing range  
and bullet speed.

**[05:50]** ---

*Egret*

**[05:51]** ---

Sniper Triggers guarantee firing range  
through the gun structure itself

**[05:56]** ---

but you can't get a hit anyway  
if the bullet speed is slow.

**[05:59]** ---

You, however,  
have an enormous amount of Trion.

**[06:03]** ---

*Ibis:*

*The higher the user's Trion ability,  
the more power*

**[06:03]** ---

The three sniping rifles are...

**[06:05]** ---

*Egret:*

*The higher the user's Trion ability,  
the broader the firing range*

**[06:05]** ---

set to improve different performance  
according to the user's Trion amount

**[06:09]** ---

*Lightning:*

*The higher the user's Trion ability,  
the faster the bullet speed*

**[06:09]** ---

so the combination of your Lightning  
and Lead Bullets might provide...

**[06:14]** ---

enough bullet speed for actual battles,  
I thought. And I was right.

**[06:18]** ---

Yuzuru! You're amazing!  
You know so much!

**[06:23]** ---

I didn't come up with the idea.  
My mentor did.

**[06:28]** ---

Hatohara *senpai*...

**[06:30]** ---

With her Trion amount,  
the bullet speed wasn't fast enough

**[06:34]** ---

so the idea got thrown out.

**[06:37]** ---

Yuzuru-kun, can I shoot some more?

**[06:40]** ---

Go ahead.

**[06:48]** ---

You're a good person!

**[06:50]** ---

Chikako is your rival in B-Rank but  
you gave her the idea your mentor had.

**[06:54]** ---

Do you have a crush on her?

**[06:56]** ---

N-No, it's not like that.

**[06:59]** ---

Chikako!

**[07:00]** ---

- Alright! Why don't you shoot me?!

- What?!

**[07:03]** ---

- Come on! Hit me hard!

- What? I can't do that...

**[07:06]** ---

*It's not like that...*

**[07:08]** ---

*I just don't want her to collapse  
like Hatohara senpai...*

**[07:13]** ---

- Shoot another big shot!

- Uh-huh.

**[07:17]** ---

Oh, this is such a pain!

**[07:21]** ---

I already told this to the baldy  
right there so I'll make it short.

**[07:25]** ---

So open your ears and listen up.

**[07:28]** ---

First, about Aftokrator.

**[07:31]** ---

Aftokrator is run by four houses.

**[07:34]** ---

Houses?

**[07:35]** ---

They're like "feudal lords."

**[07:38]** ---

There are a number of subordinate houses  
under a feudal lord,

**[07:41]** ---

and more subordinate houses  
under them.

**[07:44]** ---

There are four of those big groups and...

**[07:47]** ---

all of them claim  
their own territories.

**[07:50]** ---

There are oppositions within the country?!

**[07:53]** ---

All countries are like that, aren't they?

**[07:55]** ---

They only join hands when they fight  
a war against other countries.

**[08:00]** ---

And one of those feudal lords is  
that jerk, Hyrein.

**[08:04]** ---

He was trying so hard to prop up his house  
by gathering Trigger users sneakily.

**[08:08]** ---

The more Trigger users you have,  
the broader area you can govern

**[08:12]** ---

and you can house  
more small fry citizens, too.

**[08:15]** ---

I heard they caught a lot of  
Meeden's monkeys this time

**[08:18]** ---

so I bet Hyrein was so happy.

**[08:21]** ---

Anyway, peaceful old Aftokrator  
faced a problem.

**[08:26]** ---

The planet's god will die in a few years.

**[08:30]** ---

It's really big trouble.

**[08:33]** ---

When the planet dies,  
territories don't mean a thing.

**[08:36]** ---

Everybody will go down together.

**[08:39]** ---

But for the feudal lords,  
this was also an opportunity.

**[08:45]** ---

Because if they can find the new god  
themselves,

**[08:48]** ---

they'll have real power over the next era  
with that achievement.

**[08:53]** ---

Thus, all of the four feudal lords...

**[08:55]** ---

went on away missions in search of  
the next sacrificial god.

**[08:59]** ---

And that's the story up to now.

**[09:02]** ---

You haven't mentioned Hyuse at all.  
Weren't you gonna tell us about him?

**[09:07]** ---

Shut up and listen, shrimp.

**[09:10]** ---

Hyrein, one of the feudal lords,  
has a pessimistic pattern of thinking.

**[09:13]** ---

So he was thinking about the future  
assuming the away mission will fail.

**[09:18]** ---

He knew he couldn't find a person  
fit to be a god so easily.

**[09:23]** ---

That's why he set a backup plan into  
action, in addition to the away mission.

**[09:30]** ---

If they couldn't find a candidate  
for the next god,

**[09:32]** ---

he'd make the one who has the most Trion  
from amongst his subordinates the god.

**[09:36]** ---

Make one of their own the new god?

**[09:39]** ---

If they could do that,  
why bother going to other planets...

**[09:43]** ---

No no,  
I don't think they can do that normally.

**[09:46]** ---

If you sacrifice one of your own,  
your subordinates won't like it.

**[09:50]** ---

And if you lose a person  
with that much of Trion,

**[09:53]** ---

the strength of the whole house  
will be reduced sharply.

**[09:56]** ---

But Hyrein wants to win this god gambit  
at any price...

**[09:59]** ---

even he has to turn a blind eye to it all.

**[10:02]** ---

Won't the people of the house that  
the sacrifice is from get mad at him?

**[10:06]** ---

I'm sure they will.

**[10:08]** ---

That's why Hyrein marooned the mutt  
who was most likely to bite him.

**[10:14]** ---

The one that they plan to  
sacrifice is...

**[10:17]** ---

the lord of the Erin house,  
directly under Hyrein.

**[10:23]** ---

Hyuse's master.

**[10:34]** ---

**[12:05]** ---

Hyuse's master will become  
Aftokrator's next god?

**[12:10]** ---

Yeah, that's right.

**[12:13]** ---

You said "master"...

**[12:15]** ---

but is he like an employer?

**[12:18]** ---

It's more like he's a foster parent.

**[12:22]** ---

Even among small fry citizens  
from humble pedigrees,

**[12:25]** ---

a child with a decent amount of Trion  
could be born sometimes.

**[12:29]** ---

People at the top of the hierarchy  
look for a child like this, buy him,

**[12:33]** ---

plant the horns,  
and raise him to be a future soldier.

**[12:36]** ---

Hyuse was one of those children?

**[12:38]** ---

Sort of.

**[12:39]** ---

House Erin, which picked up Hyuse are  
known as good-natured people so...

**[12:43]** ---

I bet he was raised like a family member  
rather than a soldier.

**[12:47]** ---

Family...

**[12:49]** ---

Didn't Hyuse know  
that they might sacrifice his master?

**[12:54]** ---

He might've heard people talking  
but I guess Hyrein tried to cover it up.

**[13:00]** ---

By telling him something like "We'll  
kill Enedora during this away mission,"

**[13:06]** ---

he deflected his attention  
away from the god problem.

**[13:09]** ---

How do you know that?

**[13:11]** ---

Because that's how I got fooled.

**[13:14]** ---

Until the moment I got killed, I thought  
I was on the side of framing Hyuse.

**[13:20]** ---

Damn! So irritating!

**[13:22]** ---

I see.

**[13:23]** ---

*We might leave Hyuse behind.  
Keep it secret.*

**[13:23]** ---

He told both of them that  
they were part of a secret plan

**[13:26]** ---

*We might kill Enedora.  
Keep it secret.*

**[13:26]** ---

and made them believe that  
they were in on the secret.

**[13:30]** ---

He's good.

**[13:31]** ---

Don't get impressed, shrimp!

**[13:34]** ---

Then, does Hyuse notice that now?

**[13:37]** ---

If he has a brain, he'd try to figure out  
why he has been left behind.

**[13:43]** ---

Plus, even if he isn't sure  
if he got framed,

**[13:46]** ---

it is a mutt's nature to return to  
his master as quickly as possible.

**[13:51]** ---

So be careful.

**[13:53]** ---

Galopoula and Rhodokrhoun.

**[13:55]** ---

Once he finds out those vassal nations  
will approach

**[13:58]** ---

he'll make a move without doubt.

**[14:00]** ---

Because it's his chance to go back to  
Aftokrator through those countries.

**[14:06]** ---

Keep an eye on the prisoner, Tamakoma.  
We don't want any unnecessary trouble.

**[14:11]** ---

As it is now, Jin's precognition is  
all we have to depend on.

**[14:16]** ---

There are other things I have to do now.

**[14:20]** ---

*So this is what he was talking about.*

**[14:23]** ---

Okay, isn't it enough already?  
Go away, go away! I'm busy!

**[14:27]** ---

Hey! I'm done here!

**[14:29]** ---

Is the cyborg-girl movie ready to watch?

**[14:35]** ---

Sorry for the bother.

**[14:37]** ---

Kinuta-san, see you.

**[14:38]** ---

Humph. Thank you for your work.

**[14:41]** ---

Well, that was quite interesting.

**[14:45]** ---

Anyway, Osamu, seemed like  
you really wanted to hear about Hyuse.

**[14:48]** ---

Could it be he's our fourth member?

**[14:50]** ---

That... I don't know yet.

**[14:54]** ---

Well, he's a Neighbor so it's difficult.

**[14:57]** ---

That's not an issue.

You're a Neighbor, too.

**[15:01]** ---

But the fact that he was part of the enemy  
in the large-scale invasion...

**[15:05]** ---

will bring various problems anyway.

**[15:07]** ---

I see.

**[15:09]** ---

I think it's a good idea to recruit Hyuse.

**[15:12]** ---

It's common to make a useful enemy  
switch sides.

**[15:15]** ---

He said Hyuse might actually  
wanna go home.

**[15:19]** ---

It was valuable information  
we got today.

**[15:21]** ---

If he wants to go back to Aftokrator,  
we wanna go there, too.

**[15:25]** ---

The way is open to join hands, I think.

**[15:28]** ---

*Like Konami senpai said, it'll be  
hard to get approval from HQ.*

**[15:34]** ---

What about Galopoula and Rhodokrhoun?

**[15:37]** ---

Should we do research on them?

**[15:39]** ---

No, let's count on Jin-san and the others  
for that.

**[15:43]** ---

If they assign a mission to us,  
we'll accept it.

**[15:45]** ---

Our priority is the Rank Wars.  
We'll focus on the match in front of us.

**[15:50]** ---

Roger!

**[15:53]** ---

Alright, I'm off to solo Rank Wars.

**[15:56]** ---

Okay, then see you later.

**[16:04]** ---

Galopoula and Rhodokrhoun are approaching Meeden.

**[16:07]** ---

If people back home have something to do with it, then maybe...

**[16:11]** ---

Hyuse! I'm coming in.

**[16:16]** ---

Why are the lights off?

**[16:18]** ---

I was lost in thought a little bit.

**[16:21]** ---

Hmmm...

**[16:25]** ---

Don't worry.

You'll certainly make it home someday.

**[16:32]** ---

Do you wanna touch Raijin-maru's belly?  
It'll help you relax.

**[16:37]** ---

No thanks.

**[16:38]** ---

Restraining yourself  
isn't good for your body.

**[16:41]** ---

I'm not restraining myself...

**[16:43]** ---

It's very fluffy.

**[16:50]** ---

*An experiment with combinations  
Lead Bullet + Ibis*

**[16:53]** ---

Wow, that's slow!  
That can't be used in actual battles.

**[17:01]** ---

It's effective once it make a hit.

**[17:03]** ---

How is it, Natsume? Is it heavy?

**[17:05]** ---

More importantly, I'm...

**[17:08]** ---

not touching the ground.

**[17:09]** ---

Uh-huh.

**[17:10]** ---

We tried a lot but after all,  
Lightning seems the most practical.

**[17:15]** ---

So Yuzuru's mentor was right.

**[17:18]** ---

I think so.

**[17:19]** ---

But Asteroid and a few others  
looked pretty good, too.

**[17:23]** ---

I don't know...  
Up to about 30 meters,

**[17:27]** ---

she managed to maintain  
both firing range and bullet speed but...

**[17:30]** ---

it'd be too tough to be in an shootout  
without a shield.

**[17:33]** ---

Don't you think it'll work  
against an attacker?

**[17:36]** ---

Then, Hound might be better.

**[17:38]** ---

Firing range and bullet speed  
will decrease but...

**[17:41]** ---

That's it!

**[17:43]** ---

Chikako, why are you grinning?

**[17:46]** ---

What?

**[17:47]** ---

Oh, I was just thinking this is fun...

**[17:51]** ---

Both of you are the same age as me

**[17:53]** ---

and it's fun to work on an idea  
together like this.

**[17:57]** ---

Boy, what are you talking about,  
Chikako?

**[18:00]** ---

*I'm having fun, too...*

**[18:02]** ---

Four-Eyed *senpai* and Shrimp *senpai*

would help you, too, wouldn't they?

**[18:06]** ---

Yeah, I think they would but...

**[18:09]** ---

I don't wanna get in their way so...

**[18:13]** ---

Hmmm, is it like that?

**[18:16]** ---

Well, I'm really free so I don't mind!

**[18:19]** ---

Me, too.

I basically have nothing to do...

**[18:21]** ---

Oh, Yuzuru! How nice of you!

**[18:24]** ---

What? It's not what you thinking...

**[18:31]** ---

I don't know what they're talking about  
but...

**[18:34]** ---

it's good to be young, Yuzuru!

**[18:37]** ---

*HQ Meeting Room*

*Emergency Response Meeting*

**[18:37]** ---

That's all we have.

All of you, make preparations.

**[18:41]** ---

Okay, let's get to work. Bye.

**[18:44]** ---

We need to get ourselves psyched up again!

**[18:47]** ---

Shinoda-san.

**[18:48]** ---

Yes.

**[18:50]** ---

I'll check the B-Rankers' work schedule  
and pick out squads that can be mobilized.

**[18:54]** ---

I'll leave that to you.

**[18:56]** ---

Yo, Miwa.

**[18:57]** ---

You're looking better than before.

**[19:00]** ---

Got a haircut?

**[19:02]** ---

Shuji.

**[19:03]** ---

Azuma-san.

**[19:04]** ---

It's been a while.

Are you eating well?

**[19:08]** ---

Yes, I am.

**[19:09]** ---

Okay, let's go for *yakiniku* or something  
sometime.

**[19:13]** ---

Yes, thank you very much.

**[19:16]** ---

Jin.

**[19:18]** ---

Don't slack off on your job.

**[19:29]** ---

Seems like he's opening up  
a little more than before.

**[19:33]** ---

You're an optimist.

**[19:34]** ---

He totally ignored me though?

**[19:37]** ---

But don't push yourself too far, Jin.

**[19:40]** ---

No matter what happens,  
it's not just your responsibility.

**[19:43]** ---

I know.

I'm counting on my strong colleagues.

**[19:48]** ---

Because we don't even know  
what the enemy is like.

**[19:59]** ---

*I'm lost...*

**[20:01]** ---

*HQ has a bunch of similar hallways.*

**[20:05]** ---

*Where's the elevator?*

**[20:08]** ---

What's the matter?

**[20:10]** ---

Did you get lost?

**[20:12]** ---

Where do you wanna go?

**[20:14]** ---

The solo Rank War place.

**[20:20]** ---

- Here we are.

- Oh.

**[20:23]** ---

There are a bunch of similar hallways.

I used to get lost often, too.

**[20:28]** ---

I don't know who you are  
but thank you.

**[20:31]** ---

Whoa-whoa, seriously?

**[20:32]** ---

*B-Rank No.13 (Provisionally)*

*Kakizaki Squad*

*All-Rounder: Kuniharu Kakizaki (19)*

**[20:33]** ---

I'm your next opponent.

**[20:36]** ---

Are you?! I'm sorry.

**[20:38]** ---

Oh, Kakizaki-kun?

**[20:43]** ---

I didn't know you were friends  
with Kuga-kun.

**[20:46]** ---

Kako-san, you just got off work?

**[20:48]** ---

Oh, here's another unknown person.

**[20:50]** ---

*A-Rank, Kako Squad*

*Shooter: Nozomi Kako (20)*

**[20:51]** ---

Nice to meet you, Kuga-kun.

My name is Nozomi Kako.

**[20:55]** ---

I was an analyst for your match yesterday.

**[20:57]** ---

Oh, okay.

**[21:00]** ---

I'm so lucky to see you here. I don't  
have to go all the way to Tamakoma now.

**[21:04]** ---

Hmm?

**[21:05]** ---

Excuse me for getting right down

to business but...

**[21:09]** ---

would you like to join my team?

**[21:12]** ---

What?!

**[21:17]** ---

*After this,*

*we'll review Hyuse's circumstances*

**[21:20]** ---

*WORLD TRIGGER Fun Facts*

**[21:21]** ---

*Review Hyuse's circumstances*

**[21:22]** ---

I see. So at the time of the large-scale invasion, Aftokrator came...

**[21:23]** ---

*Aftokrator*

**[21:26]** ---

to look for the sacrifice that'll replace the planet's god who is dying.

**[21:28]** ---

*The planet's god*

**[21:31]** ---

Chika almost got kidnapped to become a candidate.

**[21:34]** ---

She's quite something...

**[21:36]** ---

Don't get impressed, Kuga.

**[21:38]** ---

Anyway, I can't believe Hyuse's master will be sacrificed to become the next god.

**[21:44]** ---

I mean, he was picked up and raised by such a master.

**[21:48]** ---

In addition, at the time of the invasion,

**[21:50]** ---

they had a plan to maroon him here from the beginning.

**[21:54]** ---

Seems like he was raised like a family member by that master.

**[21:54]** ---

*The master*

*A family member*

**[21:58]** ---

So if he sees his master sacrificed  
to become the next god,

**[21:58]** ---

*The planet's god*

**[22:01]** ---

he'll protest desperately.

**[22:03]** ---

He's such a serious person  
so it's obvious.

**[22:05]** ---

*Rice crackers*

**[22:07]** ---

That means...

**[22:08]** ---

he has more compelling reason than  
just wanting to go back to Aftokrator.

**[22:13]** ---

Which is he wants to go back to his master  
as soon as possible.

**[22:18]** ---

What if he joins Border and  
gets selected for the away squads...

**[22:23]** ---

I bet he's the candidate for Tamakoma-2's  
fourth member, isn't he, Osamu?

**[22:27]** ---

I told you I don't know yet.

**[22:30]** ---

Hmm.

**[22:31]** ---

According to what Kinuta-san heard  
from Enedorad,

**[22:33]** ---

*Enedorad*

**[22:34]** ---

Hyuse is one of those with horns  
from Aftokrator and...

**[22:35]** ---

*Aftokrator's new generation with horns*

**[22:37]** ---

*Stability/Trion expansion*

*The greatest ever*

*Gifted!!*

**[22:37]** ---

one of the gifted who has the greatest  
stability and Trion expansion ever.

**[22:41]** ---

I heard something from Yotaro, too.

**[22:41]** ---

*An elite!*

**[22:43]** ---

What is it?

**[22:44]** ---

He shoulders a heavy burden  
which is he only can sleep face down.

**[22:45]** ---

*On his side/On his back*

*Head*

*Bed*

**[22:46]** ---

*Can't lie down because  
the horns are in his way!*

**[22:50]** ---

He's really going through a lot...

Hyuse...

**[22:53]** ---

*See you!*

**[22:56]** ---

*Another group of Neighbors is  
about to invade.*

**[23:00]** ---

*Will Yuma, Chika, Jin, and Osamu  
be able to open the way to the future?*

**[23:05]** ---

*Next on WORLD TRIGGER:*

*To the Future*

**[23:07]** ---

*Trigger on!*

**[23:08]** ---

**[23:10]** ---

---
